

Mother Divine Public School

House system

In order to organize activities and competitions smoothly and to enable mass participation where every child gets an opportunity to explore latent talents and potentials and refine them, the school is divided into four houses.

UNITY HARMONY VIGOUR PROSPERITY

Each child initiated into the Mother Divine Public School is placed in a house and is gradually introduced to the ethos of the institution. Each house has a House Captain and Vice-Captain to whom he/she may turn for assistance. Each house has a House Incharge and several House-Teachers. All activities academic and co-curricular are based on inter house competitions. Points are awarded to the students throughout the year for participation in extra-curricular activities and sports. The installation of Prefects is another feather in the cap. The House Captain, Vice-Captain along with a team of Prefects spear head all the activities of the House, viz Sports, Cultural and Art. Our young leaders also help in maintaining school discipline. The students representing their Houses also score points for their creativity, teamwork, theme presentation, narration and expressions. Students are awarded points throughout the year for extra-curricular activities, games, sports and inter-house competitions. At the end of the year, the House gaining the highest number of points wins, "The Best House Trophy".

Requirement: For Primary and secondary both.
