# ARTICLE BY JUNIOR PROGRAMME HEAD

**By Ms. Aastha Bhola,  
Head of Junior Programme MDPS  
"Growing Minds, Not Just Grades"**

At Mother Divine Public School, our approach to early childhood and primary education is aligned with the principles of the National Curriculum Framework (NCF). The NCF emphasizes that learning should not be limited to rote memorization, but should focus on experiential learning, creativity, and holistic growth.

## **1. No Rote Learning – More Exploration**

Children learn best when they connect knowledge with real-life experiences. Instead of memorizing facts, they are encouraged to explore, question, and discover concepts through activities, stories, and hands-on tasks

## **2. Skill Development Beyond Academics**

Education today goes beyond textbooks. Skills such as problem-solving, teamwork, communication, and empathy are nurtured through projects, role-plays, art, music, and collaborative tasks. Activities like the Student-Led Parent Conference (SLPC) empower children to take ownership of their learning and confidently showcase their progress

## **3. Experiential Learning through Kitchen Garden**

Our newly initiated Kitchen Garden allows children to plant seeds, care for plants, and watch them grow. These activities instill patience, responsibility, and a deeper appreciation for nature while connecting them to science and environmental care in a fun, practical way.

## **4. Assessments without Pressure**

In line with the NCF, assessments are designed to track progress and growth, not to judge or label children. There are no exams in early years; instead, continuous observations and feedback help teachers and parents understand a child's strengths and areas for improvement.

**"Education is not the learning of facts, but the training of the mind to think." — Albert Einstein**

## **Tips for Parents: Growing Minds, Not Just Grade**

- **Value Habits Over Marks** – Encourage honesty, punctuality, kindness, and responsibility. These shape a child's character more than a score ever can.
- **Appreciate Effort, Not Just Outcome** – Praise your child's hard work, persistence, and creativity, even if the result isn't perfect.
- **Make Learning Joyful** – Link studies to daily life—measuring ingredients in the kitchen, gardening, or storytelling—to help children learn naturally.
- **Model What You Teach** – Children learn more from what they see than what they hear. Show them by example—read, stay curious, and practice discipline.
- **Celebrate Individuality** – Every child grows at their own pace. Avoid comparisons; instead, focus on their unique strengths and talents.
- **Encourage Responsibility** – Involve children in small household tasks. These teach accountability, patience, and teamwork.

**Remember: Grades may reflect a child's progress in one subject, but habits reflect the foundation of their whole life. Together, as partners in education, we can help children grow into confident, empathetic, and skillful learners—prepared not just for academics, but for life.**

## FROM THE FACILITATOR'S DESK

**Ms. Jyoti Sharma**

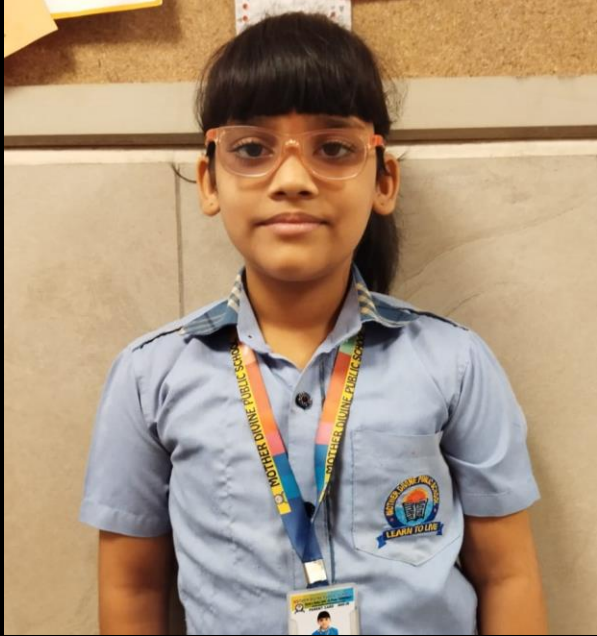

**Ms. Manu Sharma**

**“Every child is a different kind of flower, and all together, they make this world a beautiful garden.”**

We are truly delighted and thankful to watch our young learners blossom each day with enthusiasm and curiosity! Their eagerness to discover, learn, and express themselves brings immense joy to our classrooms. With boundless imagination and determination, they take on new challenges, ask meaningful questions, and learn through every experience. From creating beautiful artwork to playing with numbers, from exploring new words to performing delightful role plays — every activity has been a celebration of learning and growth. Along the way, our little ones have not only sharpened their academic abilities but also developed qualities like cooperation, patience, and resilience. It is heartwarming to see them communicate freely, share their thoughts, and help one another with kindness and confidence. Each day reminds us that education is much more than lessons — it's about shaping values, nurturing creativity, and building a strong sense of self-belief. And the journey continues! Together, we will keep exploring, discovering, and cherishing the magical moments that make learning such a beautiful adventure.!

## BACK TO SCHOOL BUZZ

### WELCOMING SESSION 2025-26(1ST JULY 2025)

**“It's time to trade summer adventures for school adventures—let's begin with excitement**

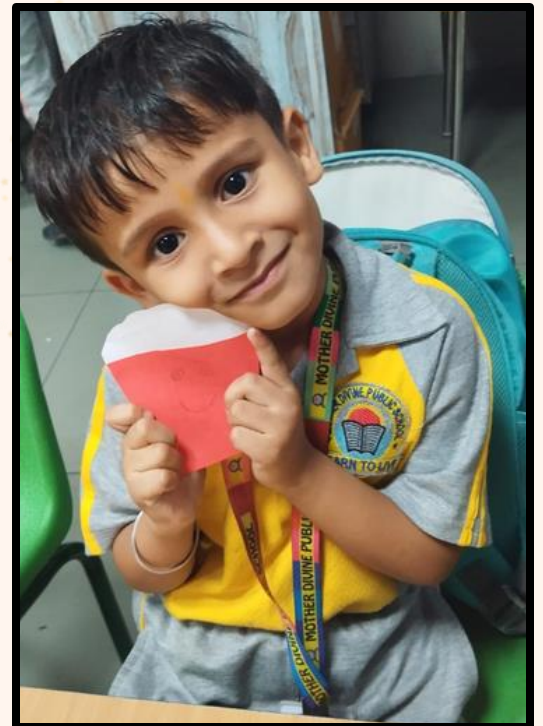

After a refreshing summer break, our little learners returned to school with great excitement and joy. To celebrate their return, a creative activity was organised where the children made colorful cupcakes using paper cutouts and decorated them with sprinkles, cherries, and imaginative designs. This fun-filled task not only gave them a cheerful start but also encouraged creativity, self-expression, and fine motor skills. Their vibrant cupcakes now brighten up the classroom boards, symbolizing the sweetness of togetherness and a happy beginning to the new session.

Adventure  
Begins →

Advit and Prisha said “Making cupcakes made me really happy. I liked sharing my toppings with my classmates and seeing how everyone's cupcake looked different!”

Aashika said "I was nervous at first, but when we all started decorating cupcakes, I forgot everything and just had fun with my friends."

# SPECIAL ASSEMBLY (RAINY DAY)

## (4TH JULY 2025)

**“Rain reminds us that even the clouds have something beautiful to share.”**

A special assembly on the theme of Rainy Day was conducted with great enthusiasm. The assembly began with a thoughtful speech on the importance of rain, followed by a lively dance performance that captured the joy of monsoons. Students also shared poems, thoughts, and songs related to the season, spreading cheer and appreciation for the beauty of rainy days. The assembly not only brought smiles to everyone's faces but also helped children express themselves confidently on stage.

Swasti said “I really enjoyed sharing my thought about the rainy day. I love how the rain makes everything fresh and green. I felt happy when everyone listened to me.”

# SPELLATHON

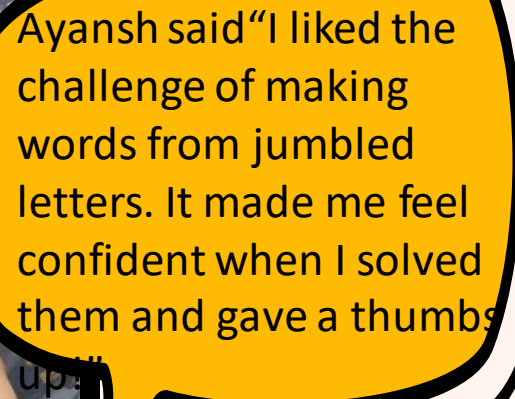

## (11TH JULY 2025)

**“A good speller today is a great communicator tomorrow—  
keep spelling, keep growing.”**

A fun-filled Spellathon activity was organized where children enthusiastically formed words using cut-outs of the alphabet. The activity not only made spelling practice enjoyable but also encouraged quick thinking, teamwork, and vocabulary building. With bright smiles and eager participation, the young learners showcased their creativity in arranging letters into meaningful words, making the activity both engaging and educational.

A group of children in school uniforms are gathered around a table, focused on a spelling activity. They are using small letter cutouts to form words. On the table, there are cards with pictures of a pizza and a mango, and a small bowl containing more letter cutouts. The children are looking intently at the letters and the cards.

Kartik and Bhawik  
said, "We loved  
solving the jumbled  
words!"

A yellow speech bubble with a black outline. Inside, a child is giving a thumbs up gesture. The text inside the bubble is a quote from Ayansh.

Ayansh said "I liked the  
challenge of making  
words from jumbled  
letters. It made me feel  
confident when I solved  
them and gave a thumbs  
up!"

Vashu and Saksham  
said, "Yayyy! We  
solved them."

Krashika said, "I enjoyed  
making new words from  
the letters"

# RAKSHA BANDHAN (8TH AUGUST 2025)

**The bond between a brother and sister is like no other—woven with love, trust, and memories.”**

On the joyous occasion of Raksha Bandhan, a special creative activity titled My Pouch of Love was organized for the children. The objective of this activity was to nurture their creativity while also helping them understand the values of love, care, and bonding that the festival represents. Each child designed and decorated a pouch with vibrant colours, sequins, and imaginative patterns, putting their heart into making it special. The beautifully crafted pouches symbolized the affection and warmth that siblings share, while also giving children a platform to express their artistic skills. This activity not only added festive cheer to the classroom but also instilled in the students the true spirit of Raksha Bandhan—celebrating love and togetherness.

Smaridhi said “ I am happy to tie a Rakhi to Aastha ma’am. I gave her a card and wished her. She gave me sweets and smiled!”

Maisha said ,“Happy Raksha Bandhan ma’am.”

Prisha said, "Wow!"  
made a beautiful  
Rakhi."

Daanya said, "I  
will decorated the  
pouch of love by  
stars

Dhriti said to  
saanvii- "Let's do  
the activity "

siya and Nikhil said,  
"We will make  
hearts on my  
envelope."

# JANMASHTAMI (11 AUGUST 2025)

**“Janmashtami reminds us of love, joy, and the playful spirit of Lord Krishna.”**

To celebrate the auspicious festival of Janmashtami, our school organized the Natkhat Nandlal Fest with great joy and devotion. The objective of the celebration was to help children understand the life and values of Lord Krishna while engaging them in fun-filled activities. Students came dressed as little Krishna and Radha, adding charm to the festive mood. The fest included a variety of games and activities inspired by Lord Krishna's playful nature, which the children enjoyed with great enthusiasm. Their laughter, energy, and participation reflected the spirit of togetherness and celebration.

“I dressed like Krishna and danced with my friends. It was fun to move around.”

Risheek  
said, "Main bilkul  
krishna jaisa lag  
raha hun na?"

"I danced in a circle  
with my friends. I felt  
excited being part of  
the celebration."

Harshit said "I made poses like Krishna playing the flute. Everyone laughed with me."

Ishaan said, "Happy Janmashtami"

Shourya said "I wore Krishna's dress and danced. I felt happy being with everyone."

# INDEPENDENCE DAY (14TH AUGUST 2025)

**“Independence Day reminds us to value the gift of freedom.”**

Independence Day was celebrated in our school with great patriotic fervor and enthusiasm. The program began with a serene lamp-lighting ceremony, symbolizing the spread of knowledge and wisdom, followed by the hoisting of the national flag and the singing of the National Anthem, which filled every heart with pride. Students showcased their talents through vibrant dances, inspiring speeches, and patriotic songs, while the school choir presented soulful melodies that uplifted the spirit of the celebration. The objective of the program was to instill in children a deep sense of love, respect, and responsibility towards the nation. The event concluded with a reminder to value freedom.

Vaidik said “I wore the tricolour and saluted the flag. It felt nice to celebrate!”

Nischay said “I raised my hand and saluted. It felt good to celebrate Independence Day!”

Aashika and Atharv said "I pasted the Tiranga on the wall with my own hands. I felt happy to decorate the class!"

Sakshi said "I pasted the Tiranga on the wall with my own hands. I felt happy to decorate the class!"

# GREEN CRUSADERS (4TH- 18TH AUGUST 2025)

**“Creativity is making the useless, useful again.”**

As part of a creative and eco-friendly activity, children used waste materials to design and build a model of town. The objective of this activity was to promote the concept of recycling, creativity, and teamwork. With great enthusiasm, students collected items like boxes, bottles, cardboard, and paper, and transformed them into houses, roads, and other structures of a lively town. The project not only encouraged imaginative thinking but also taught children the importance of reusing materials and caring for the environment. Their beautifully crafted town became a proud display of innovation and sustainability.

Hetansh said “I made a house using a box and a bottle. It looks just like a real home!”

Aahana said “I used cardboard to build a road. It was fun making it long and twisty!”

Lavanya said "I loved using waste materials to build something new. My town looks colorful!"

"We are proud of our little town!"-Response by students

Ivaan said "I cut the cardboard to make small houses. It feels great to build with my own hands!"

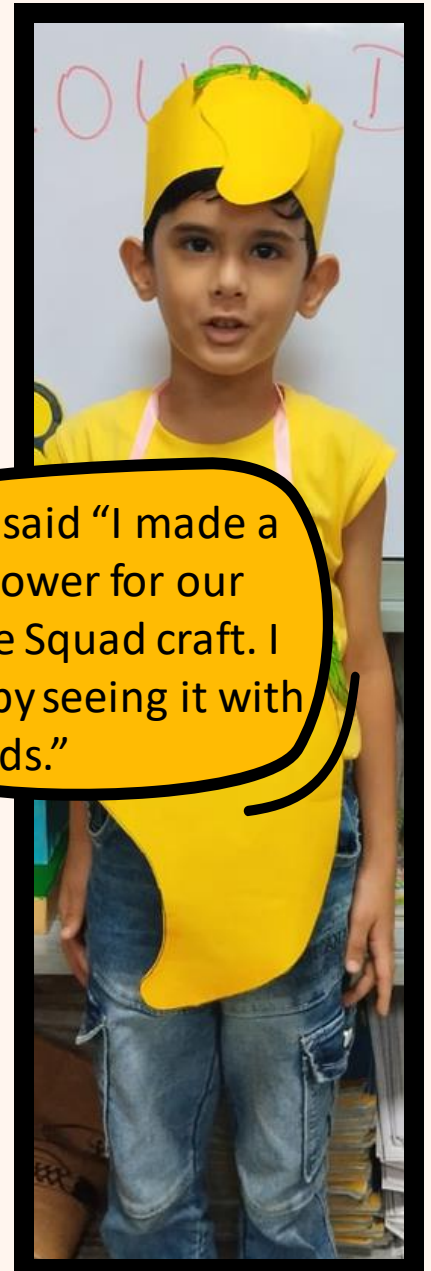

# YELLOW COLOUR DAY (25TH AUGUST 2025)

**“Yellow is the colour of sunshine, hope, and happiness.”**

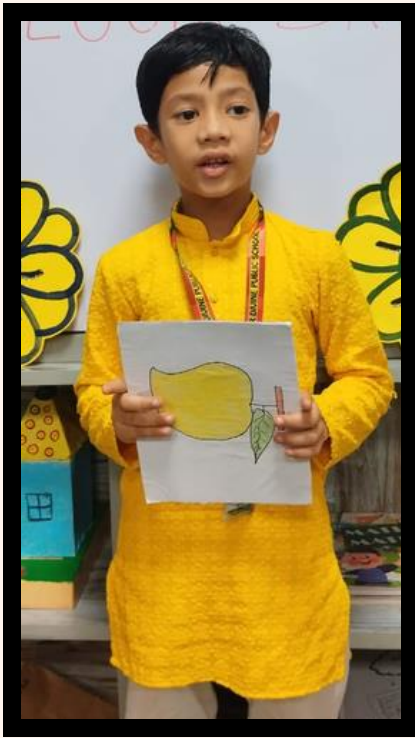

Yellow Colour Day was celebrated with great enthusiasm and joy, filling the classrooms with the brightness of sunshine. The objective of the celebration was to help children recognize the colour yellow and relate it to the objects around them. Dressed in vibrant yellow attire, the little ones worked together to create a beautiful scene of yellow things such as the sun, flowers, bees, and fruits. Adding more charm to the event, each child confidently spoke a few lines about different yellow objects, which enhanced their speaking skills and boosted their confidence. The activity was a delightful blend of creativity and learning, leaving the children with smiles as bright as sunshine.

Vedhika said “I made a yellow flower for our Sunshine Squad craft. I felt happy seeing it with my friends.”

Kritish said "I showed my mango during show and tell. I said it is yellow and yummy!"

Shivek said "I brought a banana for show and tell. I said, 'Bananas are yellow like the sun!'"

Daanya said "I made a sun with yellow paper and shared it with my friends. It made me smile!"

# GANESH CHATURTHI (27TH AUGUST 2025)

**“Lord Ganesha teaches us to remove obstacles and spread goodness wherever we go.”**

Ganesh Chaturthi was celebrated in school with devotion and creativity. To mark the occasion, children enthusiastically made eco-friendly clay idols of Lord Ganesha. The objective of the activity was to nurture artistic expression while also spreading awareness about celebrating festivals in an environmentally friendly manner. With small hands and big hearts, the students shaped beautiful idols, reflecting their joy and devotion.

Aahana and Hemakshi said “We made a small Ganesha with my hands. It looked so cute and colorful!”

Kiyanshi said “I held the tiny Ganesha in my hands. I felt special making it myself.”

Shivoy said "I made a small Ganesha with my hands. It looked so cute and colorful!"

Jivanshi said "I gave my Ganesha a small seat. It looks ready to celebrate Ganesh Chaturthi!"

# DENTAL CAMP (1 ST SEPTEMBER 2025)

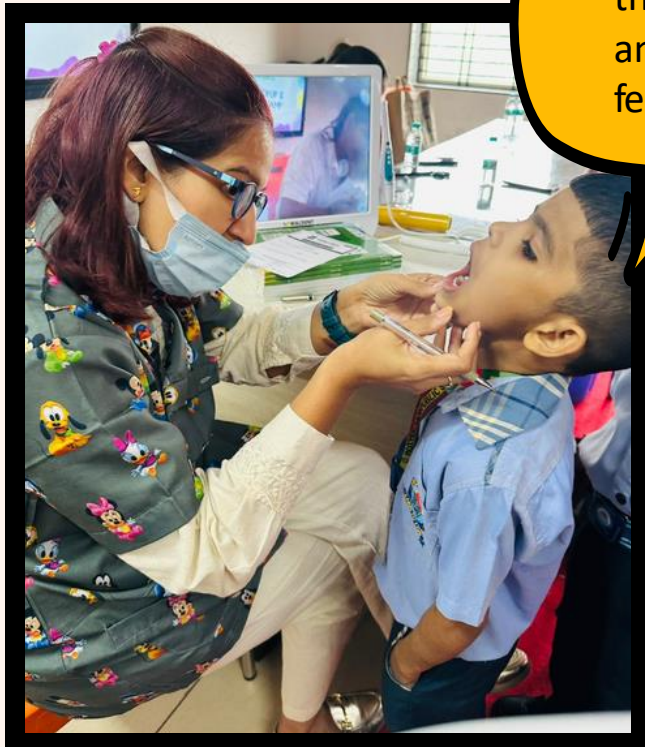

**“Strong teeth today, bright smile tomorrow.”**

A Dental Camp was organized in the school to promote awareness about oral health and hygiene among students. The objective of the camp was to encourage healthy habits from a young age and highlight the importance of dental care. Experienced dentists conducted free check-ups and guided children on proper brushing techniques, healthy eating habits, and ways to maintain strong teeth and gums.

Risheek said “I saw my teeth in a small mirror. I want to keep them clean and shiny!”

Siya said “I was a little nervous, but the dentist smiled and helped me. It felt good!”

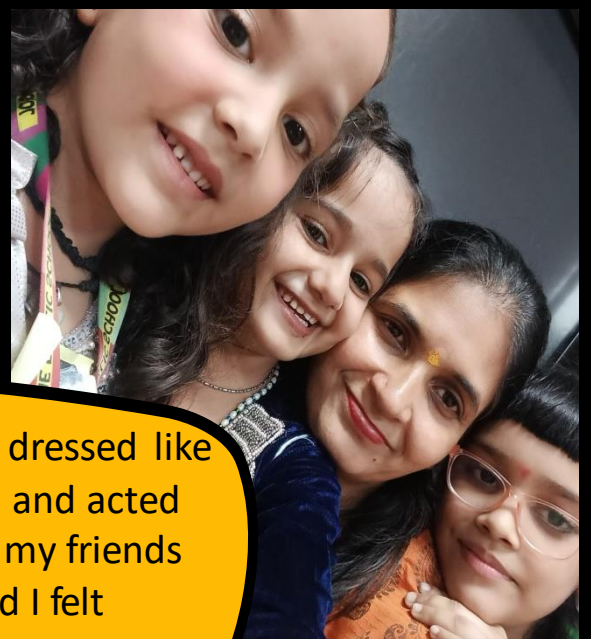

# TEACHER'S DAY (4TH SEPTEMBER 2025)

**"A teacher is a guide who makes learning joyful."**

Teacher's Day was celebrated with warmth and gratitude as children expressed their love for their teachers through art. The objective of the activity was to help students appreciate the role of teachers in their lives and to give them a platform to express their feelings creatively. Each child drew their favourite memory with a teacher—whether it was a fun classroom moment, a helping hand, or a word of encouragement—and decorated their artwork with colours and creativity. The heartfelt drawings beautifully reflected the bond between teachers and students, making the celebration truly memorable.

Saanvi said "I dressed like Jyoti ma'am today. I felt happy and proud to be her for a day!"

Samridhi "I dressed like my teacher and acted like her. All my friends laughed and I felt proud."

# ORGANIZED BY TECH TITANS CLUB

## (9TH SEPTEMBER 2025)

In an exciting hands-on activity, children created their own imaginative E-Gadgets using paper, cardboard, and other craft materials. The objective of this activity was to encourage creativity, innovation, and design thinking among students. With great enthusiasm, they designed mobiles, laptops, tablets, and even futuristic gadgets, decorating them with bright colours and unique features. The activity not only sparked their imagination but also helped them understand the role of technology in our lives while showcasing their inventive ideas.

"We created a new gadget that no one has seen before! We feel like a little inventors!" -Response by students
