ARTICLE BY JUNIOR PROGRAMME HEAD

**By Ms. Aastha Bhola,
Head of Junior Programme MDPS
"Growing Minds, Not Just Grades"**

At Mother Divine Public School, our approach to early childhood and primary education is aligned with the principles of the National Curriculum Framework (NCF). The NCF emphasizes that learning should not be limited to rote memorization, but should focus on experiential learning, creativity, and holistic growth.

1. No Rote Learning – More Exploration

Children learn best when they connect knowledge with real-life experiences. Instead of memorizing facts, they are encouraged to explore, question, and discover concepts through activities, stories, and hands-on tasks

2. Skill Development Beyond Academics

Education today goes beyond textbooks. Skills such as problem-solving, teamwork, communication, and empathy are nurtured through projects, role-plays, art, music, and collaborative tasks. Activities like the Student-Led Parent Conference (SLPC) empower children to take ownership of their learning and confidently showcase their progress

3. Experiential Learning through Kitchen Garden

Our newly initiated Kitchen Garden allows children to plant seeds, care for plants, and watch them grow. These activities instill patience, responsibility, and a deeper appreciation for nature while connecting them to science and environmental care in a fun, practical way.

4. Assessments without Pressure

In line with the NCF, assessments are designed to track progress and growth, not to judge or label children. There are no exams in early years; instead, continuous observations and feedback help teachers and parents understand a child's strengths and areas for improvement.

"Education is not the learning of facts, but the training of the mind to think." — Albert Einstein

Tips for Parents: Growing Minds, Not Just Grade

- **Value Habits Over Marks** – Encourage honesty, punctuality, kindness, and responsibility. These shape a child's character more than a score ever can.
- **Appreciate Effort, Not Just Outcome** – Praise your child's hard work, persistence, and creativity, even if the result isn't perfect.
- **Make Learning Joyful** – Link studies to daily life—measuring ingredients in the kitchen, gardening, or storytelling—to help children learn naturally.
- **Model What You Teach** – Children learn more from what they see than what they hear. Show them by example—read, stay curious, and practice discipline.
- **Celebrate Individuality** – Every child grows at their own pace. Avoid comparisons; instead, focus on their unique strengths and talents.
- **Encourage Responsibility** – Involve children in small household tasks. These teach accountability, patience, and teamwork.

Remember: Grades may reflect a child's progress in one subject, but habits reflect the foundation of their whole life.

Together, as partners in education, we can help children grow into confident, empathetic, and skillful learners—prepared not just for academics, but for life.

Ms. Bhavana Jain

Ms. Swati Bakshi

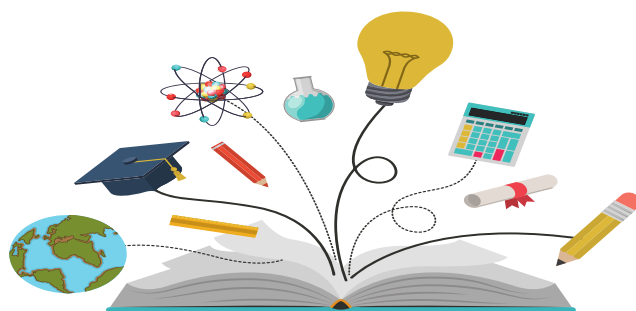

“Every child is a spark of possibility waiting to shine.”

It gives us immense joy to see our young learners stepping forward with confidence and enthusiasm each day. Every activity they explore brings new joy, teamwork, and learning.

Their willingness to ask question, express ideas, and support each other is a true reflection of their growth.

From numbers and words to art, music, and play, our children have shown remarkable creativity, teamwork, and resilience. Each moment in the classroom has been filled with laughter, learning, and new possibilities.

Every new experience adds to their growth—helping them discover, explore, and shine in their unique ways.”

SPECIAL ASSEMBLY (RAINY DAY) (4TH JULY 2025)

“Rain reminds us that even the clouds have something beautiful to share.”

A special assembly on the theme of Rainy Day was conducted with great enthusiasm. The assembly began with a thoughtful speech on the importance of rain, followed by a lively dance performance that captured the joy of monsoons. Students also shared poems, thoughts, and songs related to the season, spreading cheer and appreciation for the beauty of rainy days. The assembly not only brought smiles to everyone's faces but also helped children express themselves confidently on stage.

“We love performing in the rainy day as little drops of rain”- Response by students

RAKSHA BANDHAN (8TH AUGUST 2025)

“The bond between a brother and sister is like no other—woven with love, trust, and memories”.

On the joyous occasion of Raksha Bandhan, a special creative activity titled My Pouch of Love was organized for the children. The objective of this activity was to nurture their creativity while also helping them understand the values of love, care, and bonding that the festival represents. Each child designed and decorated a pouch with vibrant colours, sequins, and imaginative patterns, putting their heart into making it special. The beautifully crafted pouches symbolized the affection and warmth that siblings share, while also giving children a platform to express their artistic skills. This activity not only added festive cheer to the classroom but also instilled in the students the true spirit of Raksha Bandhan—celebrating love and togetherness.

“We promise to always support and respect each other”- Response by students

Akshita said, "I will give this to my brother".

Jiyansh said, "This rakhi is the best rakhi for me".

JANMASHTAMI MELA

(11 AUGUST 2025)

Janmashtami reminds us of love, joy, and the playful spirit of Lord Krishna

To celebrate the auspicious festival of Janmashtami, our school organized the Natkhat Nandlal Fest with great joy and devotion. The objective of the celebration was to help children understand the life and values of Lord Krishna while engaging them in fun-filled activities. Students came dressed as little Krishna and Radha, adding charm to the festive mood. The fest included a variety of games and activities inspired by Lord Krishna's playful nature, which the children enjoyed with great enthusiasm. Their laughter, energy, and participation reflected the spirit of togetherness and celebration.

Chahat said"
JAI SHREE KRISHNA
RADHE RADHE

Maitrey said, " I love to dress
up like Lord Krishna".

INDEPENDENCE DAY (14TH AUGUST 2025)

“Independence Day reminds us to value the gift of freedom.”

Independence Day was celebrated in our school with great patriotic fervor and enthusiasm. The program began with a serene lamp-lighting ceremony, symbolizing the spread of knowledge and wisdom, followed by the hoisting of the national flag and the singing of the National Anthem, which filled every heart with pride. Students showcased their talents through vibrant dances, inspiring speeches, and patriotic songs, while the school choir presented soulful melodies that uplifted the spirit of the celebration. The objective of the program was to instill in children a deep sense of love, respect, and responsibility towards the nation. The event concluded with a reminder to value freedom.

Uttkarsh said, “ I enjoy painting stripes on my tiger”.

Kartik said, “ We feel excited to create a tiger. It is like magic with hands”.

**, "Today we sang for our India . I felt proud and happy."-
Response by students.**

**Avya said: " I love my flag
thats why I put this badge
on my kurta".**

**Nimish said, "I dipped
my hand in paint and
made a strong and
brave tiger".**

ORGANISED BY GREEN CRUSADERS CL (4TH TO 18TH AUGUST 2025)

“Creativity is making the useless, useful again.”

As part of a creative and eco-friendly activity, children used waste materials to design and build a model of town. The objective of this activity was to promote the concept of recycling, creativity, and teamwork. With great enthusiasm, students collected items like boxes, bottles, cardboard, and paper, and transformed them into houses, roads, and other structures of a lively town. The project not only encouraged imaginative thinking but also taught children the importance of reusing materials and caring for the environment. Their beautifully crafted town became a proud display of innovation and sustainability.

Madhav said, “In my town, I will keep a park and a hospital”.

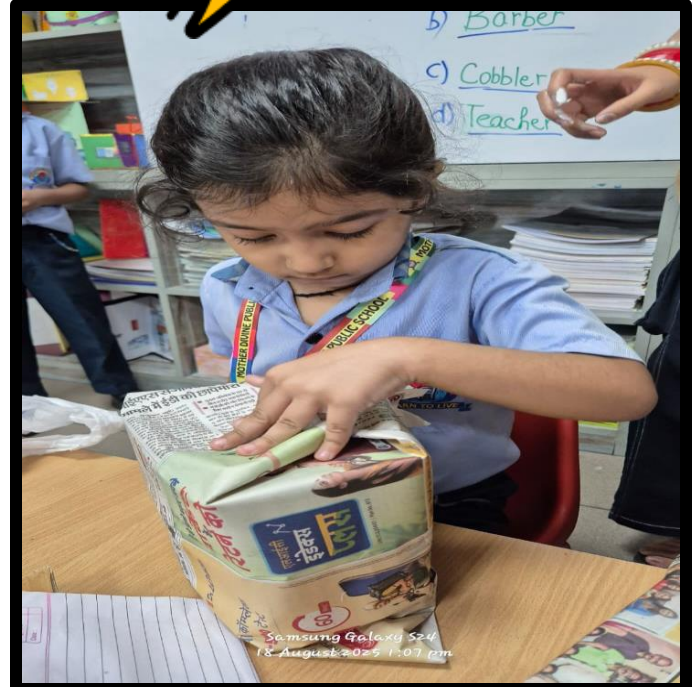

Yuvaan asked, “What will you keep in your town”?

Bhavya said, "I will show it to my parents".

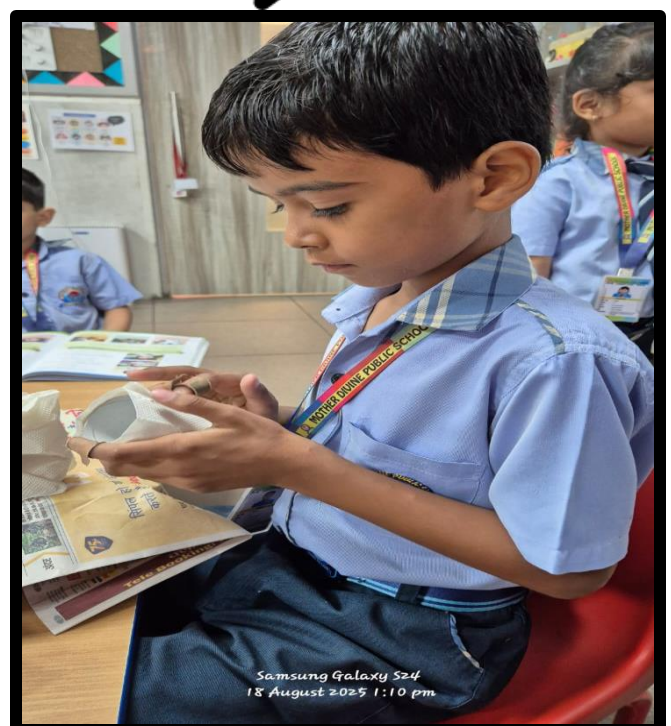

Nikita said, "I will show my town to my friends and teachers".

Azaan said, "I will place shops and roads in my model".

Virat said, "Building a model makes me feel how a town looks like".

YELLOW COLOUR DAY (25TH AUGUST 2025)

“Yellow is the colour of sunshine, hope, and happiness.”

Yellow colour Day was celebrated with great enthusiasm and joy, filling the classrooms with the brightness of sunshine. The objective of the celebration was to help children recognize the colour yellow and relate it to the objects around them. Dressed in vibrant yellow attire, the little ones worked together to create a beautiful scene of yellow things such as the sun, flowers, bees, and fruits. Adding more charm to the event, each child confidently spoke a few lines about different yellow objects, which enhanced their speaking skills and boosted their confidence. The activity was a delightful blend of creativity and learning, leaving the children with smiles as bright as sunshine.

“We all looking like little stars in yellow”- Response by students

“Today we feel like sunshine”- Response by students

Ritik said , " Wearing yellow makes me feel bright and special ".

Maitrey said, " Yellow is the colour of smiley faces ".

Anishka said , "I love to make yellow sunflowers with my friends ".

GANESH CHATURTHI (27TH AUGUST 2025)

“Lord Ganesha teaches us to remove obstacles and spread goodness wherever we go.”

Ganesh Chaturthi was celebrated in school with devotion and creativity. To mark the occasion, children enthusiastically made eco-friendly clay idols of Lord Ganesha. The objective of the activity was to nurture artistic expression while also spreading awareness about celebrating festivals in an environmentally friendly manner.

Adrika said , "My Ganpati is the cutest".

Iasma said , "Making clay Ganpati Ji is too much fun".

Ridhima said , "Ganpati ji is my favourite because he eats my favourite".

Madhav said , "See mam ,I made elegant Ganpati".

TEACHER'S DAY (4TH SEPTEMBER 2025)

“A teacher is a guide who makes learning joyful.”

Teacher's Day was celebrated with warmth and gratitude as children expressed their love for their teachers through art. The objective of the activity was to help students appreciate the role of teachers in their lives and to give them a platform to express their feelings creatively. Each child drew their favourite memory with a teacher—whether it was a fun classroom moment, a helping hand, or a word of encouragement—and decorated their artwork with colours and creativity. The heartfelt drawings beautifully reflected the bond between teachers and students, making the celebration truly memorable.

Krishika said, "It was fun to act like Swati mam. I enjoyed a lot."

Adrika said, "I made pink coloured card for mam because its my favourite colour".

" We are happy to make beautiful cards for our teacher"- Response by students

"We made the drawing of memories with our teacher. It was so joyful." – Response by students

ORGANISED BY TECH TITANS CLUB (9TH SEPTEMBER 2025)

TECH Titans: “Where ideas turn into innovations.”

In an exciting hands-on activity, children created their own imaginative E-Gadgets using paper, cardboard, and other craft materials. The objective of this activity was to encourage creativity, innovation, and design thinking among students. With great enthusiasm, they designed mobiles, laptops, tablets, and even futuristic gadgets, decorating them with bright colours and unique features. The activity not only sparked their imagination but also helped them understand the role of technology in our lives while showcasing their inventive ideas.

Aarna said , “ I will make colourful buttons of Keyboard”.

STUDENT-LED PARENT CONFERENCE (26TH AND 27TH SEPTEMBER 2025)

“Giving students the voice to share their own learning journey.”

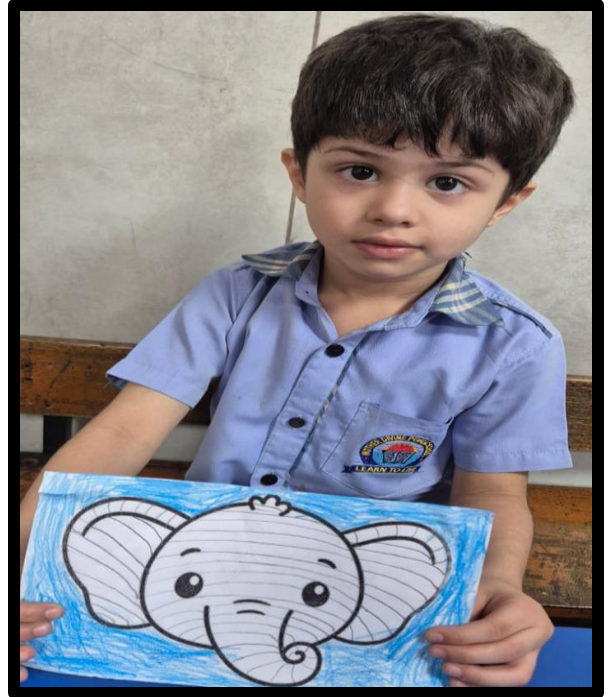

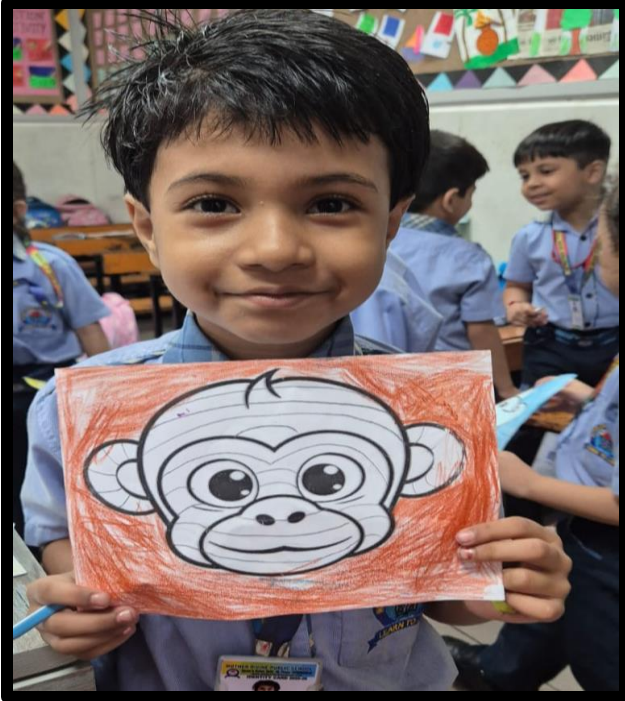

The Student-Led Parent Conference (SLPC) was conducted with great enthusiasm, where children confidently showcased their learning in front of their parents. Students presented different topics covered in class through activities, charts, role-plays, and practical demonstrations. This platform provided an opportunity for children to display their understanding, communication skills, and creativity while taking ownership of their learning. Parents appreciated the efforts of the students and teachers, and the event turned out to be a motivating and enriching experience for all.

We will give this to our parents and will tell them to come and attend SLPC” - Response by students

Ridhima said, "How is it mam?"

Talha said, "Look at my elephant's eyes, Its cute".

DUSSEHRA, GANDHI AND SHASTRI JAYANTI (29TH SEPTEMBER 2025)

The festival of Dussehra teaches us to walk the path of honesty and good

The school celebrated Gandhi Jayanti and Shastri Jayanti with great respect and enthusiasm. Children paid tribute to the great leaders by singing patriotic songs, spreading the message of truth, simplicity, and dedication. Along with this, the festival of Navratri and Dussehra was celebrated joyfully. Students presented vibrant dance performances, enacted festive acts, and enthusiastically participated in playing Dandiya..

Kartik said, " HA!
HA! HA! Mein hu
Raavan."

Yashvi said, "Ae Halo! Let's
play Dandiya".

Aarna said, "Mam, play my
favourite song "Dhol
baaje".
