ARTICLE BY JUNIOR PROGRAMME HEAD

**By Ms. Aastha Bhola,
Head of Junior Programme MDPS
"Growing Minds, Not Just Grades"**

At Mother Divine Public School, our approach to early childhood and primary education is aligned with the principles of the National Curriculum Framework (NCF). The NCF emphasizes that learning should not be limited to rote memorization, but should focus on experiential learning, creativity, and holistic growth.

1. No Rote Learning – More Exploration

Children learn best when they connect knowledge with real-life experiences. Instead of memorizing facts, they are encouraged to explore, question, and discover concepts through activities, stories, and hands-on tasks

2. Skill Development Beyond Academics

Education today goes beyond textbooks. Skills such as problem-solving, teamwork, communication, and empathy are nurtured through projects, role-plays, art, music, and collaborative tasks. Activities like the Student-Led Parent Conference (SLPC) empower children to take ownership of their learning and confidently showcase their progress

3. Experiential Learning through Kitchen Garden

Our newly initiated Kitchen Garden allows children to plant seeds, care for plants, and watch them grow. These activities instill patience, responsibility, and a deeper appreciation for nature while connecting them to science and environmental care in a fun, practical way.

4. Assessments without Pressure

In line with the NCF, assessments are designed to track progress and growth, not to judge or label children. There are no exams in early years; instead, continuous observations and feedback help teachers and parents understand a child's strengths and areas for improvement.

"Education is not the learning of facts, but the training of the mind to think." — Albert Einstein

Tips for Parents: Growing Minds, Not Just Grades

- Value Habits Over Marks – Encourage honesty, punctuality, kindness, and responsibility. These shape a child's character more than a score ever can.
- Appreciate Effort, Not Just Outcome – Praise your child's hard work, persistence, and creativity, even if the result isn't perfect.
- Make Learning Joyful – Link studies to daily life—measuring ingredients in the kitchen, gardening, or storytelling—to help children learn naturally.
- Model What You Teach – Children learn more from what they see than what they hear. Show them by example—read, stay curious, and practice discipline.
- Celebrate Individuality – Every child grows at their own pace. Avoid comparisons; instead, focus on their unique strengths and talents.
- Encourage Responsibility – Involve children in small household tasks. These teach accountability, patience, and teamwork.

Remember: Grades may reflect a child's progress in one subject, but habits reflect the foundation of their whole life. Together, as partners in education, we can help children grow into confident, empathetic, and skillful learners—prepared not just for academics, but for life.

FROM THE FACILITATOR'S DESK

Ms. Ruchika Shokeen

Ms. Bhawana Sharma

"In every child lies a spark of curiosity, waiting to be ignited with care and encouragement."

We are filled with gratitude and excitement as we continue to witness our little learners grow, explore, and shine every day! With endless curiosity, courage, and creativity, they dive into new activities, ask thoughtful questions, and embrace challenges with a smile.

From engaging in art and craft to exploring numbers, from role-playing fun scenarios to discovering the wonders of language, every moment has been filled with joy and learning. Our students have not only improved their academic skills but also learned the importance of teamwork, patience, and perseverance.

Seeing them support each other, communicate confidently, and share their ideas has been truly inspiring. Every step forward reinforces the fact that learning is not just about books, but about building character and nurturing self-belief.

And guess what? The adventure is only beginning — together, we will continue to create wonderful memories and experiences that shape their future!

SHINING STARS

Sarthak's cheerful attitude and eagerness to learn inspire his classmates and create a positive environment in the classroom.

**NAME- SARTHAK
GRADE- I-C
MONTH -JULY**

**NAME- SHRIYANSHI
GRADE-I-C

MONTH -SEPTEMBER**

Druvika's focus and dedication towards her studies encourage others to stay committed and work hard every day.

CLASSROOM CHRONICLES

Let's

Go

BACK TO SCHOOL BUZZ

WELCOMING SESSION 2025-26(1ST JULY 2025)

**“It's time to trade summer adventures for school adventures—
let's begin with excitement**

After a refreshing summer break, our little learners returned to school with great excitement and joy. To celebrate their return, a creative activity was organised where the children made colorful cupcakes using paper cutouts and decorated them with sprinkles, cherries, and imaginative designs. This fun-filled task not only gave them a cheerful start but also encouraged creativity, self-expression, and fine motor skills. Their vibrant cupcakes now brighten up the classroom boards, symbolizing the sweetness of togetherness and a happy beginning to the new

SPECIAL ASSEMBLY (RAINY DAY)

(4TH JULY 2025)

“Rain reminds us that even the clouds have something beautiful to share.”

A special assembly on the theme of Rainy Day was conducted with great enthusiasm. The assembly began with a thoughtful speech on the importance of rain, followed by a lively dance performance that captured the joy of monsoons. Students also shared poems, thoughts, and songs related to the season, spreading cheer and appreciation for the beauty of rainy days. The assembly not only brought smiles to everyone's faces but also helped children express themselves confidently on stage.

Charvi said, "I really enjoyed sharing my thoughts about the rainy day. I felt happy when everyone listened to me."

Ashwik said, "It felt amazing when everyone clapped for me!"

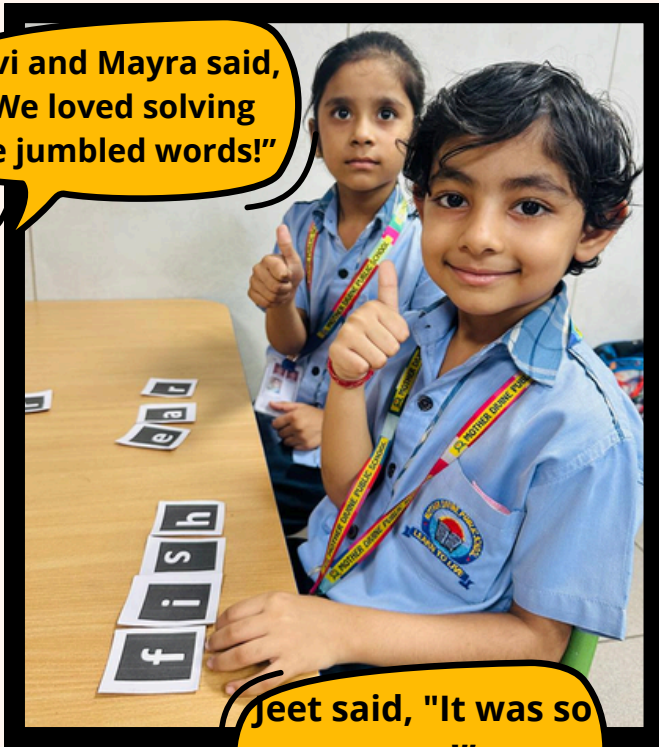

SPELLATHON

(11TH JULY 2025)

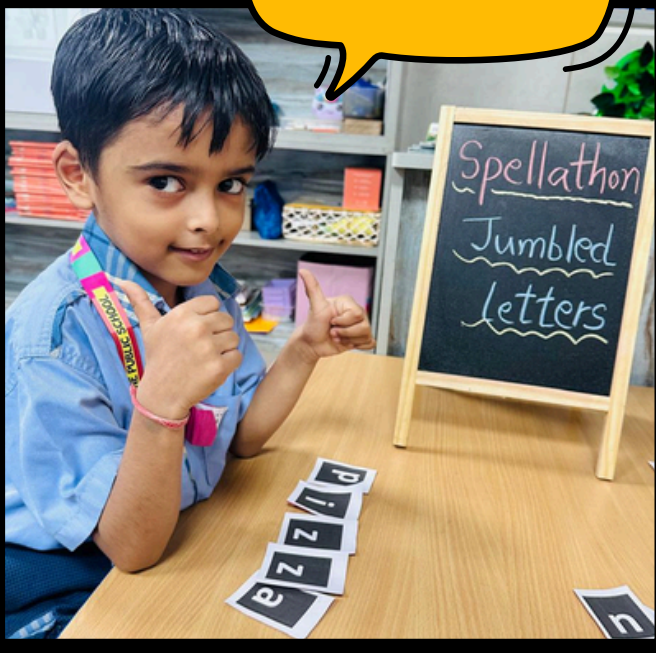

**“A good speller today is a great communicator tomorrow—
keep spelling, keep growing.”**

A fun-filled Spellathon activity was organized where children enthusiastically formed words using cut-outs of the alphabet. The activity not only made spelling practice enjoyable but also encouraged quick thinking, teamwork, and vocabulary building. With bright smiles and eager participation, the young learners showcased their creativity in arranging letters into meaningful words, making the activity both engaging and educational.

Anvi and Mayra said,
"We loved solving
the jumbled words!"

Jeet said, "It was so
easy!"

Dhruvika said, "I
enjoyed making new
words from the
letters"

Reyansh and Taisha
said, "Yayyyy!We
solved them."

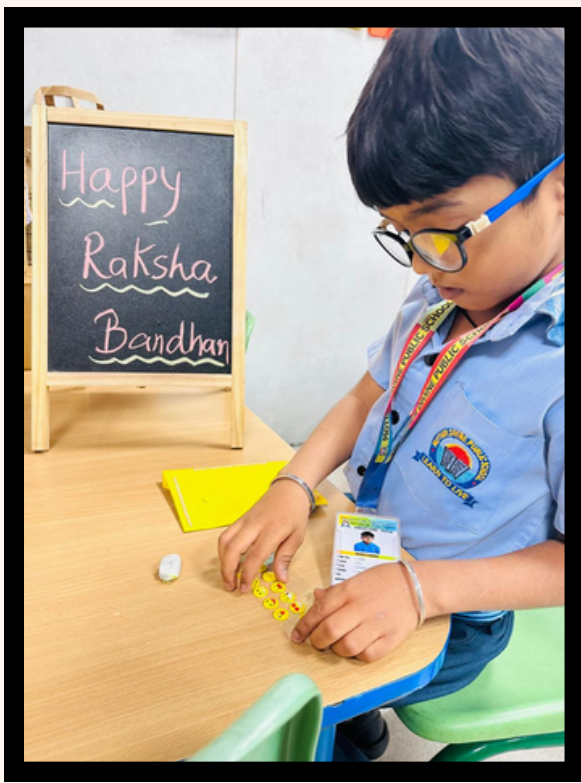

RAKSHA BANDHAN (8TH AUGUST 2025)

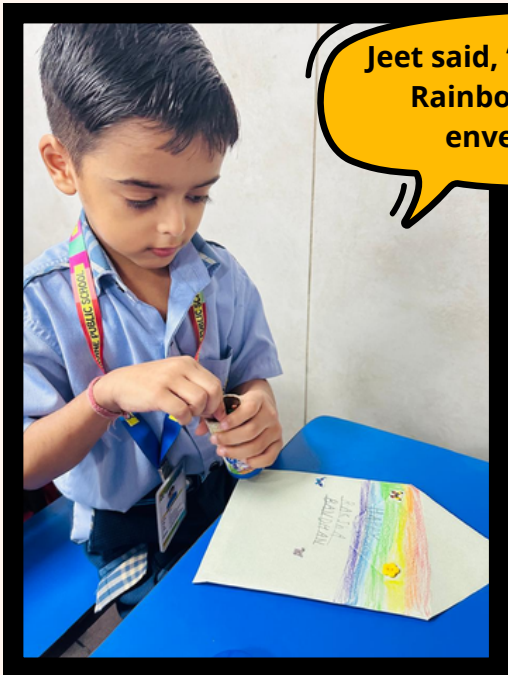

The bond between a brother and sister is like no other—woven with love, trust, and memories.”

On the joyous occasion of Raksha Bandhan, a special creative activity titled My Pouch of Love was organized for the children. The objective of this activity was to nurture their creativity while also helping them understand the values of love, care, and bonding that the festival represents. Each child designed and decorated a pouch with vibrant colours, sequins, and imaginative patterns, putting their heart into making it special. The beautifully crafted pouches symbolized the affection and warmth that siblings share, while also giving children a platform to express their artistic skills. This activity not only added festive cheer to the classroom but also instilled in the students the true spirit of Raksha Bandhan—celebrating love and togetherness.

Shreyansh said, "It was a wonderful activity!"

Jeet said, "I will make Rainbow on my envelope."

Devansh said, "I will decorated the pouch of love by stars"

Shanaya said, Wow!"I made a beautiful Rakhi."

Dhvija said to Charvi- "Let's share the stone stickers"

"Happy Rakshabandhan"-
Response by
students

JANMASHTAMI MELA (11 AUGUST 2025)

“Janmashtami reminds us of love, joy, and the playful spirit of Lord Krishna.”

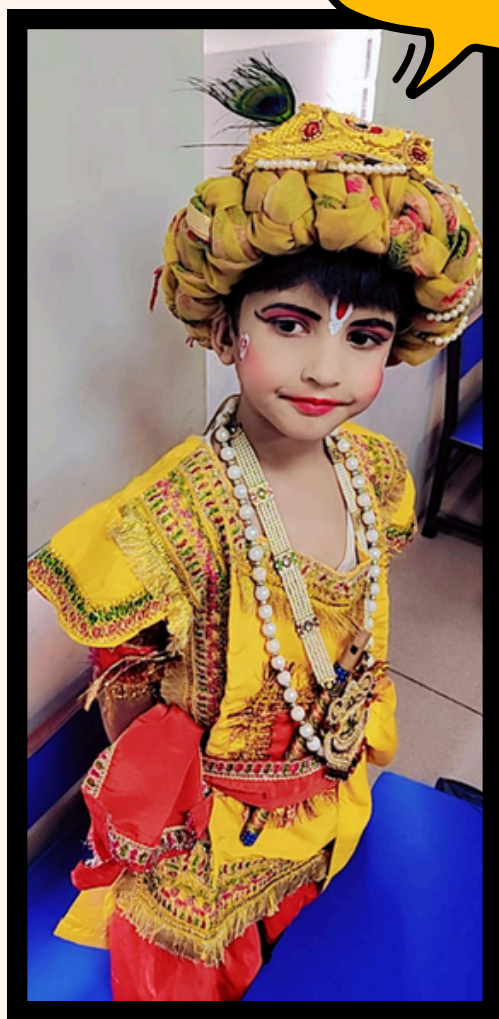

To celebrate the auspicious festival of Janmashtami, our school organized the Natkhat Nandlal Fest with great joy and devotion. The objective of the celebration was to help children understand the life and values of Lord Krishna while engaging them in fun-filled activities. Students came dressed as little Krishna and Radha, adding charm to the festive mood. The fest included a variety of games and activities inspired by Lord Krishna's playful nature, which the children enjoyed with great enthusiasm. Their laughter, energy, and participation reflected the spirit of togetherness and celebration.

Rocky
said, "Happy
Janmashtami"

Rudra said, "Main
bilkul krishna
jaisa lag raha hun
na?"

Naman said,
“मैंने बांसुरी बजाने वाला पोज़
बनाया और घूम-घूम कर डांस
किया।”

INDEPENDENCE DAY (14TH AUGUST 2025)

“Independence Day reminds us to value the gift of freedom.”

Independence Day was celebrated in our school with great patriotic fervor and enthusiasm. The program began with a serene lamp-lighting ceremony, symbolizing the spread of knowledge and wisdom, followed by the hoisting of the national flag and the singing of the National Anthem, which filled every heart with pride. Students showcased their talents through vibrant dances, inspiring speeches, and patriotic songs, while the school choir presented soulful melodies that uplifted the spirit of the celebration. The objective of the program was to instill in children a deep sense of love, respect, and responsibility towards the nation. The event concluded with a reminder to value freedom.

**“I love my India.
Namaste India”-
Response by students**

**Sanchit said, “Wow, We
all wore orange, white,
and green today.”**

Iamanna said, "I pasted the Tiranga on the wall of my class with my own hands."

Sarthak said, "Happy Independence Day to all."

ORGANIZED BY GREEN CRUSADERS CLUB (4TH TO 18TH AUGUST 2025)

“Creativity is making the useless, useful again.”

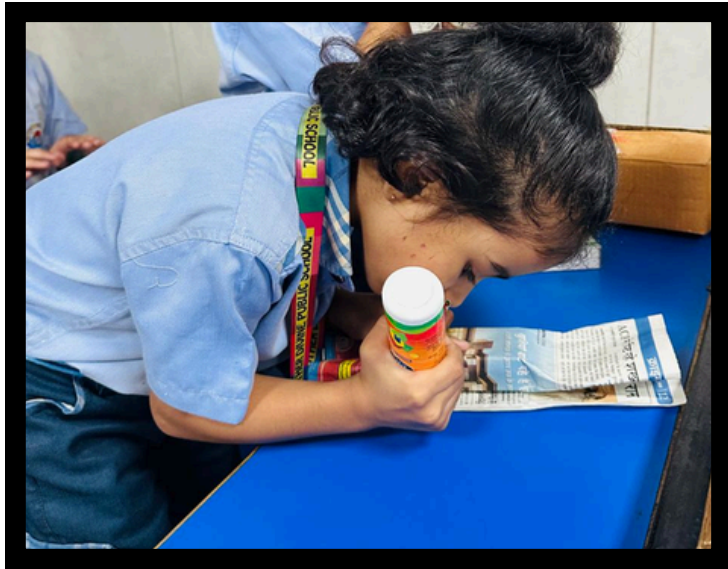

As part of a creative and eco-friendly activity, children used waste materials to design and build a model of town. The objective of this activity was to promote the concept of recycling, creativity, and teamwork. With great enthusiasm, students collected items like boxes, bottles, cardboard, and paper, and transformed them into houses, roads, and other structures of a lively town. The project not only encouraged imaginative thinking but also taught children the importance of reusing materials and caring for the environment. Their beautifully crafted town became a proud display of innovation and sustainability.

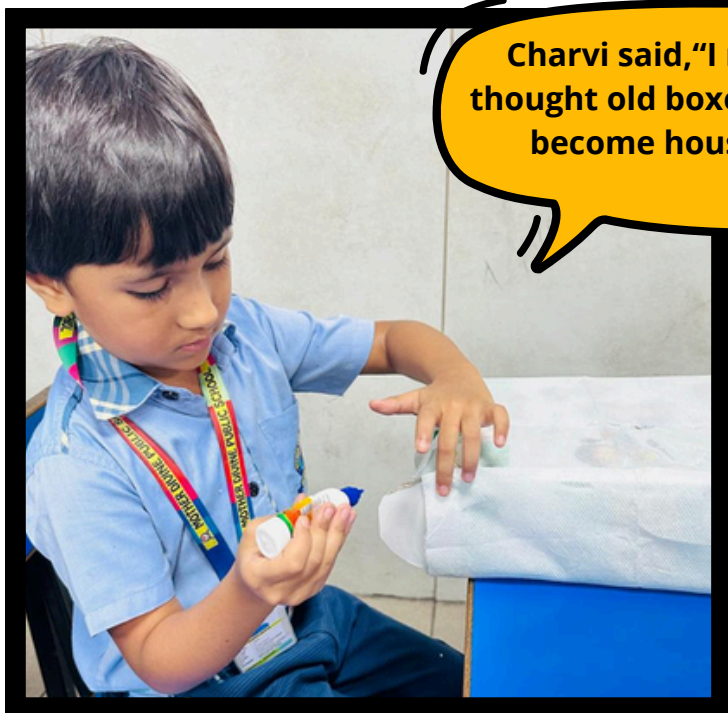

Manan Said, “मैंने बॉक्स से घर बनाया और बोतल से बिल्डिंग बनाई। It looks like a real town!”

“We are proud of our little town!”-Response by students

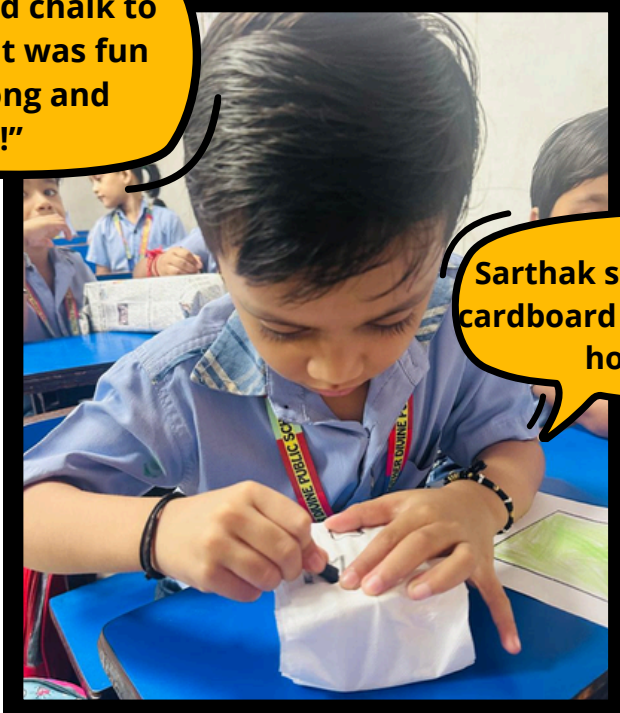

Reyansh said, "I feel happy creating something new!"

Charvi said, "I never thought old boxes could become houses."

Jeet said, "I used chalk to make a road. It was fun making it long and twisty!"

Sarthak said, "I cut the cardboard to make small houses."

Avni said, "Choti choti windows kitni pyari lag rahi hai"

Everyone said, "We used paper and boxes to make a town"

Shriyanshi said, "Maine windows me khud se paint kiya "

Kesahv said to Kritish- "Hum sabse big building banaenge."

Navtej said, "Ye Choti-Choti cars yahan chalane me kitna maja aa raha hai "

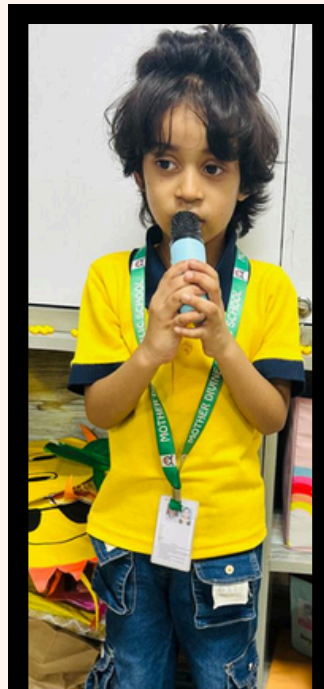

Shanaya said, "I turned old bottles into shops और रंगों से रंग दिया।"

YELLOW COLOUR DAY (25TH AUGUST 2025)

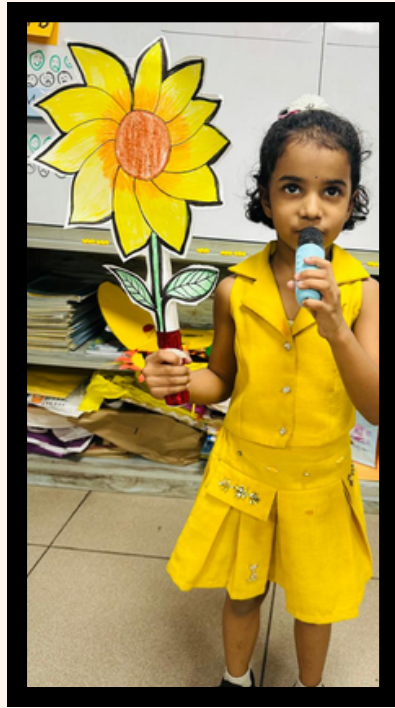

“Yellow is the colour of sunshine, hope, and happiness.”

Yellow Colour Day was celebrated with great enthusiasm and joy, filling the classrooms with the brightness of sunshine. The objective of the celebration was to help children recognize the colour yellow and relate it to the objects around them. Dressed in vibrant yellow attire, the little ones worked together to create a beautiful scene of yellow things such as the sun, flowers, bees, and fruits. Adding more charm to the event, each child confidently spoke a few lines about different yellow objects, which enhanced their speaking skills and boosted their confidence. The activity was a delightful blend of creativity and learning, leaving the children with smiles as bright as sunshine.

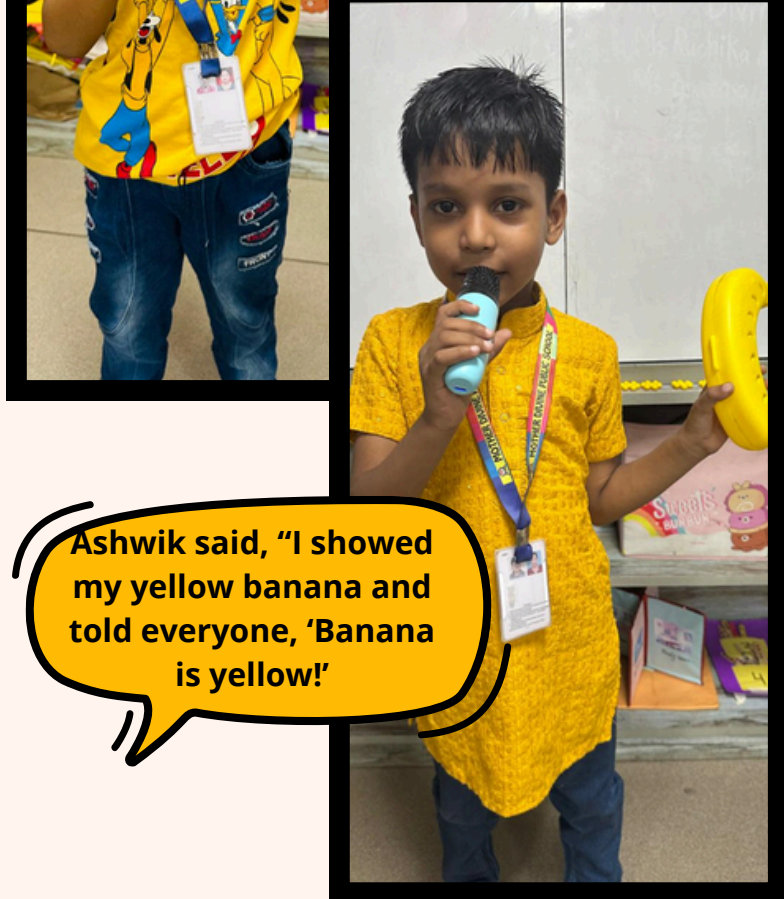

Anaisha said, “हमने group craft में yellow flowers, clouds और sun बनाया।।

Inaya said, "I made a yellow flower and showed it to everyone!"

Ashwik said, "I showed my yellow banana and told everyone, 'Banana is yellow!'"

Dhruvika said, "I showed Yellow Yummy Mango and everyone clapped for me."

Sarthak said, "I showed Yellow Sun and told everyone that I am Hot , I give light."

GANESH CHATURTHI (27TH AUGUST 2025)

“Lord Ganesha teaches us to remove obstacles and spread goodness wherever we go.”

Ganesh Chaturthi was celebrated in school with devotion and creativity. To mark the occasion, children enthusiastically made eco-friendly clay idols of Lord Ganesha. The objective of the activity was to nurture artistic expression while also spreading awareness about celebrating festivals in an environmentally friendly manner. With small hands and big hearts, the students shaped beautiful idols, reflecting their joy and devotion.

“We made a small Ganesha with their hands. It looked so cute and colorful!”-Response by students

Dakshit said, "I shaped Ganesha's ears and trunk carefully. I felt proud of my little idol."

Sanchit said, "I made Ganesha with eco-friendly clay. My friends liked it a lot!"

DENTAL CAMP (1ST SEPTEMBER 2025)

“Strong teeth today, bright smile tomorrow.”

A Dental Camp was organized in the school to promote awareness about oral health and hygiene among students. The objective of the camp was to encourage healthy habits from a young age and highlight the importance of dental care. Experienced dentists conducted free check-ups and guided children on proper brushing techniques, healthy eating habits, and ways to maintain strong teeth and gums.

Dakshit said, “The dentist showed me how to brush properly. I want to do it every day now!”

Atharv said, “I learned about eating healthy food for strong teeth.”

Raisha said, "I learned that eating too many sweets is not good for teeth. I will remember this."

Naitik said, "I was scared at first, but the dentist was very nice."

Innaya said, "I was scared of the tools, but the dentist explained everything."

TEACHER'S DAY (4TH SEPTEMBER 2025)

"A teacher is a guide who makes learning joyful."

Teacher's Day was celebrated with warmth and gratitude as children expressed their love for their teachers through art. The objective of the activity was to help students appreciate the role of teachers in their lives and to give them a platform to express their feelings creatively. Each child drew their favourite memory with a teacher—whether it was a fun classroom moment, a helping hand, or a word of encouragement—and decorated their artwork with colours and creativity. The heartfelt drawings beautifully reflected the bond between teachers and students, making the celebration truly memorable.

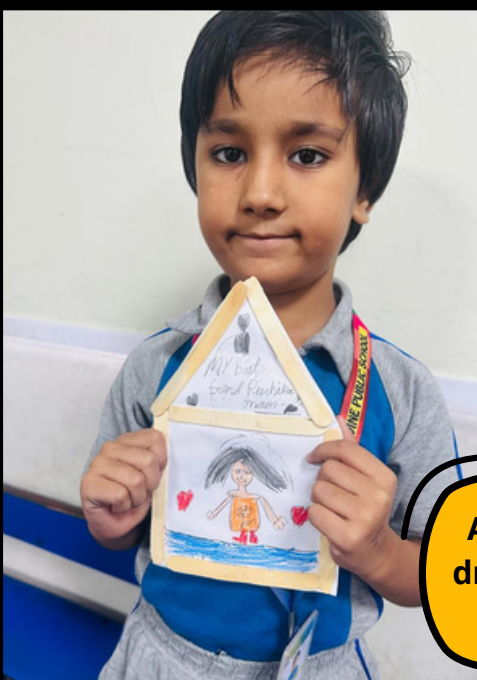

Shreya and Shriyanshi said, "I dressed like Ruchika ma'am and Bhavna ma'am today. It was so much fun."

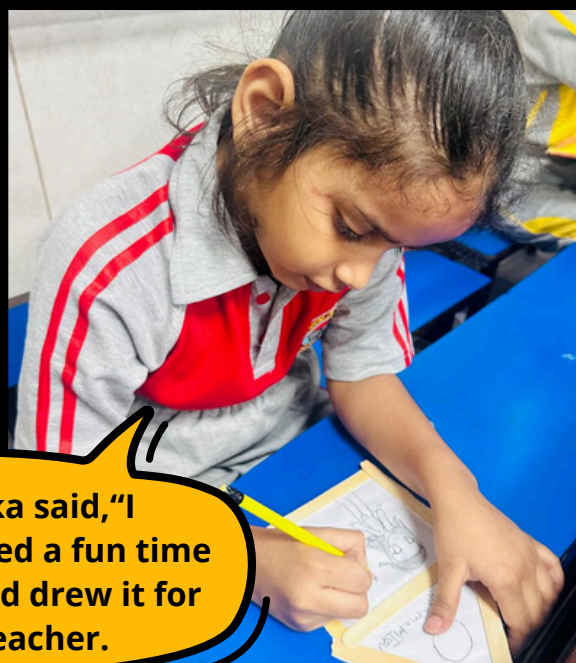

Dhruvika said, "I became Bhavna ma'am's replica. I tried to speak like her."

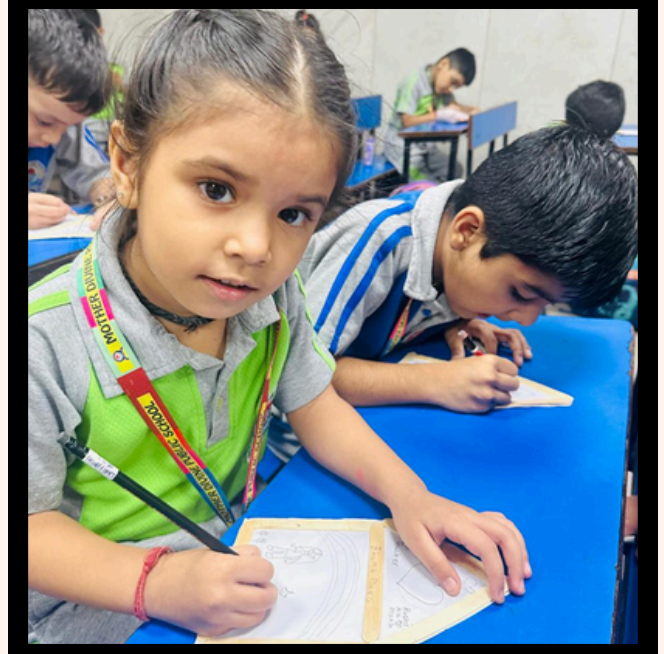

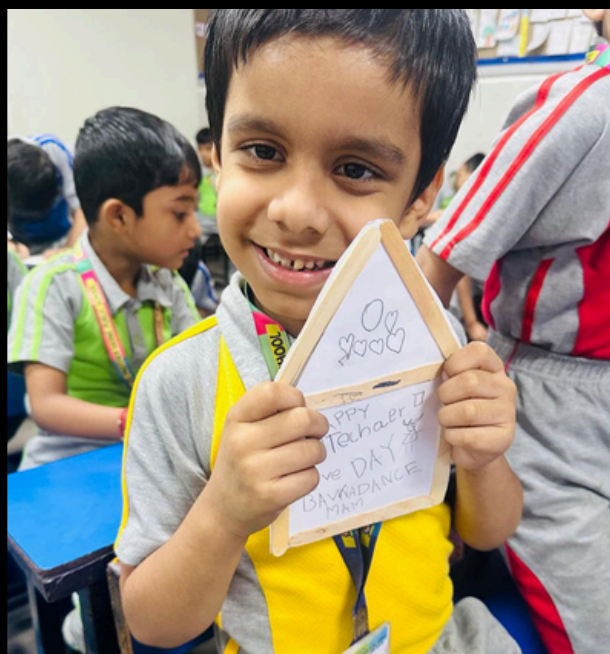

Advita said, "I made a drawing for my teacher and showed her."

Aadrika said, "I remembered a fun time in class and drew it for my teacher."

ORGANIZED BY TECH TITANS CLUB (9TH SEPTEMBER 2025)

Tech Titans: “Where ideas turn into innovations.”

In an exciting hands-on activity, children created their own imaginative E-Gadgets using paper, cardboard, and other craft materials. The objective of this activity was to encourage creativity, innovation, and design thinking among students. With great enthusiasm, they designed mobiles, laptops, tablets, and even futuristic gadgets, decorating them with bright colours and unique features. The activity not only sparked their imagination but also helped them understand the role of technology in our lives while showcasing their inventive ideas.

Atharv and Ashwik said,
“We made a Music System
with bright colors and
buttons. It looks real .”

“We created a new gadget
that no one has seen
before! We feel like a little
inventors!”-Response by
students

STUDENT-LED PARENT CONFERENCE (26TH AND 27TH SEPTEMBER 2025)

“Giving students the voice to share their own learning journey.”

The Student-Led Parent Conference (SLPC) was conducted with great enthusiasm, where children confidently showcased their learning in front of their parents. Students presented different topics covered in class through activities, charts, role-plays, and practical demonstrations. This platform provided an opportunity for children to display their understanding, communication skills, and creativity while taking ownership of their learning. Parents appreciated the efforts of the students and teachers, and the event turned out to be a motivating and enriching experience for all.

Behind the
SCENE

Lithika said, "Wow! we are inviting our parents ourselves, they will be very happy"

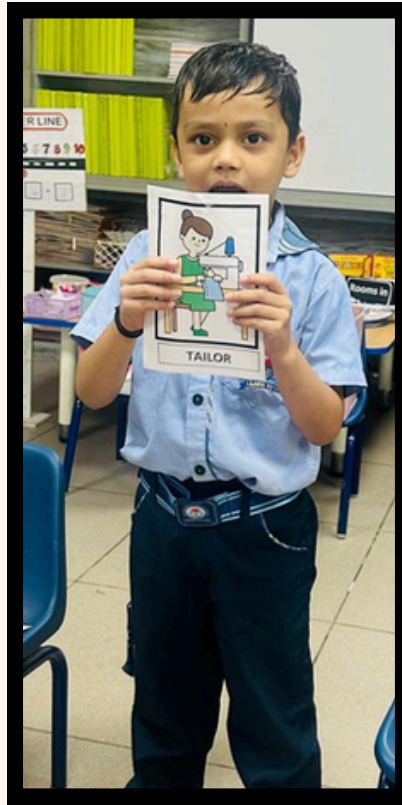

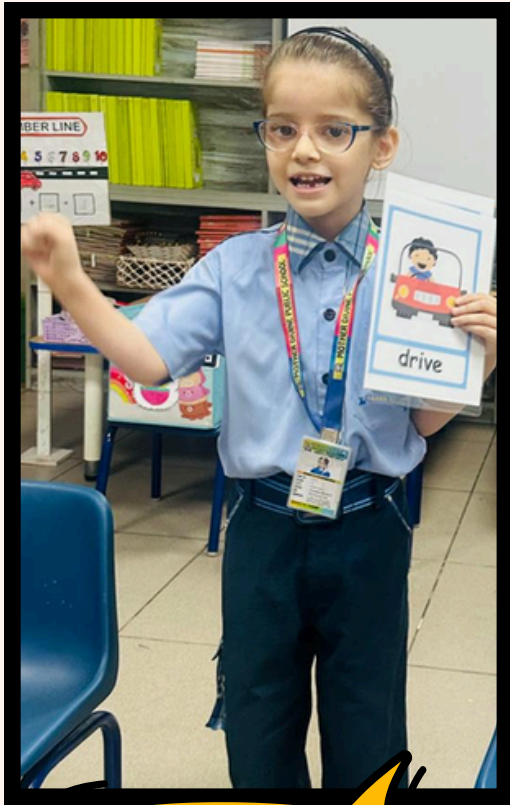

Shriyansh said," I felt so confident to present what i learnt in class"

Shreya said," I felt like a real teacher today"

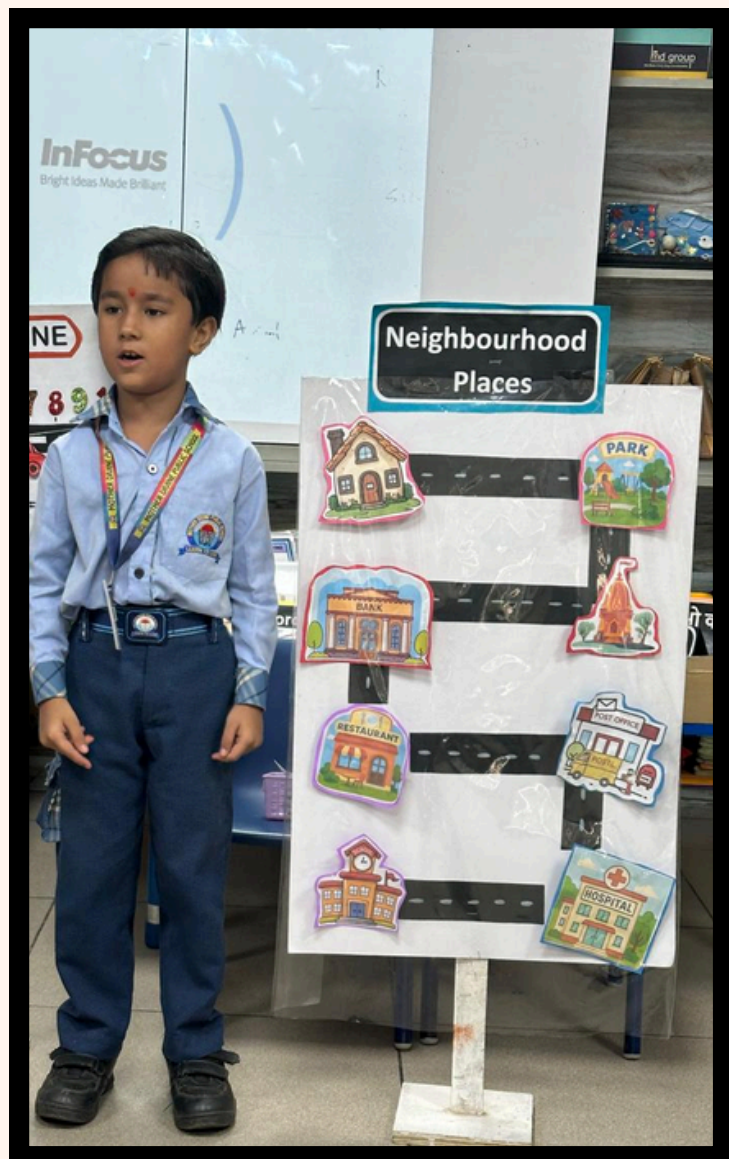

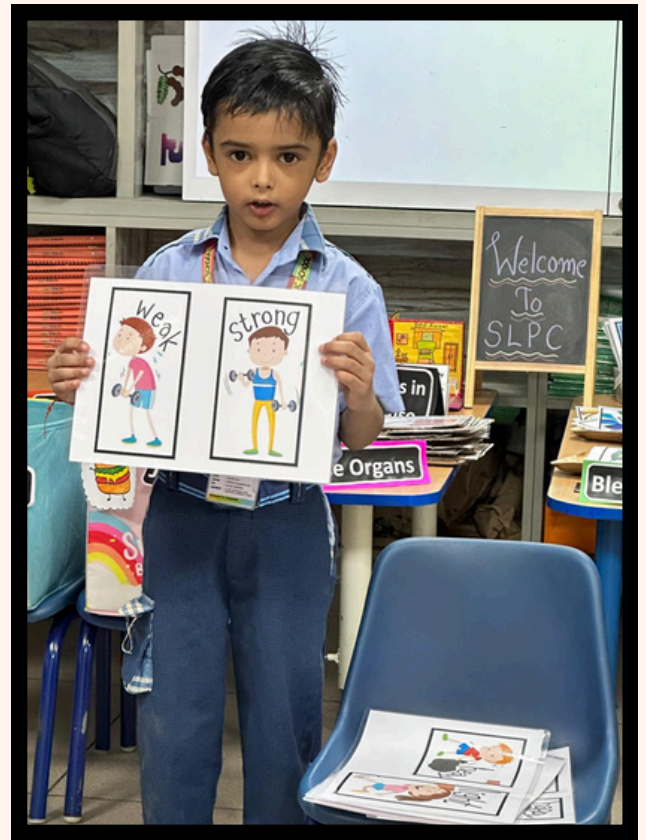

Shanaya said," My mother clapped after my presentation"

Reyansh said," My Mother hugged me after my role-play"

DUSSEHRA, GANDHI AND SHASTRI JAYANTI (29TH SEPTEMBER 2025)

“The festival of Dussehra teaches us to walk the path of honesty and goodness.”

The school celebrated Gandhi Jayanti and Shastri Jayanti with great respect and enthusiasm. Children paid tribute to the great leaders by singing patriotic songs, spreading the message of truth, simplicity, and dedication. Along with this, the festival of Navratri and Dussehra was celebrated joyfully. Students presented vibrant dance performances, enacted festive acts, and enthusiastically participated in playing Dandiya. The entire celebration filled the atmosphere with cultural spirit, devotion, and patriotism.

Kayra said, “I loved playing dandiya with my friend Mayra”

Harshika said, “Dancing on the navratra songs is so much fun.”

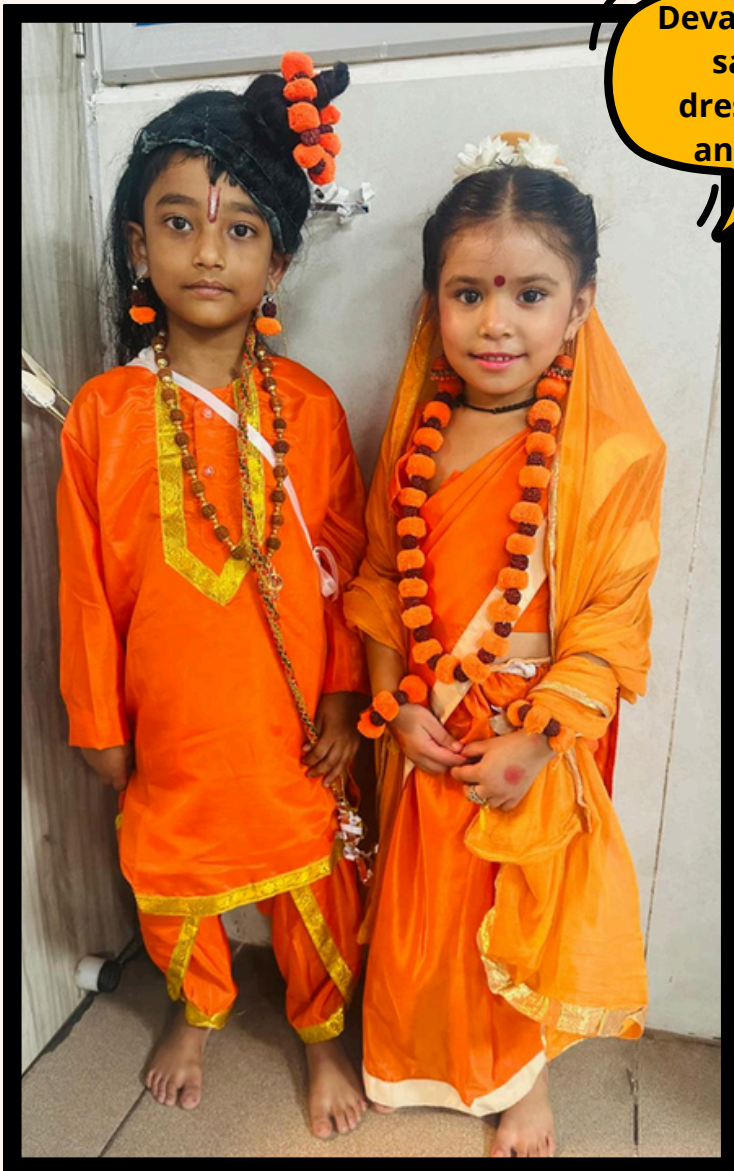

Reyannsh said, “Today i will dance with my friend Rocky.”

Taisha said, "We loved and enjoyed our Kikli Dance"

Sanchit said, "Aao circle bankar dance karte hai, bhot maza aaega."

Devansh and Shriyanshi said, "We enjoyed dressing up like Ram and Sita on stage."

Devansh, Ishan and Divyam said, "We loved doing the dancing steps together."
