ARTICLE BY JUNIOR PROGRAMME HEAD

**By Ms. Aastha Bhola,
Head of Junior Programme MDPS
"Growing Minds, Not Just Grades"**

At Mother Divine Public School, our approach to early childhood and primary education is aligned with the principles of the National Curriculum Framework (NCF). The NCF emphasizes that learning should not be limited to rote memorization, but should focus on experiential learning, creativity, and holistic growth.

1. No Rote Learning – More Exploration

Children learn best when they connect knowledge with real-life experiences. Instead of memorizing facts, they are encouraged to explore, question, and discover concepts through activities, stories, and hands-on tasks

2. Skill Development Beyond Academics

Education today goes beyond textbooks. Skills such as problem-solving, teamwork, communication, and empathy are nurtured through projects, role-plays, art, music, and collaborative tasks. Activities like the Student-Led Parent Conference (SLPC) empower children to take ownership of their learning and confidently showcase their progress

3. Experiential Learning through Kitchen Garden

Our newly initiated Kitchen Garden allows children to plant seeds, care for plants, and watch them grow. These activities instill patience, responsibility, and a deeper appreciation for nature while connecting them to science and environmental care in a fun, practical way.

4. Assessments without Pressure

In line with the NCF, assessments are designed to track progress and growth, not to judge or label children. There are no exams in early years; instead, continuous observations and feedback help teachers and parents understand a child's strengths and areas for improvement.

"Education is not the learning of facts, but the training of the mind to think." — Albert Einstein

Tips for Parents: Growing Minds, Not Just Grade

- Value Habits Over Marks – Encourage honesty, punctuality, kindness, and responsibility. These shape a child's character more than a score ever can.
- Appreciate Effort, Not Just Outcome – Praise your child's hard work, persistence, and creativity, even if the result isn't perfect.
- Make Learning Joyful – Link studies to daily life—measuring ingredients in the kitchen, gardening, or storytelling—to help children learn naturally.
- Model What You Teach – Children learn more from what they see than what they hear. Show them by example—read, stay curious, and practice discipline.
- Celebrate Individuality – Every child grows at their own pace. Avoid comparisons; instead, focus on their unique strengths and talents.
- Encourage Responsibility – Involve children in small household tasks. These teach accountability, patience, and teamwork.

Remember: Grades may reflect a child's progress in one subject, but habits reflect the foundation of their whole life. Together, as partners in education, we can help children grow into confident, empathetic, and skillful learners—prepared not just for academics, but for life.

Ms. Neelam Jain

Ms. Bhawna Goswami

“Every child carries a spark of curiosity, ready to shine when nurtured with care and encouragement.”

We are truly grateful and delighted to watch our little learners grow, explore, and shine each day! With boundless curiosity, courage, and creativity, they eagerly embrace new activities, ask thoughtful questions, and face challenges with cheerful determination.

From creating art and craft to exploring numbers, from role-play adventures to discovering the magic of language, every moment has been a joyful journey of learning. Along the way, our students have not only strengthened their academic skills but also developed values of teamwork, patience, and perseverance. It is inspiring to see them support one another, express their ideas with confidence, and share their thoughts openly. Each step forward reminds us that learning goes beyond books—it is about shaping character, building resilience, and nurturing self-belief. And the journey doesn't end here—the adventure has just begun! Together, we will continue creating beautiful memories and meaningful experiences that will shape their bright future.

SHINING STARS

BACK TO SCHOOL BUZZ

WELCOMING SESSION 2025-26 (1ST JULY 2025)

**"It's time to trade summer adventures for school adventures— let's
begin with excitement**

After a refreshing summer break, our little learners returned to school with great excitement and joy. To celebrate their return, a creative activity was organised where the children made colorful cupcakes using paper cutouts and decorated them with sprinkles, cherries, and imaginative designs. This fun-filled task not only gave them a cheerful start but also encouraged creativity, self-expression, and fine motor skills. Their vibrant cupcakes now brighten up the classroom boards, symbolizing the sweetness of togetherness and a happy beginning to the new session.

Adventure
Begins →

Everyone shared that decorating cupcakes together filled her with excitement and made the first day of school feel fun and memorable.

CLASSROOM CHRONICLES

Let's

Go

Sarthak said, "Decorating cupcakes made us happy and turned the first day into a playful celebration."

Mivaan said, "Cupcake time made the first day feel exciting and full of smiles".

SPECIAL ASSEMBLY (RAINY DAY)

(4TH JULY 2025)

“ Rain reminds us that even the clouds have something share.”

beautiful to

A special assembly on the theme of Rainy Day was conducted with great enthusiasm. The assembly began with a thoughtful speech on the importance of rain, followed by a lively dance performance that captured the joy of monsoons. Students also shared poems, thoughts, and songs related to the season, spreading cheer and appreciation for the beauty of rainy days. The assembly not only brought smiles to everyone's faces but also helped children express themselves confidently on stage.

Charvi said, "I really enjoyed sharing my thoughts about the rainy day. I felt happy when everyone listened to me."

Ashwik said, "It felt amazing when everyone clapped for me!"

SPELLATHON

(11TH JULY 2025)

"A good speller today is a great communicator tomorrow—keep spelling, keep growing."

A fun-filled Spellathon activity was organized where children enthusiastically formed words using cut-outs of the alphabet. The activity not only made spelling practice enjoyable but also encouraged quick thinking, teamwork, and vocabulary building. With bright smiles and eager participation, the young learners showcased their creativity in arranging letters into meaningful words, making the activity both engaging and educational.

Atharva said,
"Making words
together felt like
playing a game
with letters."

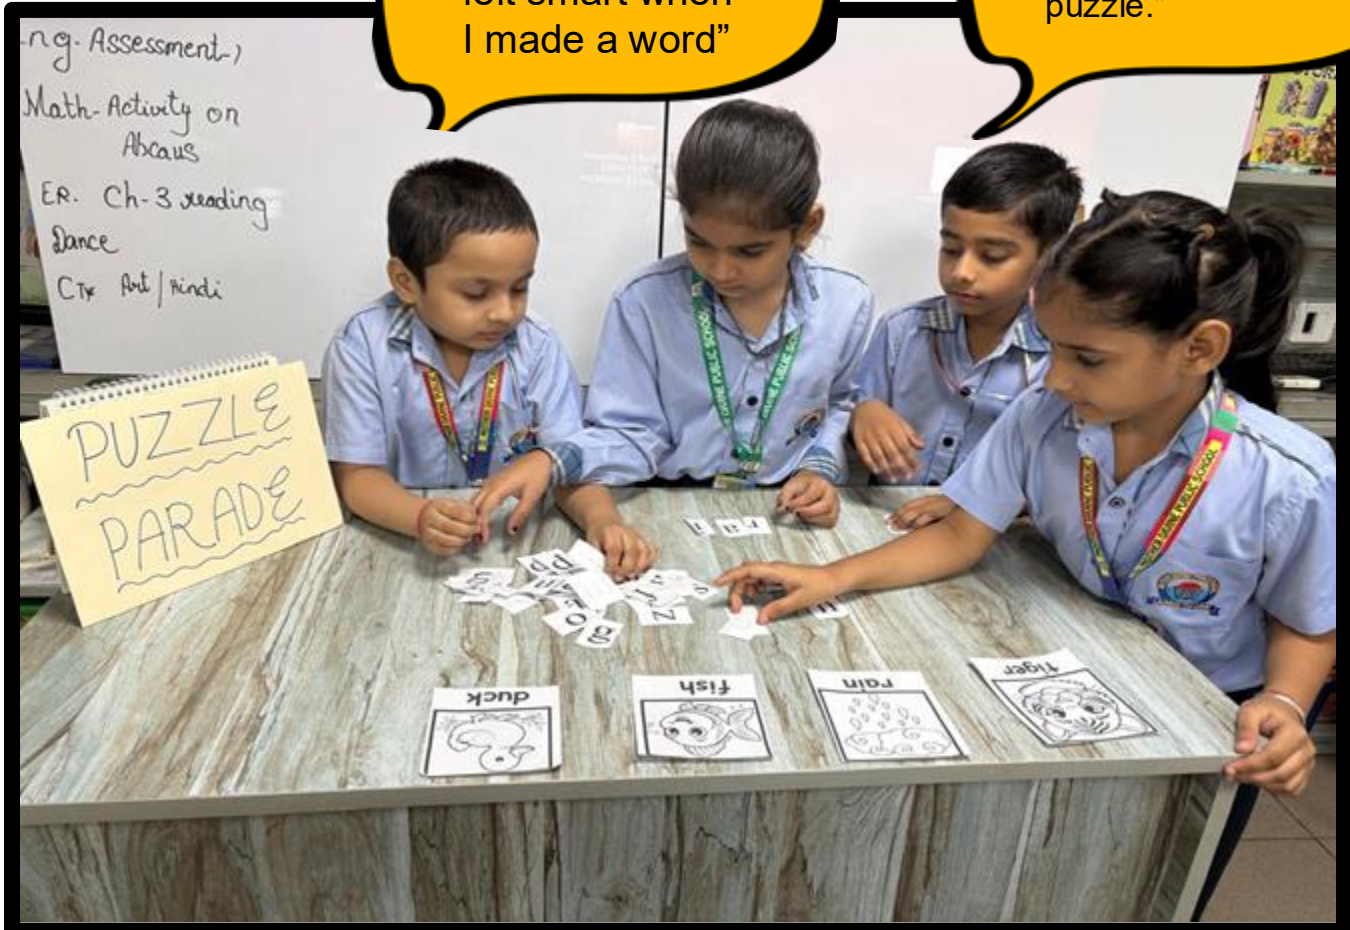

Neeti said, "I felt
happy because
learning letters and
words was like magic."

Ashmit said , " I
felt smart when
I made a word"

Asif , " When I
found a new word,
it felt like solving a
puzzle."

RAKSHA BANDHAN

(8TH AUGUST 2025)

The bond between a brother and sister is like no other—woven with love, trust, and memories.”

On the joyous occasion of Raksha Bandhan, a special creative activity titled My Pouch of Love was organized for the children. The objective of this activity was to nurture their creativity while also helping them understand the values of love, care, and bonding that the festival represents. Each child designed and decorated a pouch with vibrant colours, sequins, and imaginative patterns, putting their heart into making it special. The beautifully crafted pouches symbolized the affection and warmth that siblings share, while also giving children a platform to express their artistic skills. This activity not only added festive cheer to the classroom but also instilled in the students the true spirit of Raksha Bandhan—

Aryansh said , “I felt happy decorating my pouch with bright colors.”

Dhriti said , “ I enjoyed using my imagination to design my pouch.”

JANMASHTAMI MELA

(11 AUGUST 2025)

To celebrate the auspicious festival of Janmashtami, our school organized the Natkhat Nandlal Fest with great joy and devotion. The objective of the celebration was to help children understand the life and values of Lord Krishna while engaging them in fun-filled activities. Students came dressed as little Krishna and Radha, adding charm to the festive mood. The fest included a variety of games and activities inspired by Lord Krishna's playful nature, which the children enjoyed with great enthusiasm. Their laughter, energy, and participation reflected the spirit of togetherness and celebration.

Shreyansh said , " We laughed a lot, just like Krishna and his friends."

Kanishka said , "I was so excited to dress up like Radha."

Gurvi said ,“ It was exciting to celebrate with my friends and teachers together.”

INDEPENDENCE DAY

(14TH AUGUST 2025)

“Independence Day reminds us to value the gift of freedom.”

Independence Day was celebrated in our school with great patriotic fervor and enthusiasm. The program began with a serene lamp-lighting ceremony, symbolizing the spread of knowledge and wisdom, followed by the hoisting of the national flag and the singing of the National Anthem, which filled every heart with pride. Students showcased their talents through vibrant dances, inspiring speeches, and patriotic songs, while the school choir presented soulful melodies that uplifted the spirit of the celebration. The objective of the program was to instill in children a deep sense of love, respect, and responsibility towards the nation. The event concluded with a reminder to value freedom.

Akshit said , “ singing for Independence Day was so much fun.”

Khushansh said ,
“The national friut made me feel how special our country is.”

Dhriti said , "When we sang the national songs, I felt proud of my country."

Niranjana said , "It was fun to sing loudly and see everyone clapping along."

ORGANIZED BY GREEN CRUSADERS CLUB (4TH TO 18TH AUGUST 2025)

“Creativity is making the useless, useful again.”

As part of a creative and eco-friendly activity, children used waste materials to design and build a model of town. The objective of this activity was to promote the concept of recycling, creativity, and teamwork. With great enthusiasm, students collected items like boxes, bottles, cardboard, and paper, and transformed them into houses, roads, and other structures of a lively town. The project not only encouraged imaginative thinking but also taught children the importance of reusing materials and caring for the environment. Their beautifully crafted town became a proud display of innovation and sustainability.

Vivaan said ,I learned that we can recycle waste and make something useful.”

YELLOW COLOUR DAY

(25TH AUGUST 2025)

“Yellow is the colour of sunshine, hope, and happiness.”

Yellow Colour Day was celebrated with great enthusiasm and joy, filling the classrooms with the brightness of sunshine. The objective of the celebration was to help children recognize the colour yellow and relate it to the objects around them. Dressed in vibrant yellow attire, the little ones worked together to create a beautiful scene of yellow things such as the sun, flowers, bees, and fruits. Adding more charm to the event, each child confidently spoke a few lines about different yellow objects, which enhanced their speaking skills and boosted their confidence. The activity was a delightful blend of creativity and learning, leaving the children with smiles as bright as sunshine.

Ayeza said ,The activity made me smile, just like sunshine.”

Mivaaan said ,I enjoyed working together with my friends to make yellow things."

Niranjana said, I loved celebrating a day full of yellow!"

Mishika said ,It was fun to make a big picture with yellow flowers, bees, and fruits."

Mivaan said ,I made smiling sunflower with my friends"

Falak said , I felt happy wearing my yellow dress like the bright sun."

Nidhi said ,The classroom looked like sunshine all around."

GANESH CHATURTHI

(27TH AUGUST 2025)

“Lord Ganesha teaches us to remove obstacles and spread goodness wherever we go.”

Ganesh Chaturthi was celebrated in school with devotion and creativity. To mark the occasion, children enthusiastically made eco-friendly clay idols of Lord Ganesha. The objective of the activity was to nurture artistic expression while also spreading awareness about celebrating festivals in an environmentally friendly manner. With small hands and big hearts, the students shaped beautiful idols to their joy and devotion.

Neerajana said :

Dhriti said ,I felt happy creating Ganesh idol. I love this festival

TEACHER'S DAY

(4TH SEPTEMBER 2025)

“A teacher is a guide who makes learning joyful.”

Teacher's Day was celebrated with warmth and gratitude as children expressed their love for their teachers through art. The objective of the activity was to help students appreciate the role of teachers in their lives and to give them a platform to express their feelings creatively. Each child drew their favourite memory with a teacher—whether it was a fun classroom moment, a helping hand, or a word of encouragement—and decorated their artwork with colours and creativity. The heartfelt drawings beautifully reflected the bond between teachers and students, making the celebration truly memorable.

Gurvi said ' I loved writing thank you messages for my teacher.'

d, I felt joyful
y teacher smile
d."

ORGANIZED BY TECH TITANS CLUB (9TH SEPTEMBER 2025)

TECH Titans: "Where ideas turn into innovations."

In an exciting hands-on activity, children created their own imaginative E-Gadgets using paper, cardboard, and other craft materials. The objective of this activity was to encourage creativity, innovation, and design thinking among students. With great enthusiasm, they designed mobiles, laptops, tablets, and even futuristic gadgets, decorating them with bright colours and unique features. The activity not only sparked their imagination but also helped them understand the role of technology in our lives while showcasing their inventive ideas.

Ahaed said, "We made e gadgets with bright colors and buttons. It looks real."

Daksh said,
"Making gadgets was fun and made me feel inspired."

STUDENT AND PARENT CONFERENCE (26TH-27TH SEPTEMBER 2025)

“Giving students the voice to share their own learning journey.”

Asif said, “This is fun”

Shaurya said, “ I will send this invite to my mother. She will come to see my performance”

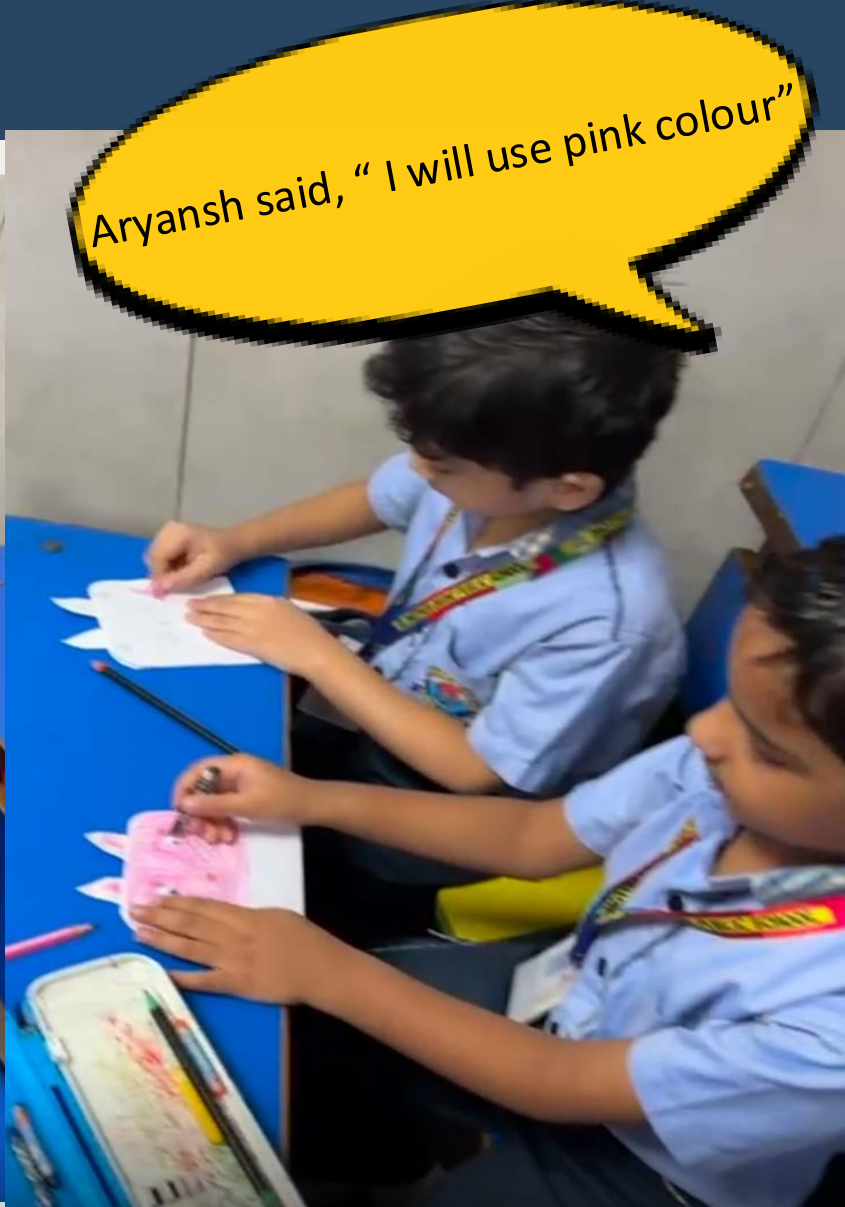

Before the scene

STUDENT AND PARENT CONFERENCE (26TH-27TH SEPTEMBER 2025)

"Giving students the voice to share their own learning journey."
