## FROM THE DESK

**Dear Students,**

“Excellence is not a skill; it is an attitude.” – Ralph Marston

Success is never an accident-it is the result of hard work, perseverance and the determination to keep moving forward despite challenges. At MDPS, we have always believed that excellence is achieved when passion meets dedication and the recent achievements of our students and staff stand as a testament to this belief.

Whether it is academics, co-curricular activities or sports, every milestone reached by our students reflects hours of preparation, commitment and the guidance of teachers who go above and beyond their duties. Their success is not just about trophies or grades; it is about the values they embrace-discipline, consistency and the willingness to learn from both victories and setbacks.

One of the key lessons we impart to our students is the importance of setting clear goals and working tirelessly towards them. Success becomes meaningful when we define what we want to achieve and break it into smaller, attainable targets. Each goal met gives confidence, builds momentum and brings us closer to the bigger dream. At MDPS, we encourage students to aim high, stay focused and never lose sight of their objectives.

As a school, we take pride in fostering a culture where hard work is celebrated and every effort counts. Our teachers constantly encourage students to step out of their comfort zones, to dream big but also to work relentlessly toward those dreams. Parents too, play a vital role in this journey, offering unwavering support and motivation.

Today, as we celebrate these accomplishments, let us also remember that success is a continuous journey. The real reward lies not only in the final outcome but in the learning, resilience and character-building that happens along the way. I extend my heartfelt congratulations to all students, teachers and parents for their collective efforts. Together, we have proved that when hard work meets determination, success becomes inevitable. Let us keep this spirit alive as we strive for greater heights in the future.

# Education Beyond Books – Building a Future Together

When we think of school, the first few things that come to mind are books, classrooms, and exams. But anyone who has truly been part of this journey knows that education is much more than that. It is about learning how to live, how to think, and how to grow into the best version of ourselves.

Every day, I see small but beautiful moments in the classroom; a student who was once afraid to speak now confidently sharing their thoughts, a group of friends helping each other solve a tricky problem, or a quiet child showing unexpected creativity during an activity. These little victories often go unnoticed, but they are what truly make education meaningful.

The most powerful learning often happens in the smallest of moments; when a student finally understands a concept they struggled with, when a classroom discussion sparks curiosity beyond the syllabus, or when kindness and teamwork turn a regular school day into something memorable. These moments remind us that education is not only about preparing for a future career but also about preparing for life.

Schools today are vibrant spaces where creativity meets discipline, where challenges build resilience, and where every individual discovers their own strengths. Each academic session brings new opportunities — to try, to fail, to learn, and to grow. And it is in this continuous cycle of effort and reflection that true progress happens.

As the new quarter unfolds, it is worth remembering that education thrives when it nurtures both the mind and the heart. Beyond grades and awards, the real success of a school lies in shaping individuals who are curious, compassionate, and confident enough to face the world.

Perhaps that is the greatest purpose of education: not just to teach what to think, but to inspire how to think, how to question, and how to dream.

To my dear students; remember that mistakes are not failures. They are proof that you are trying. Be curious, ask questions, explore beyond your textbooks, and don't be afraid to dream big. Your journey will have ups and downs, but each step matters.

**With best wishes and lots of blessings -Ms. Ayushi**

## PROUD MOMENTS, ACHIEVEMENTS THAT INSPIRE

कक्षा दसवीं के छात्र हर्षित ने जोनल कविता प्रतियोगिता में तृतीय स्थान प्राप्त किया। इस प्रतियोगिता का आयोजन दिल्ली इंटरनेशनल पब्लिक स्कूल सेक्टर- 9 में दिनांक 8-8-25 को किया गया। हिंदी जोनल कविता वाचन प्रतियोगिता का विषय “नारी! आओ बोलो” था। यह कविता समाज में व्याप्त लैंगिक भेदभाव, पितृसत्ता और असमानता के खिलाफ एक सशक्त स्वर है। इसमें नारी से आह्वान किया गया है कि वह अब चुप्पी तोड़कर अपने अधिकारों और सम्मान के लिए आवाज़ उठाए। कविता में प्रश्नों के माध्यम से उन परंपराओं और विचारों को चुनौती दी गई है, जिन्होंने वर्षों से स्त्री को पीछे रखा। इस प्रभावशाली कविता वाचन के लिए विद्यालय के छात्र हर्षित को तृतीय स्थान प्राप्त हुआ, जो विद्यालय के लिए गर्व और प्रेरणा का विषय है।

“सपने वे नहीं होते जो सोते हुए आते हैं, सपने वे हैं जो सोने न दे”। हमारे जीवन में कुछ सपने ऐसे होते हैं जो केवल नींद के दौरान हमारी आँखों के सामने आते हैं, लेकिन कुछ सपने ऐसे भी होते हैं, जो हमारी आँखों में जागते रहते हैं। यह विचार एक गहरे सत्य को उजागर करता है वास्तविक सपने वही होते हैं, जो हमारी रातों की नींद को भंग कर देते हैं, जो हमें अपने उद्देश्य की ओर निरंतर प्रेरित करते हैं। यह वाक्य केवल एक कथन नहीं, बल्कि जीवन जीने की दिशा को निर्धारित करने वाला मंत्र है। दिनांक 20-8-25 को गवर्नमेंट गर्ल्स सीनियर सेकेंडरी विद्यालय सेक्टर-24 में नौवीं कक्षा के विद्यार्थी साहिल द्वारा जोनल सांस्कृतिक गतिविधि के अंतर्गत हिंदी भाषण प्रतियोगिता में इस विषय पर तृतीय स्थान प्राप्त किया गया, जो इस विचार की प्रासंगिकता और गहराई को साबित करता है। यह विषय युवाओं को यह सिखाता है कि अगर कोई सपना किसी व्यक्ति के दिल और दिमाग में घर कर जाए, तो वह सपना उसे सोने नहीं देता- न केवल शारीरिक रूप से, बल्कि मानसिक और भावनात्मक रूप से भी। यदि आपके सपने इतने बड़े और प्रेरणादायक हैं कि वे आपको हर पल उनकी ओर बढ़ने के लिए प्रेरित करते हैं, तो वही सपने असल में आपके जीवन का उद्देश्य बन जाते हैं।

The competition held in Maxfort, Pitampura where we had presented self designed shoe named SoleVAC which is an innovative shoe designed to clean surroundings while you walk. It has a mini vacuum system embedded in the sole, which collects dust and small debris from the ground. The shoe is lightweight, and eco-friendly, making it easy to use in daily life. With SoleVAC, cleanliness becomes effortless, helping to maintain a dust-free and hygienic environment wherever you go. The students secured **third position and received Trophy.**

## **COLOURS OF CREATIVITY**

### **"THE ART OF YOUNG MINDS"**

Discipline is the foundation of a successful and meaningful life, which brings order, balance, and direction to our actions.

It teaches us the value of time, the strength of self-control, and the importance of regular habits. A disciplined person is not just controlled by distractions or laziness but guided by determination and purpose.

A society built on discipline flourishes while one without it easily falls into chaos. True freedom is not doing whatever we wish but having the power to control our wishes through discipline. Thus, discipline is not a burden but a blessing.

**"YOUNG VOICES IN VERSE"****DARKNESS (Poem)**

Darkness drifts across the land,  
With shadows soft and sky so grand.  
It's not just gloom or silent fear—  
But space for thoughts to reappear.  
It wraps the earth in velvet skies,  
And paints calm dreams behind our eyes.  
No roaring crowd, no blinding light—  
Just gentle hush and stars in flight.  
It holds the moon like silver thread,  
While quiet steps of time are spread.  
A place to pause, to breathe, to feel,  
Where hidden truths begin to heal.  
Though some may dread its quiet face,  
Darkness is more than empty space.  
It teaches peace without a sound,  
Where hearts and hopes are softly found.

**Aksh Mittal IX D****STOPPING BY WOODS ON A SNOWY EVENING**

Whose woods these are I think I know.  
His house is in the village though;  
He will not see me stopping here  
To watch his woods fill up with snow.  
My little horse must think it queer  
To stop without a farmhouse near  
Between the woods and frozen lake  
The darkest evening of the year.  
He gives his harness bells a shake  
To ask if there is some mistake.  
The only other sound's the sweep  
Of easy wind and downy flake.  
The woods are lovely, dark and deep,  
But I have promises to keep,  
And miles to go before I sleep,  
And miles to go before I sleep.

**Daksh Mehta IX D****Topic: Her Voice**

She doesn't wear a armor, she doesn't wear gold,  
But inside her heart, she is fearless and bold.  
They tried to define her, they gave her a name,  
But she broke the silence and changed the game.  
She not just a daughter, a sister, a wife,  
She is building her dreams, she is living her life.  
They told her to stop, to know her place,  
But she broke the restrictions and walked with pride  
on her face.  
She cries, she falls, but still she tries,  
With fire in her soul, and stars in her eyes.  
She doesn't need crowns or people to cheer,  
Her voice is her power – loud when you hear...
