ARTICLE BY JUNIOR PROGRAMME HEAD

**By Ms. Aastha Bhola,
Head of Junior Programme MDPS
"Growing Minds, Not Just Grades"**

At Mother Divine Public School, our approach to early childhood and primary education is aligned with the principles of the National Curriculum Framework (NCF). The NCF emphasizes that learning should not be limited to rote memorization, but should focus on experiential learning, creativity, and holistic growth.

1. No Rote Learning – More Exploration

Children learn best when they connect knowledge with real-life experiences. Instead of memorizing facts, they are encouraged to explore, question, and discover concepts through activities, stories, and hands-on tasks

2. Skill Development Beyond Academics

Education today goes beyond textbooks. Skills such as problem-solving, teamwork, communication, and empathy are nurtured through projects, role-plays, art, music, and collaborative tasks. Activities like the Student-Led Parent Conference (SLPC) empower children to take ownership of their learning and confidently showcase their progress

3. Experiential Learning through Kitchen Garden

Our newly initiated Kitchen Garden allows children to plant seeds, care for plants, and watch them grow. These activities instill patience, responsibility, and a deeper appreciation for nature while connecting them to science and environmental care in a fun, practical way.

4. Assessments without Pressure

In line with the NCF, assessments are designed to track progress and growth, not to judge or label children. There are no exams in early years; instead, continuous observations and feedback help teachers and parents understand a child's strengths and areas for improvement.

"Education is not the learning of facts, but the training of the mind to think." — Albert Einstein

Tips for Parents: Growing Minds, Not Just Grades

- **Value Habits Over Marks** – Encourage honesty, punctuality, kindness, and responsibility. These shape a child's character more than a score ever can.
- **Appreciate Effort, Not Just Outcome** – Praise your child's hard work, persistence, and creativity, even if the result isn't perfect.
- **Make Learning Joyful** – Link studies to daily life—measuring ingredients in the kitchen, gardening, or storytelling—to help children learn naturally.
- **Model What You Teach** – Children learn more from what they see than what they hear. Show them by example—read, stay curious, and practice discipline.
- **Celebrate Individuality** – Every child grows at their own pace. Avoid comparisons; instead, focus on their unique strengths and talents.
- **Encourage Responsibility** – Involve children in small household tasks. These teach accountability, patience, and teamwork.

Remember: Grades may reflect a child's progress in one subject, but habits reflect the foundation of their whole life. Together, as partners in education, we can help children grow into confident, empathetic, and skillful learners—prepared not just for academics, but for life.

FROM THE FACILITATOR'S DESK

Ms. Mansi Gogia

Ms. Anmol Gaba

“Every child is a different kind of flower, and together they make this world a beautiful garden.” 🌸

There is something truly magical about being a Nursery teacher—every day is filled with little wonders and heartwarming surprises. From the shy “Good Morning” at the door, to the burst of laughter during circle time, each moment reminds us how special these early years are.

Our tiny learners explore the world with innocent eyes and endless curiosity. They find joy in the simplest things—a rhyme they can sing aloud, a puzzle they can complete on their own, or a flower they notice in the school garden. These milestones may be small, but to us they are shining achievements worth celebrating.

In our nursery, learning is woven with love and play. We clap for every attempt, cheer for every step forward, and comfort every tear with care. It is a space where children learn not just numbers and letters, but also kindness, sharing, and the joy of friendship.

As teachers, we feel privileged to witness these first chapters of growth. Your child’s smiles, their stories, their hugs—all become treasures in our hearts. Thank you for allowing us to be a part of their journey. Together, we are planting seeds of confidence, joy, and lifelong learning.

SHINING STARS

NAME-MEHR ARORA

GRADE- NURSERY B

MONTH -JULY

Mehr is an active and attentive girl. She participates eagerly in activities, excels in both oral and written work, and demonstrates excellent grasping power.

NAME- PRISHA
GRADE- NURSERY B
MONTH -AUGUST

Prisha is a bright and hardworking girl. She performs excellently in her studies and actively participates in all activities. Her dedication and enthusiasm make her stand out.

NAME- ANSHIKA
GRADE- NURSERY B
MONTH -SEPTEMBER

Anshika is a sincere and talented girl. She always puts her best efforts into her studies and enjoys taking part in different activities. Her positive attitude and hard work make her shine.

BACK TO SCHOOL BUZZ

SESSION 2025-26(1st JULY 2025)

"After every pause comes a brighter new beginning."

The Back to School Buzz session after the summer break was filled with energy, joy, and excitement. Children returned with bright smiles, wearing their self-designed T-shirts that reflected their creativity and individuality. They also enjoyed making colourful smileys, which added cheer to the classroom atmosphere. The activities encouraged self-expression, peer bonding, and a smooth transition back into the school routine. The day was marked by laughter, creativity, and a renewed enthusiasm for learning—making the start of the new term truly delightful.

Mahira said,
"My first day
back to school is
full of fun"

ORGANIZED BY BRAINIACS CLUB

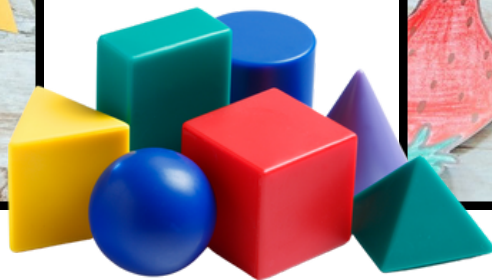

MATCHING SHAPES

(7TH JULY 2025)

"LEARNING SHAPES IS THE FIRST STEP TOWARDS BUILDING BIG IDEAS."

The Brainiacs Activity was conducted to enhance children's observation and recognition skills through a fun-filled shape-matching task. Little learners eagerly identified and matched different shapes with their corresponding pictures. This engaging activity not only strengthened their cognitive and fine motor skills but also encouraged focus, concentration, and logical thinking. The bright smiles and excitement on their faces reflected the joy of hands-on learning.

Reyansh said "Smiley face is round. It looks like a circle."

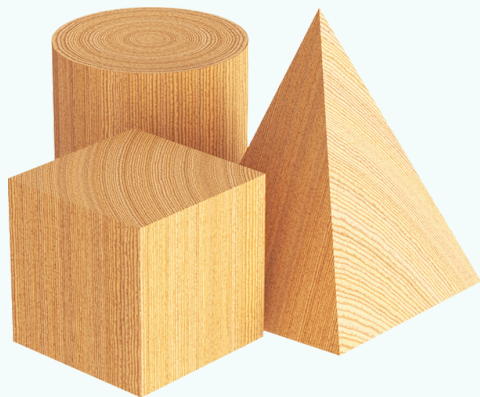

Sayansh said, "My hut has a long door, it looks like a rectangle."

Maanas said, "I like this flower. It is very beautiful."

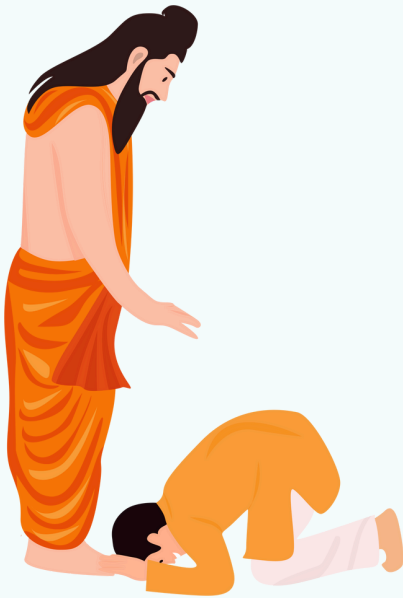

GURU PURNIMA

(10th JULY 2025)

"A teacher plants the seeds of knowledge that grow forever."

On the occasion of Guru Purnima, our little learners expressed their love and gratitude towards their teachers through a beautiful handprint activity. With colourful handprints, they created heartfelt artworks symbolising respect and thankfulness. The children also shared warm "thank you" gestures, making the day truly special. The celebration not only helped them understand the value of their teachers but also nurtured the spirit of respect, gratitude, and love.

Raghav said, "I made a handprint for my teacher."

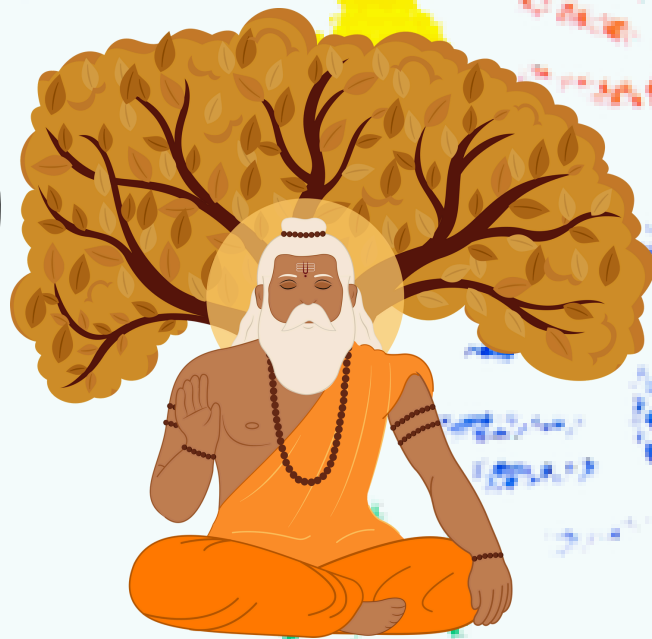

Himansh said, "Look my hand is shining."

Divisha said,
"I play with
colours using my
hands."

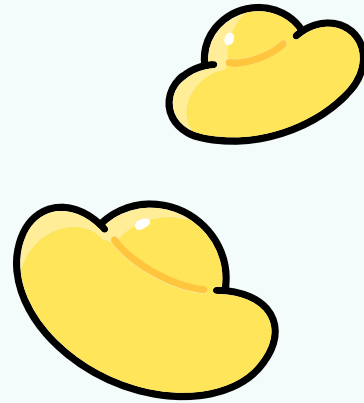

YELLOW COLOUR DAY 🌻

(31ST JULY 2025)

♥️ "Yellow is the colour of happiness, positivity, and sunshine." ♥️

The children celebrated Yellow Colour Day with great excitement and joy. They participated in a creative flower printing activity using tissue rolls, making beautiful yellow flowers that brightened up the classroom. Along with this, a fun Show and Tell Activity was also organized, where little ones confidently spoke about the yellow objects they had brought from home. The day was full of smiles, creativity, and learning, making it a truly memorable experience. 🌟

Naitik said,
"I love yellow
colour."

Prisha said,
"I like yellow,
it is bright like
the sun."

"We all are in yellow dress-
Response by
students"

Anshika said, "I enjoy making yellow flower."

RAKSHA BANDHAN 🌸

(8th AUGUST 2025)

💖 "A bond of love and protection that strengthens with every thread." 💖

The festival of Raksha Bandhan was celebrated with great joy and enthusiasm. The day began with a beautiful storytelling session highlighting the significance of Raksha Bandhan and the bond of love and care between brothers and sisters. Children then created colourful handmade rakhis on paper for our brave soldiers, expressing their gratitude and respect. As part of a class activity, each child also designed and decorated their own rakhi with great excitement and creativity.

The celebration beautifully blended learning with festivity, nurturing values of love, respect, and togetherness among the little ones. 🌸 ✨

Reyansh said,
"I made rakhi
for my sister."

Anshika said,
"I love my
sister."

Jiyaan said,
"I share toys with
my sister."

Raksha Bandhan

JANMASHTAMI MELA

(11th AUGUST 2025)

"The birth of Lord Krishna brings joy, love, and celebration." ✨

The birth of Lord Krishna brings joy, love, and celebration."The little ones celebrated Janmashtami Mela with great excitement. Dressed in vibrant traditional attire, children enjoyed fun activities like offering laddus to Krishna, solving picture puzzles, dancing, and a joyful photo shoot. The festive spirit, happy smiles, and colourful moments made the day truly memorable.

Chetanya said,
"Ma'am We all
are dressed up
as radha."

INDEPENDENCE DAY

(14th AUGUST 2025)

"Freedom in the mind, strength in the words, pride in our souls." ✨

The festival of Independence Day was celebrated with great pride and enthusiasm. Children actively participated in the programme through patriotic dances and a skit, which beautifully portrayed the spirit of the day. Their vibrant performances filled the classroom with energy, excitement, and cheerfulness. The celebration provided an opportunity for the little ones to express themselves creatively and enjoy working together as a group. It was a fun and memorable day, nurturing teamwork, confidence, and joy among all the children. 🎵🎭

Mahira said to her friends,
"I want to be a soldier."

Happy
Independence
Day

ORGANIZED BY GREEN CRUSADERS CLUB 🌿

(4th TO 18th AUGUST 2025)

💚 "Don't waste, just create – every little effort makes the Earth great." 💚

Our little Green Crusaders celebrated creativity and sustainability with great excitement. Children used waste materials like cardboard, bottle caps, and paper rolls to design a mini kitchen garden, exploring their imagination and artistic skills. Through this activity, the children learned about reusing, recycling, and growing greens, while enjoying hands-on fun. Their enthusiasm and teamwork made the classroom lively and colourful, and the little ones took pride in creating their own garden models. The celebration beautifully blended learning with creativity, nurturing values of environmental awareness, responsibility, and collaboration among the children. 🌱🥕🌸

Kartik said, "I like making new things."

Garden

GANESH CHATURTHI

(27th AUGUST 2025)

Ganpati Bappa Morya – the remover of obstacles and the harbinger of joy.”

Ganesh Chaturthi was celebrated with great devotion and excitement. The children participated wholeheartedly through rhymes, skits, and dances, which beautifully showcased the festive spirit of Ganesh Chaturthi. As part of the craft activity, the little ones joyfully created modaks, exploring their creativity and enjoying hands-on learning. Their enthusiasm and teamwork made the classroom lively and cheerful. The celebration beautifully blended tradition, talent, and fun, filling the environment with positivity, festivity, and happiness. 🌸🙏

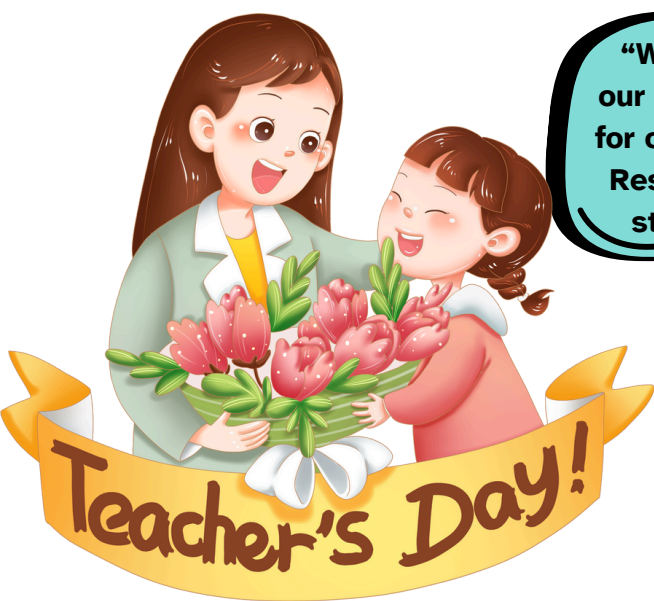

TEACHERS' DAY

(4th SEPTEMBER 2025)

"A teacher takes a hand, opens a mind, and touches a heart." ✨

Teachers' Day was celebrated with great enthusiasm. Children actively participated in dance performances and also presented a special replica act with their teachers, showcasing love, respect, and gratitude. As a gesture of thanks, the little ones also created a beautiful handprint collage, where each colourful handprint symbolised their heartfelt gratitude towards teachers. The event was filled with joy, admiration, and heartfelt moments that made the celebration truly memorable. 🌸❤️

"We printed our tiny hands for our ma'am-Response by students"

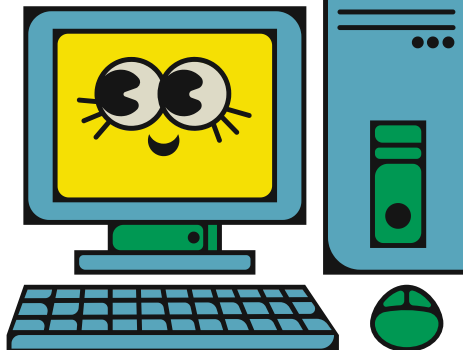

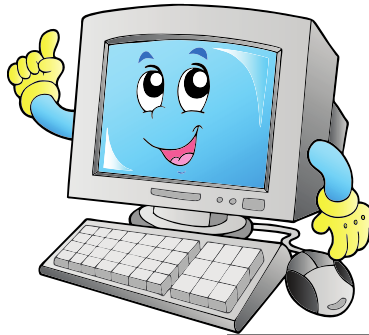

ORGANIZED BY TECH TITANS CLUB

(9th SEPTEMBER 2025)

“Technology is best learned through creativity and exploration.” ✨

The children participated enthusiastically in the Tech Talk activity, where they designed a complete computer model using clay. Each little hand carefully crafted the monitor, keyboard, mouse, CPU, and speakers, enjoying every step of the process. The activity not only encouraged creativity and observation but also helped the children learn about the basic components of a computer in a fun, interactive, and hands-on way. ✨

Sayansh said,
“ma’am We learn
new things from
computer.”

STUDENT-LED PARENT CONFERENCE

(26th & 27th SEPTEMBER 2025)

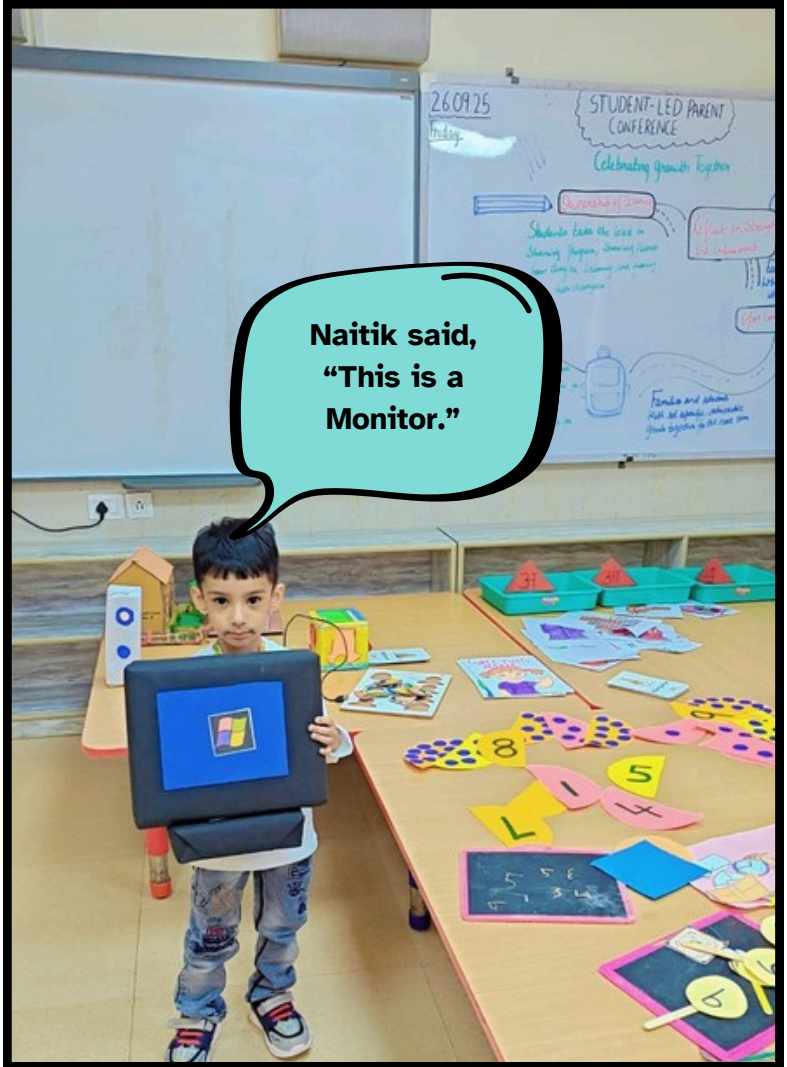

“When children take the lead in their learning, they discover not only knowledge but also confidence.”

The children actively participated in the Student-Led Parent Conference, sharing their learning journeys with enthusiasm and confidence. Each child took pride in explaining their work, describing the activities they enjoyed, and demonstrating the skills they developed over the term. To make the event more special, the children had also prepared handmade invitations for their parents, which added a personal and thoughtful touch to the conference. The conference not only provided an opportunity for children to showcase their achievements but also strengthened their communication skills, self-expression, and confidence. Parents appreciated the interactive sessions, witnessing firsthand how their children engage with learning in a fun, reflective, and hands-on way.

scene**”

DUSSEHRA, GANDHI & SHASTRI JAYANTI

(29th SEPTEMBER 2025)

"Festivals are the time when children shine, express, and celebrate learning through joy and creativity."

The children joyfully participated in the combined Dussehra and Gandhi Jayanti Celebration, bringing energy and excitement to the event. They performed vibrant dances, enacted an engaging skit, and enjoyed playing Dandiya with their friends. As part of a creative craft activity, each child made their own colorful Dandiya sticks, proudly using them during the dance. Alongside, the children learned about the life and teachings of Mahatma Gandhi. They expressed their understanding through short performances, songs, and activities that highlighted peace, truth, and kindness. The celebration not only allowed the children to explore and enjoy cultural traditions but also helped them develop coordination, teamwork, creativity, and awareness about important values in a fun and interactive way. Parents appreciated witnessing their children actively participating and enjoying every moment of the festivities. 🌟
