Begin

## Messages

*"We want education by which character is formed, strength of mind is increased, the intellect is expanded and by which one can stand on one's own feet." - Swami Vivekanand*

**AASTHA BHOLA**  
(JUNIOR PROGRAMME HEAD)

At MDPS, we respect children as unique individuals, innate with limitless potential, curious and interested in their world around them. We acknowledge children as sophisticated thinkers and communicators, adopting hundreds of languages to share their thoughts and feelings. We embrace our role in providing a safe, secure and stimulating environment, where curiosity can be celebrated, understanding enhanced, and reciprocal conversations with trained facilitators encouraged.

Education at MDPS is more than imparting knowledge; it's about encouraging children to do significant things with what they've learnt.

*"Your work is going to fill a large part of your life, and the only way to be truly satisfied is to do what you believe is great work. And the only way to do great work is to love what you do." Steve Jobs*

### **A Message to My Lovely Students!**

Dear students, listen closely, here's a tale to hear,  
Of dreams that rise like dawn, so crystal clear.

In the world of learning, the journey is long,  
But each step you take makes you mighty and strong.

The road may be rocky, the path not always bright,  
But remember, dear learners, you hold the light.  
Each book that you open, each lesson you learn,  
Is a spark of wisdom, a flame that will burn.

Education is not just a task to be done,  
It's the key to your future, your race to run.  
With every question asked, with every answer you find,  
You're building a future, expanding your mind.

Believe in yourself, let no doubts arise,  
For success lies in the effort, not in the size.  
So study with passion, let your knowledge soar  
And remember, dear students, there's always more!

**SAHIBJEET KAUR**  
(MIDDLE PROGRAMME HEAD)

Mother Nature

O' Mother Nature,

O' Mother Nature,

How are you so beautiful?

You make me smile whenever I look at you.

O' Mother Nature,

O' Mother Nature,

I just wanna look at you,

You are so beautiful.

O' Mother Nature,

O' Mother Nature,

You have green leaves everywhere,

Some big, some small, some shaped like hearts.

O' Mother Nature,

O' Mother Nature,

You have pretty flowers,

All different and so bright.

O' Mother Nature,

O' Mother Nature,

Thank you for all you give,

For making our world so lovely.

- Aaradhya Singh

## *Students Voice Corner*

### **GANESH CHATURTHI**

Ganesh Chaturthi is the most popular festival in India. This festival is also known as Vinayak Chaturthi. This festival is celebrated as the birthday of LORD GANESHA to honour and welcome him. According to Hindu Calendar, this festival is celebrated in the month of Bhadrapada. On the day of Ganesh Chaturthi people bring and install the Ganesha idol in their homes and temples by decorating and singing and dancing. Various trusts and societies also set up pandals for worshipping Lord Ganesha. Devotees offer lots of things to Lord Ganesha of which modak is his favourite. Children are very much loved by Lord Ganesha and they call him 'FRIEND GANESHA'. This festival ends with 'Anant Chaturdasi' and with Ganesh Visarjan. This festival lasts for ten days. Ganesh Chaturthi is celebrated as a symbol of wisdom, happiness and prosperity.-

## Doctor's day

*"A day to honor the healers who give hope and save lives."*

Doctor's Day was celebrated to honour the selfless service of medical professionals. The event began with activities—preparing a first aid kit, pretend play, and role play—where students from Grades Nursery –II highlighted the importance of doctors in society. The students performed a skit depicting the role of doctors in saving lives during emergencies, which received much appreciation.

## Paper Creatures

*"Crafting with paper turns simple sheets into magical masterpieces of fun and creativity!"*

The Paper Creatures Activity was conducted in July 4, 2024, for grade Nursery-II students as part of their creativity and fine motor skill development. Students were guided to create various animals and creatures using simple origami techniques. The activity sparked their imaginations as they folded colourful paper into birds, fish, and other creatures. It was a fun and engaging experience for all!

## Sense Booth Day

*Step into the Sense Booth and let your senses guide you to a world of discovery and delight!*

Sense Booth Day was organised to teach children about the five senses interactively and engagingly. Various activity stations were set up, each dedicated to one of the senses—sight, sound, touch, taste, and smell. Students from grade-Nursery to II participated in hands-on activities such as identifying objects by touch, recognizing sounds, and tasting different flavours. These sensory experiences helped them understand how we use our senses to explore the world around us.

## Character Strength - The ABC's Of Touch

*Respect your boundaries, trust your instincts, and never be afraid to speak up.*

A workshop on Good Touch and Bad Touch was conducted for Grade Nursery to II students to raise awareness about personal safety. Through age-appropriate discussions and visuals, students were taught to identify the difference between safe and unsafe touches. Teachers used simple examples and enacted in front of the students to explain body boundaries, encouraging students to trust their instincts and speak up if they feel uncomfortable. The importance of sharing concerns with trusted adults was emphasized.

## The Library Visit

*A library visit is a journey to endless worlds, where knowledge and imagination meet.*

The Library Visit was an exciting experience for the students, where children explored a variety of books, ranging from storybooks to picture books, fostering their love for reading. A cozy class setup was arranged, encouraging students to sit in small groups and enjoy their chosen books. The visit not only promoted reading habits but also enhanced their comprehension skills, making it a delightful and enriching experience for all.

## My Raining Canvas

*My raining canvas is where every drop of inspiration paints a masterpiece of creativity and dreams.*

My Raining Canvas activity was a creative event where students painted canvases based on different themes such as nature, rain etc. Each child expressed their imagination through vibrant colours and unique designs, showcasing their artistic skills. The event encouraged creativity, boosted confidence, and nurtured a love for art. The activity was a great success, with students proudly displaying their masterpieces, making it a fun and inspiring day for all.

## Drizzle Frizzle Origami craft

*With every fold of Drizzle Frizzle origami, a simple sheet transforms into a symphony of creativity and joy.*

An Origami Craft Activity based on the rainy season theme was conducted where students created various paper crafts such as umbrellas, clouds, raindrops, and paper boats. The children enthusiastically folded colourful papers into creative shapes, reflecting the essence of the rainy season. Students enjoyed the hands-on experience while learning about the beauty of the rainy season through art.

## Monsoon Party

*A celebration of raindrops, laughter, and the magic of togetherness under the cloudy skies.*

The Monsoon Party was a fun-filled event where tiny tots enjoyed various rainy season-themed activities. Dressed in raincoats and umbrellas, they participated in exciting games like paper boat races, splash puddles, and danced to rain-themed songs. Craft activities such as making raindrop art and creating paper boats added a creative touch to the celebration. The children were thrilled to engage in both fun and frolic, embracing the joy of the rainy season.

## Friendship Day

*Friendship Day is a special time to celebrate the friends who make us smile, laugh, and feel happy every day!*

On Friendship Day, students celebrated by preparing a variety of cuisines for their friends. Children made different cuisines with fruits and cherished the moments with friends. The atmosphere was filled with excitement and the celebration fostered a strong sense of camaraderie, allowing students to bond over food and laughter, creating lasting memories.

## Salute To Liberty Champions

*Salute to Liberty Champions – the brave hearts who inspire us to dream big, be kind, and stand tall for what is right!*

In the Salute to Liberty Champions event, students, along with their teachers, dressed up as freedom fighters to honour their legacy. Each participant passionately embodied a historical figure, showcasing their dedication and respect for India's freedom struggle. The event fostered a sense of patriotism and allowed students to connect with history in a meaningful and engaging way.

## Go For Orange

*Orange Color Day reminds us to shine bright like the vibrant warmth of the sun, full of energy and joy!*

The Orange Colour Day celebration was vibrant and lively as students dressed in various shades of orange. Classrooms were decorated with orange-themed crafts, and activities focused on the significance of the colour. The event was filled with excitement, creativity, and enthusiasm, highlighting the warmth and energy that orange represents. It was a fun and educational day for all!

## The Rainbow Circle

*“Every rainbow is a promise that light will always find its way through the darkest clouds.”*

The Rainbow circle activity engaged students in mindfulness exercises, breathing techniques, and calming activities for mental relaxation. Through these practices, students enhanced their focus, reduced stress, and developed emotional awareness. The session fostered a peaceful environment, promoting well-being and inner calm. It was an enriching experience that encouraged

students to embrace self-care and emotional balance.

## Go For Blue

*Blue Color Day is a celebration of calm, creativity, and the endless possibilities that come with every shade of blue!*

Blue Color Day was celebrated with engaging and eye-catching craft activities. Nursery students made cloud-themed crafts using cotton and blue paper, while KG focused on creating blue raindrops. Grade I and II explored clouds through hands-on crafts, learning about weather and the water cycle. The activities helped students connect with the color blue, symbolizing the sky and water, while fostering creativity and learning. It was an enjoyable and educational experience for all.

## World Tourism Day

*World Tourism Day reminds us that travel broadens our horizons, connects cultures, and fills our hearts with unforgettable memories.*

Junior programme celebrated World Tourism Day with the Costume Flamingo Galaxy Parade. Students walked the ramp in traditional costumes from various countries, showcasing global diversity. Each participant gave a brief presentation about their chosen country, highlighting its unique culture, traditions, and language. The colorful costumes and

enthusiastic presentations made the event both educational and entertaining, promoting cultural awareness and global unity. The parade was a lively and memorable celebration of world heritage, leaving everyone with a greater appreciation for global diversity.

## Story Dramatization

*Turning words into adventures and imagination into reality!*

Junior programme hosted a delightful story dramatization activity aimed at fostering creativity, communication skills, and confidence among our young learners. The event featured two beloved classic tales – The Shepherd Boy and the Wolf, presented by Nursery and KG students, and The Elves and the Shoemaker, performed by Grade I and II students. The students beautifully conveyed the themes of kindness and teamwork, bringing the magic of the story to life. Their confident acting and lively expressions made the performance a memorable success, leaving the audience impressed and inspired.

## Go For Green

*Green Color Day celebrates the beauty of nature, reminding us to grow, nurture, and thrive like the vibrant green around us!*

The Green Colour Day celebration for students was a vibrant event aimed at familiarizing children with the colour green. Students came dressed in green outfits and participated in various activities such as leaf printing, colouring, and identifying green objects around them. Classrooms were decorated with green-themed artwork, and teachers emphasized the importance of greenery and nature. The day was both educational and fun, leaving the young learners excited and more aware of their surroundings.

## Reduce, Reuse, Recycle

*Reduce, Reuse, Recycle – A simple mantra to protect our planet, conserve resources, and create a sustainable future for all.*

The Reduce, Reuse, and Recycle Workshop was a great success, engaging students in hands-on activities focused on environmental sustainability. Participants learned the importance of minimizing waste, repurposing materials, and properly recycling items. The workshop included creative projects that demonstrated how to transform everyday objects into useful items. Students left inspired to adopt eco-friendly practices and contribute positively to the environment.

## Jal Shakti Abhiyan

*Jalshakti Abhiyan : A call to conserve, preserve, and respect water, for it is the lifeline of our future.*

A Jal Shakti Abhyaan session was conducted in which main focus was on hand-washing awareness. Students learned the importance of thoroughly washing their hands with soap and water to prevent the spread of germs and maintain good health. The session emphasized key hygiene practices, highlighting how regular hand washing can protect against illnesses and promote overall well-being. Students also took a pledge to uphold cleanliness in their surroundings. This informative session reinforced the critical role of cleanliness in everyday life, aligning with the goals of Jal Shakti Abhyaan

## Spellathon

*A fun-filled challenge where every word unlocked brings us one step closer to mastering the magic of language!*

A Spellathon activity was designed to enhance spelling and literacy skills across different grades. Nursery students spun a wheel to join three-letter words, reading them aloud with enthusiasm. KG students assembled letters to form words, fostering their understanding of letter combinations. Grade I focused on completing broken words, honing their spelling and vocabulary skills. Meanwhile, Grade II engaged in a lively syllable clap activity, breaking words into syllables to improve their phonemic awareness. The Spellathon was a fun and interactive event that successfully encouraged a love for words and enhanced students' spelling abilities.

## Balancing Emotions

*“The key to inner peace, where understanding and control transform feelings into strength.”*

A Balancing Emotions activity was conducted to help students explore emotions through creative tasks. Nursery students made emotion masks, while KG students trimmed balloon paper hair, linking facial expressions to feelings. Grade I and II participated in the Blindfold Build-a-Face Challenge, enhancing their emotional awareness through teamwork and fun. The activity was a great success, fostering creativity and emotional understanding in an engaging way.

## Independence Day

*A celebration of freedom, courage, and the spirit of unity that shapes our nation's strength and pride."*

On Independence Day, the school came alive with patriotic fervor as students gathered to celebrate the nation's freedom. The event commenced with a flag-hoisting ceremony, followed by cultural performances showcasing traditional dances and patriotic songs. Students delivered inspiring speeches, reflecting on the sacrifices of our freedom fighters. The celebration fostered a sense of unity and pride among the youngsters.

## National Sports Day

*Celebrating the spirit of sportsmanship, inspiring us to stay active, strong, and united.*

On National Sports Day, students celebrate by participating in various sports and games. The event showcased teamwork, skill, and enthusiasm as students engaged in activities like passing the ball and relay races. It was a lively day that promoted physical fitness and sportsmanship, fostering a spirit of healthy competition among participants.

## *Moments of Impact: Highlights*

# *Razzmatazz 2024*

### *A Multihued Extravaganza*

*A day when talent, teamwork, and creativity shine, bringing out the best in every participant!*

MDPS, organized the Razzmatazz event for enthusiastic participation from students of various schools, competing in a range of categories at our school. The event was filled with vibrant performances, creative showcases, and spirited competition. It was a lively and memorable day, highlighting the exceptional talents of all participants and fostering inter-school camaraderie.

## Teacher's Day and Ganesh Chaturthi

Teacher's Day is a celebration of those who inspire, guide, and shape the future, one lesson at a time.

The combined celebration of Teacher's Day and Ganesh Chaturthi was a vibrant and joyful event. It began with a soulful Ganesh Vandana, followed by a lively dance performed by students in honor of their teachers. The celebration included Ganesh slogans and rhymes dedicated to teachers, highlighting the significance of both occasions. A special moment was the presentation of personalized titles and replicas of teachers\* crafted by students, adding a creative and personal touch.

## Friendship Day

*Wishing you a day filled with love, laughter and friendship.*

Friendship Day was organized to celebrate and recognize the importance of friendship in our lives. MDPS celebrated Friendship Day with a special assembly aimed at fostering camaraderie and promoting the values of friendship among students.

Engaging activities were organized to encourage interaction among students. These included group discussions, pledges, speeches, and team-building performances to promote peer bonding and understanding. Teachers played a pivotal role in the assembly by sharing personal anecdotes about their friendships.

## Ad Mania

*Creativity is the power to connect the seemingly unconnected.  
Ad Mania is where ideas spark, collaboration thrives,  
and the future of communication takes shape.*

Ad Mania was a vibrant and engaging platform designed to showcase creativity in advertising. It brings together students and professionals to brainstorm, create, and present innovative ad campaigns across various media. Students presented the current trends, enhance their marketing skills, and learn about effective communication strategies and with a focus on collaboration and creativity.

## Self-Discipline Workshop

*Discipline is the bridge between goals and accomplishment.  
It is through self-motivation that we unlock our true potential.*

To foster the important trait of staying self-motivated, our school held a workshop on self-discipline for students in Grades III to V. Led by class teachers, the session included engaging discussions, storytelling, and hands-on exercises in self-control, time management, and goal-setting. Students enthusiastically learned how to prioritize tasks, follow routines, and set achievable goals. This workshop has been a part of our school's commitment to building essential life skills, helping students grow into disciplined and responsible individuals.

## Data Detective Quest

*Mathematics is not just about numbers, it's about solving real-world mysteries.*

*The Data Detective Quest showed our students that every problem is an opportunity to think critically and creatively.*

To encourage students to apply mathematical concepts to real-life situations through classroom activities that develop their analytical and problem-solving skills, the school organized a "Data Detective Quest" for Grades III to V. Through interpreting and analyzing data, students honed their problem-solving skills, boosting their confidence and sparking enthusiasm. The event was both educational and enjoyable, helping students strengthen their math skills in a fun, engaging way.

## Rakhi Making Competition

*Creativity is the thread that connects us all.*

To promote students' mental and emotional well-being while making learning fun and interactive, Grade III and IV students took part in a Rakhi-making competition. They crafted beautiful, decorative rakhis using colorful threads, beads, and sequins, showcasing their creativity and enthusiasm. This activity allowed students to express cultural appreciation and strengthen their fine motor skills while collaborating with classmates. The vibrant creations reflected their joy and dedication, making the event a memorable experience for all.

## Be A Designer

*Creativity knows no bounds, especially when it comes to reimagining the world around us.*

*Through 'Be A Designer,' our students learned that art and sustainability go hand in hand, transforming waste into wonders.*

The "Be A Designer" event, organized by the Eco Club, encouraged students to unleash their creativity through recycling and reusing waste materials. Held for grades III to V, the event allowed students to transform everyday waste into beautiful, functional items. Students made wall hangings and plant containers from materials like waste paper and plastic bottles, while grade V students created stunning Pebble Art, painting their dreams on stones. The activity promoted artistic expression and environmental consciousness, offering an enriching experience that inspired the future leaders of tomorrow.

## Pictionary

*Learning becomes a lifelong joy when it's infused with excitement and entertainment.*

The English Club aims to make learning both enjoyable and meaningful. On 24th July 2024, a 'Pictionary' activity was organized for students in Grades III to V, where they learned new words and drew pictures to represent them. This activity helped students better retain vocabulary, grasp difficult words, and visualize concepts. Students displayed impressive creativity while presenting their Pictionary Cards. The event also promoted teamwork, boosted imagination, and enhanced cognitive skills, while improving focus and concentration.

## Fun Games Activity

*Through play, we not only build skills but also character.*

*The Fire Ball Game taught our students the power of teamwork, quick thinking, and sportsmanship, all while having a blast!*

In line with the school's belief that recreation and fun are key to a child's growth, the "Fire Ball Game" was organized for students of Grades III-V. The game involved students being divided into groups and racing against time to pass the ball to the next child, encouraging quick thinking and reflexes. The engaging variations of the game kept the atmosphere lively and positive. This activity focused on developing essential skills such as teamwork, leadership, self-confidence, patience, sportsmanship, hand-eye coordination, and balance. The blend of fun and learning left a lasting impact, making the experience truly memorable for all participants.

## Kavita Vachan

*Poetry is the voice of the soul, and through Kavita Vachan, our students discovered the power of words to express emotions, ignite imagination, and nurture creativity.*

To enhance the language skills foster appreciation of literature, students of Grade III and IV took part in Kavita Vachan. It was successfully celebrated along with the beauty of poetry and encouraged students to express themselves creatively. The event nurtured the latent talent of the students.

# Tips for the Students

## TIPS FOR CBSE BOARD ASPIRANTS

- Go through the official syllabus thoroughly. Identify the most important topics and focus on them.
- Practice with the previous year's sample papers. Do more written practice within the given time limit to improve speed and accuracy.
- Make flash cards for quick revision and review them frequently, especially during empty spaces, the free time.
- Reward yourself after completing study targets to stay motivated.
- Meditate every day: Keep your eyes shut at least for 10 minutes every day and relax your mind.
- With tenacity toil, smart strategies and a positive attitude, you are set to reach at altitude. Stay focused and give it your best!

## Health and Wellness Tips

### Winter Advisory

*Chill in the Air, Warmth in Our Hearts – Stay Safe This Winter!*

- Students should wear proper winter school uniform.
- Fog may affect visibility. Students should leave earlier to avoid being late, wear bright clothing and be cautious while walking to school.
- Cold weather can lead to health issues like **cold-related injuries** (frostbite or hypothermia), so it's important that students stay warm. If students show signs of feeling unwell or cold, they should immediately seek help.
- Winter is also flu season. Encourage students to practice good hygiene, such as washing hands frequently, wearing masks when necessary and avoiding close contact with others if they are sick.
- Stay safe, and stay warm!

## *Message From The Editorial Team*

Dear Students, Parents and Staff

Greetings!

As we step into another exciting term, the Editorial Team is thrilled to bring you the latest updates and stories from our school community. This newsletter is a celebration of the hard work, creativity, and achievements that define our school spirit.

We hope that you enjoy reading about our students' successes, upcoming events, and the wonderful contributions of our faculty and staff. Our goal is to keep you informed and connected, while highlighting the many ways our school continues to grow and thrive.

We encourage you to share your thoughts, stories and feedback with us so we can continue making each issue more engaging and inclusive. Together, let's make this school year one to remember!

Warm regards,  
The Editorial Team
