*Dear Parents,*

*“Winter, an enduring season, is a time to gather golden moments, embark upon a sentimental journey, and channelize every sluggish hour into a productive one.”*

*Alteration in the season demands due concern towards our young aspirants. In order to ensure the same students are supposed to be in school winter uniform w.e.f. Monday, 14<sup>th</sup> November, 2022.*

*Looking forward to your cooperation.*
