Month: April

Name : Mishika Saini
Month: May

Mentorship Hub

A new school year means new beginnings, new discoveries, and lots of joyful learning!

I, Gurpreet Kaur is delighted to begin this new session with my children. My classroom will be filled with stories, songs, playful learning, and many happy moments as children explore, grow, and build confidence together.

Dear Parents, Guardians and Learners,

A very warm welcome to the new academic session! It gives me immense pleasure to greet all our students and families as we begin another exciting year of learning, growth, and discovery. A special welcome to our Nursery children who are taking their first steps into the wonderful world of school. Starting school is a significant milestone, and we are delighted to partner with you in making this journey joyful, safe, and enriching. Watching our youngest learners settle into their new environment, make friends, explore new experiences, and develop confidence has been truly heartwarming.

The months of April and May have been filled with enthusiasm and meaningful learning across all grades from Nursery to Grade II. Our classrooms have been buzzing with curiosity, creativity, and active participation as students engaged in hands-on activities, storytelling, music, art, and foundational skill-building experiences. At MDPS, we believe that every child is unique and capable of achieving great things when nurtured with care, encouragement, and opportunities to explore. Through a balanced approach to academics, social-emotional learning, and play-based experiences, we strive to create an environment where every child feels valued and inspired.

As we move forward, we look forward to many more memorable moments, exciting learning opportunities, and celebrations of our students' achievements. Thank you, parents, for your continued trust, support, and partnership in your child's educational journey. Wishing all our young learners a wonderful year ahead filled with happiness, learning, and success.

Ms. Aastha Bhola, JP Head

Classroom Chronicles

FIRST DAY OF SCHOOL

The new academic session began on a joyful and enthusiastic note. The children happily recorded their first-day memories through colourful drawings in the camera cut-outs provided to them, capturing their special moments and feelings creatively. They also took a meaningful step towards caring for the environment by making promises for a greener Earth through drawings on the map of India. The activities encouraged creativity, self-expression, and environmental awareness, making it a delightful and memorable start to their learning journey.

SPECIAL ASSEMBLY ON VAISAKHI

The children enthusiastically participated in the Special Assembly on Vaisakhi. The celebration featured a thoughtful Thought of the Day, a lively rhyme, and a meaningful skit that beautifully reflected the spirit of the festival. They also engaged in a Vaisakhi-themed activity, creating vibrant artwork using colourful thumb impressions. Their joyful participation and creativity made the celebration truly lively and memorable.

SPECIAL ASSEMBLY ON EARTH DAY

The Earth Day Special Assembly was an engaging and joyful experience for the children. It included a Thought of the Day, a lively rhyme, and a short skit highlighting the importance of caring for our planet. The children also participated in a creative Leaf Face Art activity using natural materials like leaves and flowers, helping them connect with nature. The celebration encouraged them to adopt simple habits for keeping the Earth clean and green, making it a meaningful learning experience.

Nature Decorative Frame

A creative Nature Decorative Frame activity was conducted, wherein children designed beautiful photo frames using natural materials such as dry leaves, flowers, and twigs. The activity encouraged creativity and imagination while helping children develop an appreciation for nature and the importance of using eco-friendly materials.

Seed Exploration:

A Seed Bomb Making activity was conducted to help children understand the importance of planting and caring for nature. The students prepared seed bombs using soil and seeds, shaped them into small balls, and carefully wrapped them in green paper. They enthusiastically took their seed bombs home to observe and explore the journey of a seed growing into a sapling and eventually into a plant. The activity encouraged environmental awareness, responsibility, and a deeper connection with nature in a fun and hands-on way.

Drawing and Colouring Competition:

The Drawing and Colouring Competition was organized on the theme "Saving the Earth." Children enthusiastically expressed their ideas through vibrant illustrations, reflecting their understanding of environmental care. The activity encouraged creativity while reinforcing awareness about protecting the environment.

Quiz Competition

An interactive Quiz Competition based on the theme of Earth Day was conducted for the children. The activity included simple and engaging questions related to environmental awareness, such as cleanliness, recycling, and caring for nature. The children participated with enthusiasm and curiosity, making the session both enjoyable and informative. The quiz effectively reinforced their understanding of eco-friendly practices and responsible habits.

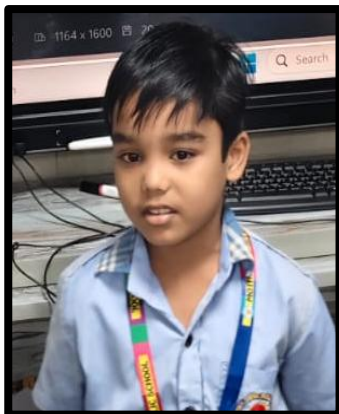

Pocso Awareness Workshop

A sensitively planned POCSO Awareness Workshop was conducted to promote awareness about personal safety among children. Age-appropriate concepts of good touch and bad touch were explained in a simple and engaging manner. Children were guided on how to respond confidently and seek help from trusted adults in uncomfortable situations. The session was interactive and informative, creating a safe and supportive environment for learning while reinforcing the importance of personal boundaries.

Mother's Day Assembly

The Mother's Day Special Assembly was conducted in a well-organized and heartwarming manner. It featured a Prayer, a Thought of the Day, and a lively rhyme that beautifully expressed love and gratitude towards mothers. The assembly aimed to help children understand the importance of respecting, loving, and appreciating their mothers, making the presentation both meaningful and memorable.

Mother's Day Craft

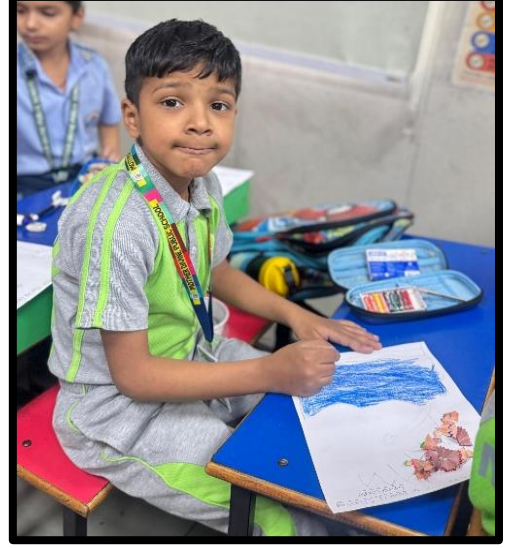

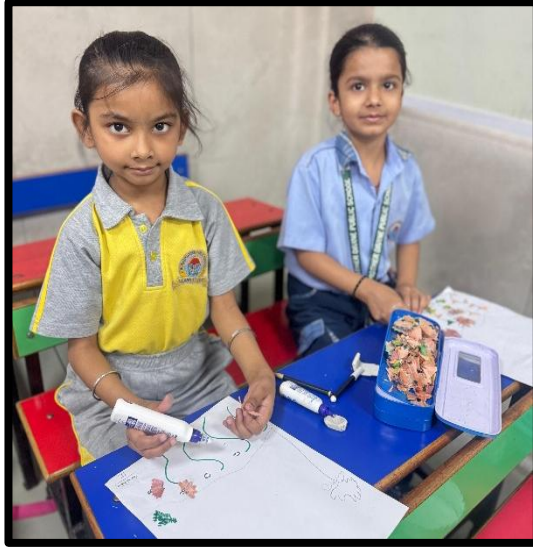

As a part of the Mother's Day celebration, children enthusiastically participated in a creative handprint flower craft activity. The activity encouraged students to express their love and gratitude for their mothers through art and creativity. The colourful artwork prepared by the children reflected their excitement and affection, making the activity joyful, engaging, and memorable for everyone.

HAPPY 
Mother's Day

Solid Waste Management

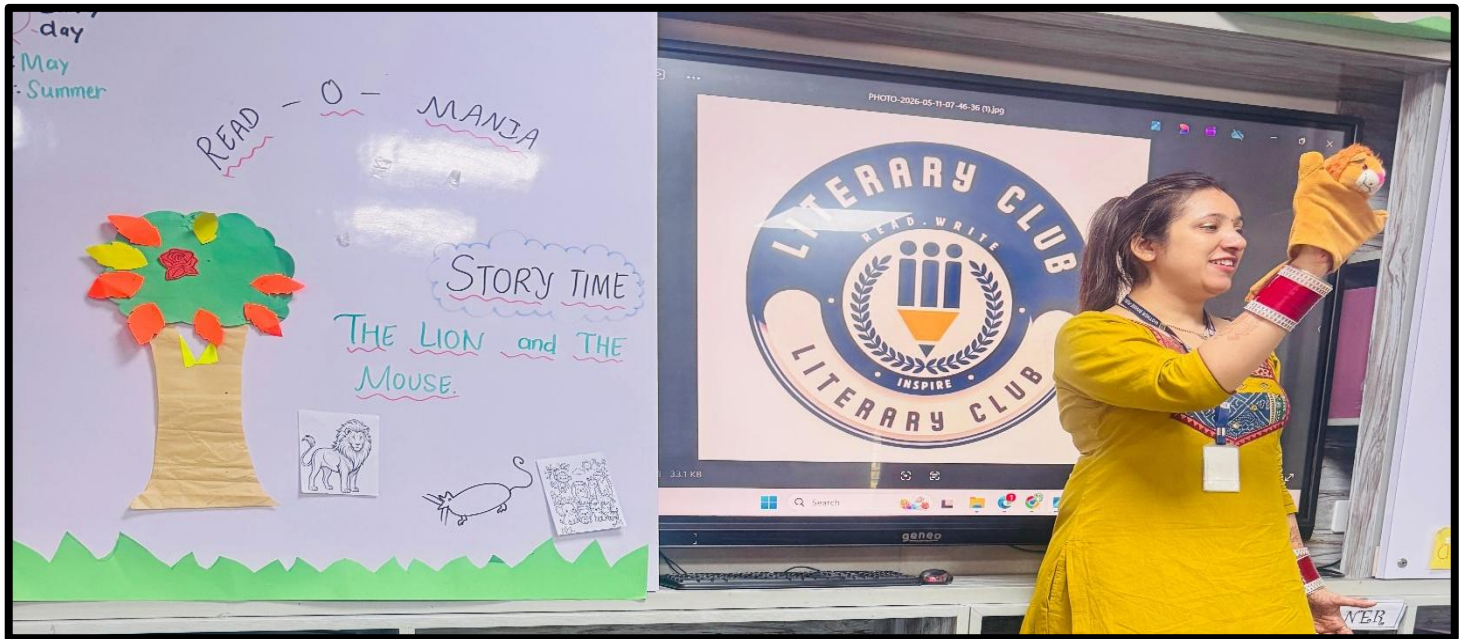

To promote environmental awareness and creative learning, the children participated in a "3D Plastic Bottle Garden" activity under the theme of Solid Waste Management. Using recycled materials such as plastic bottles, bottle caps, and straws, the children created colourful and innovative models. The activity helped them understand the importance of recycling and reusing waste materials while also enhancing their creativity and fine motor skills.

Literary Week

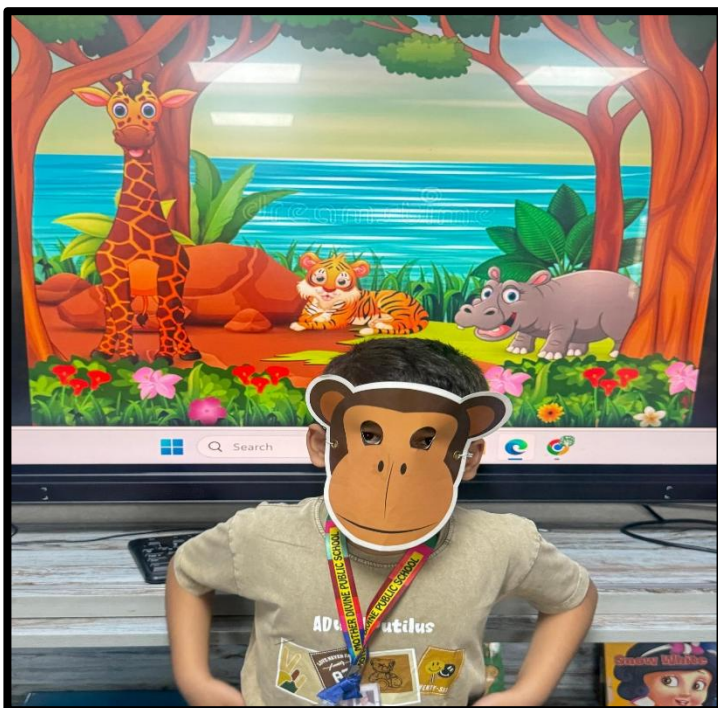

Day 1: Story telling with props

To develop listening and comprehension skills, the children participated in a "Storytelling with Props" activity. Teachers narrated interesting stories using puppets, masks, and flashcards, making the storytelling session interactive and engaging. The children listened attentively, answered simple questions about the story, and shared their favourite characters. The activity enhanced their imagination, vocabulary, and understanding of story sequences while fostering a love for reading.

Day 2 – Picture Talk

To encourage observation and expression, the children participated in a Picture Talk Activity. They enthusiastically observed colourful pictures and shared their thoughts about the characters, objects, and events shown in them. The activity provided an opportunity for children to express their ideas confidently and engage in meaningful conversations with their peers. It was an enjoyable experience that sparked curiosity, imagination, and active participation among the children.

Day 3 – Bookmark Making

To promote creativity and interest in reading, the children participated in a "Bookmark Making" activity. Using crayons, stickers, ribbons, and bookmark strips, they designed colourful and attractive bookmarks with reading-themed messages. The activity encouraged artistic expression while reinforcing the importance of books and reading. It also helped develop fine motor skills, concentration, and creativity.

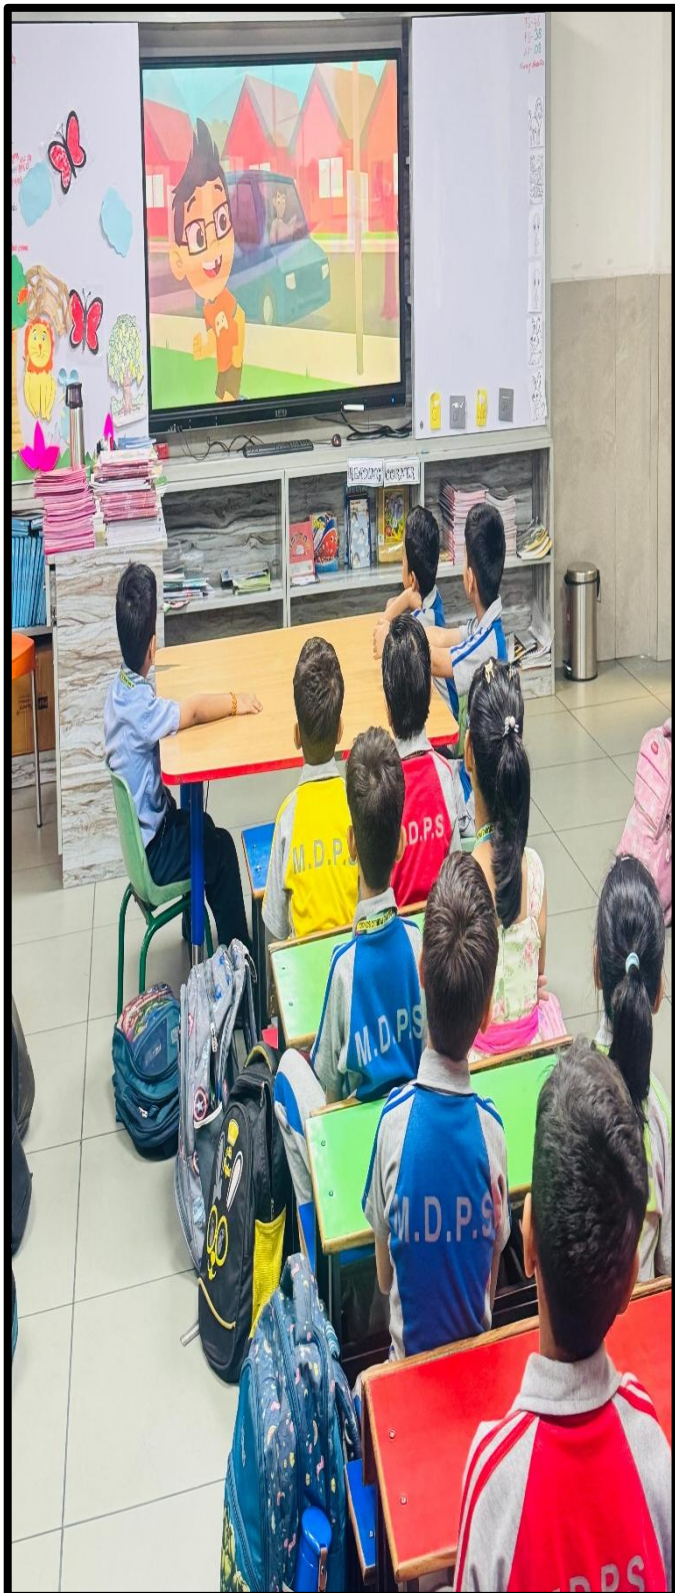

Day 4 – Dress Up as Your Favourite Story Character

To make reading fun and memorable, the children participated in a "Dress Up as Your Favourite Story Character" activity. Dressed as their favourite characters from storybooks, they confidently introduced themselves and spoke a few lines about their chosen character. The activity enhanced their self-expression, confidence, imagination, and understanding of story characters while creating an enjoyable learning experience.

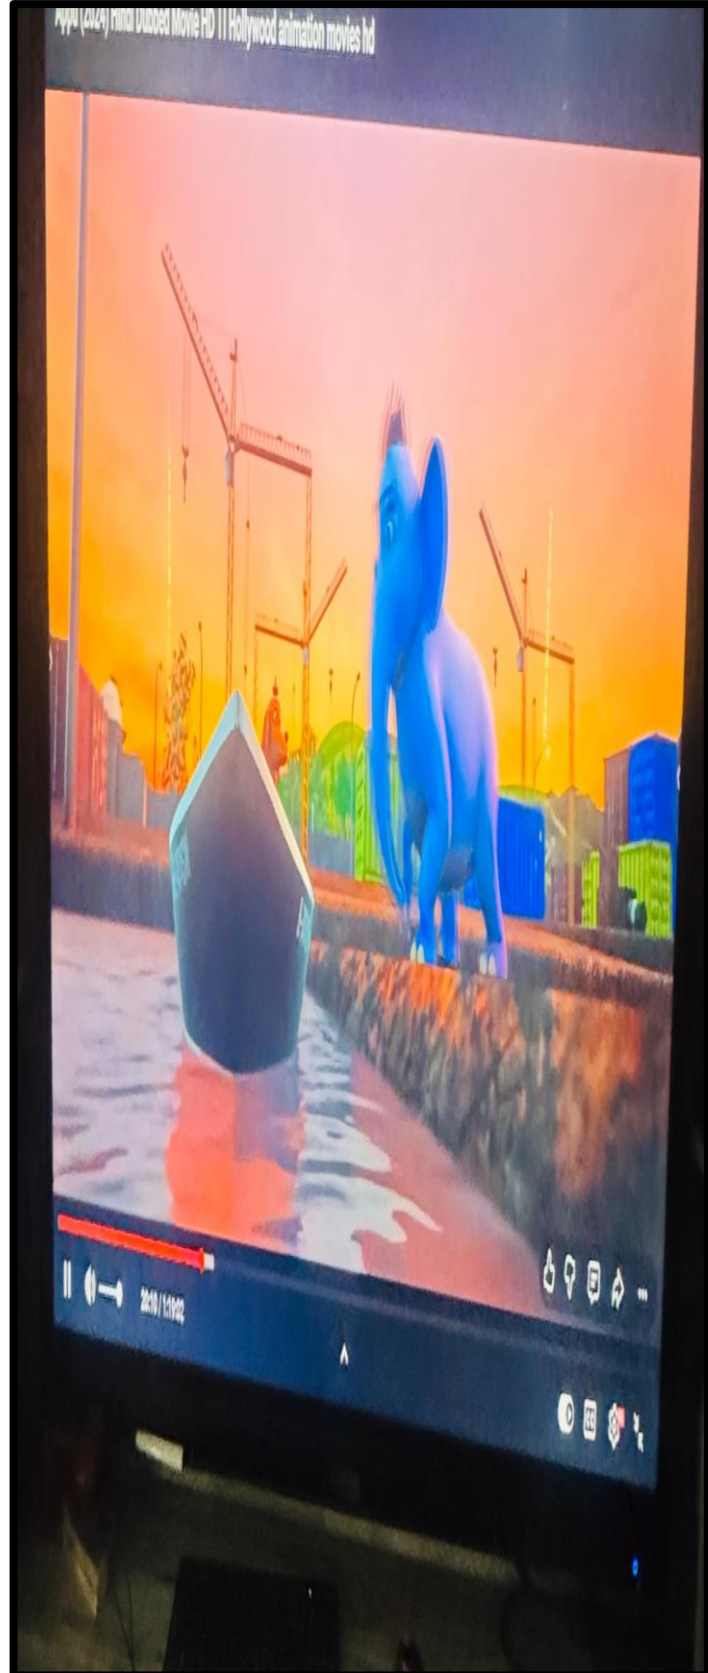

Stranger Danger Workshop

To create awareness about personal safety, a *Stranger Danger Workshop* was organized for the students. Through an engaging story and interactive role-play, children learned how to identify strangers and respond safely in unfamiliar situations. They were encouraged to follow important safety practices such as staying close to trusted adults, saying "No" confidently, and seeking help whenever needed. The workshop helped children develop awareness, confidence, and a better understanding of personal safety in a meaningful and enjoyable way.

Film Screening Session

To provide children with an enjoyable and memorable learning experience, a *Film Screening Session* was organized for the students. The children enthusiastically watched an engaging and entertaining movie in a cheerful classroom environment. They enjoyed the screening along with healthy snacks and refreshments, making the experience even more special. The activity offered a wonderful opportunity for relaxation, enjoyment, and social bonding among peers. It also encouraged attentive viewing, listening skills, and appreciation of visual storytelling, creating happy memories for all the children.

Thank you
