

DIVINE SPECTRUM

APRIL & MAY 2026

Mentorship Hub

A new school year means new beginnings, new discoveries, and lots of joyful learning!

We, Ruchika & Tanvi, are delighted to begin this new session with our children. Our classroom will be filled with stories, songs, playful learning, and many happy moments as children explore, grow, and build confidence together.

Junior Programme Head's Note

Dear Parents and Young Learners,

A very warm welcome to the new academic session! It gives me immense pleasure to greet all our students and families as we begin another exciting year of learning, growth, and discovery.

A special welcome to our Nursery children who are taking their first steps into the wonderful world of school. Starting school is a significant milestone, and we are delighted to partner with you in making this journey joyful, safe, and enriching. Watching our youngest learners settle into their new environment, make friends, explore new experiences, and develop confidence has been truly heartwarming.

The months of April and May have been filled with enthusiasm and meaningful learning across all grades from Nursery to Grade II. Our classrooms have been buzzing with curiosity, creativity, and active participation as students engaged in hands-on activities, storytelling, music, art, and foundational skill-building experiences.

At MDPS, we believe that every child is unique and capable of achieving great things when nurtured with care, encouragement, and opportunities to explore. Through a balanced approach to academics, social-emotional learning, and play-based experiences, we strive to create an environment where every child feels valued and inspired.

As we move forward, we look forward to many more memorable moments, exciting learning opportunities, and celebrations of our students' achievements. Thank you, parents, for your continued trust, support, and partnership in your child's educational journey.

Wishing all our young learners a wonderful year ahead filled with happiness, learning, and success.

Classroom Chronicles

WELCOME TO FIRST DAY OF SCHOOL

The new academic session for Class I began on a joyful and exciting note. On the very first day, the children enthusiastically created a beautiful Memory Jar activity, expressing their thoughts and special memories in a fun and creative way. They also enjoyed a lively outdoor fun activity filled with laughter and happiness. To make the day even more memorable, the students had a cute photo session with a lovely flower photo frame, capturing their precious first-day moments. It was truly a warm, delightful, and unforgettable start to their new learning journey.

DAY
VIBES

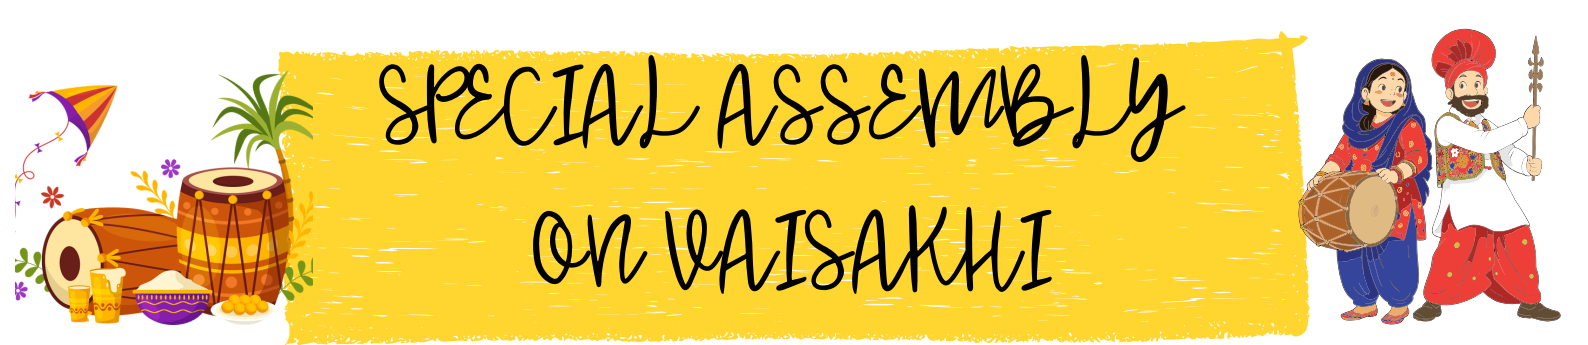

My MEMORIES JAR

OUTDOOR FUN ON FIRST DAY

The children enthusiastically participated in the Special Assembly on Vaisakhi. The celebration featured a thoughtful Thought of the Day, a lively rhyme, and a meaningful skit that beautifully reflected the spirit of the festival. They also engaged in a Vaisakhi-themed activity, creating vibrant artwork. Their joyful participation and creativity made the celebration truly lively and memorable.

SPECIAL ASSEMBLY ON EARTH DAY

The Earth Day Special Assembly was an engaging and joyful experience for the children. It included a Thought of the Day, a lively rhyme, and a short skit highlighting the importance of caring for our planet. The children also participated in a creative Leaf Face Art activity using natural materials like leaves and flowers, helping them connect with nature. The celebration encouraged them to adopt simple habits for keeping the Earth clean and green, making it a meaningful learning experience.

LEAF INSECT ART ACTIVITY

LEAF FLOWER ACTIVITY

SEED EXPLORATION

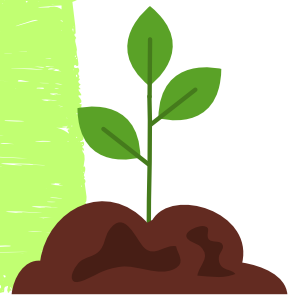

The Seed Exploration Activity was an engaging and joyful learning experience for the children. During the activity, the children observed, touched, and explored different kinds of seeds, helping them understand the variety found in nature. They were introduced to the shapes, sizes, textures, and colors of various seeds through hands-on interaction and discussion. The activity sparked curiosity and encouraged sensory learning while helping children develop a closer connection with nature. It was a fun and meaningful experience that enhanced their observation skills and awareness about plants and growth.

SEED BOMB ACTIVITY

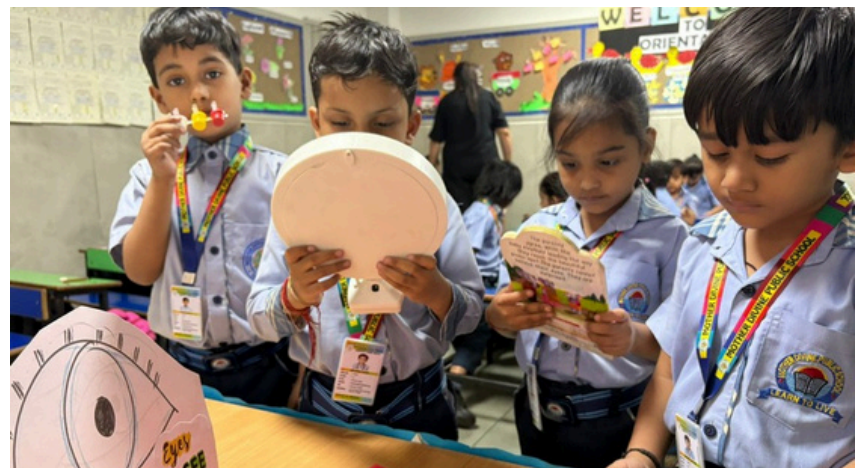

The Seed Bomb Activity was a fun and interactive learning experience for the children. During the activity, the children enthusiastically made seed bombs by placing different types of seeds inside small balls of soil. This hands-on experience helped them learn about planting and the importance of growing plants in a creative and enjoyable way. The activity encouraged teamwork, sensory exploration, and environmental awareness while helping children develop a deeper connection with nature. It was a meaningful experience that inspired them to care for and protect the environment.

SENSE ORGAN ACTIVITY

The Sense Organs Activity was an exciting and creative learning experience for the children. The teacher organized an interactive class to help children understand the five sense organs and their functions through engaging discussions and fun activities. The children actively participated in identifying how we see, hear, smell, taste, and touch using our senses. The creative approach made learning enjoyable and helped enhance their observation and thinking skills. It was an enriching experience that encouraged curiosity and active participation in the classroom.

Posco Awareness Workshop

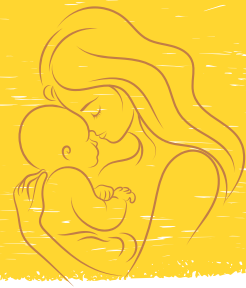

The POSCO Awareness Workshop was an informative and meaningful session conducted for the children to help them understand the concept of good touch and bad touch in a safe and age-appropriate manner. To make the session engaging and easy to understand, the teachers prepared and presented a short play highlighting personal safety and the importance of speaking up in uncomfortable situations. The interactive session encouraged awareness, confidence, and open communication among the students, making it a valuable learning experience for all.

Mother's Day Craft

As a part of the Mother's Day celebration, the children enthusiastically participated in a creative card-making activity. The students decorated their cards beautifully by pasting rose petals in a heart shape to express their love for their mothers. The activity encouraged children to share their feelings with creativity and joy, making the celebration meaningful, memorable, and full of happiness.

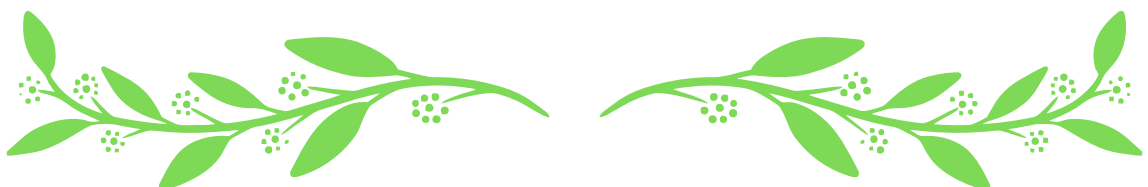

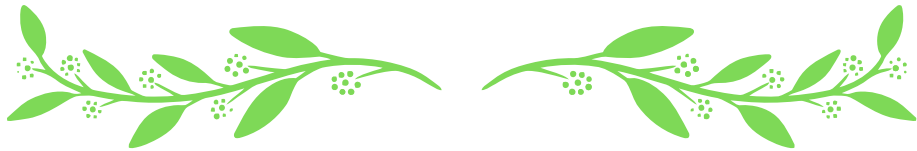

Awareness on Solid Waste Management

To promote environmental awareness and creative learning, the children participated in a "Best Out of Waste" activity by making a cardboard face using waste materials. The students used old cardboard along with different decorative waste items to create fun and colorful faces. Through this activity, children learned the importance of reusing waste materials in a creative way. It also helped in developing their imagination, creativity, and fine motor skills while making learning enjoyable and meaningful.

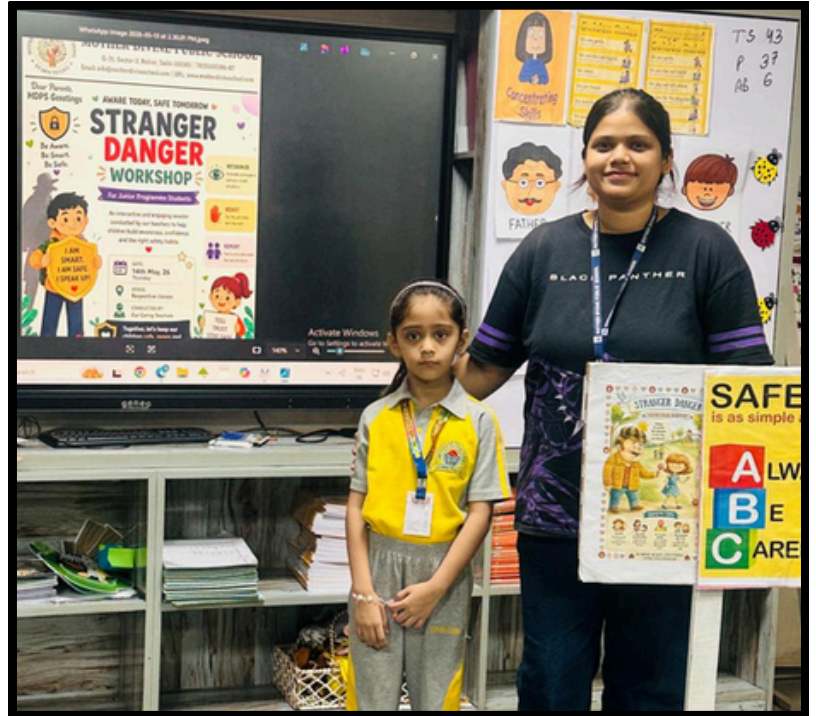

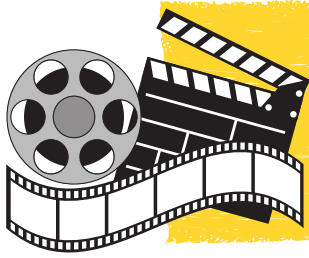

Stranger Danger Workshop

To create awareness about personal safety, a *Stranger Danger Workshop* was organised for the students. Through an engaging story and interactive role-play, children learned how to identify strangers and respond safely in unfamiliar situations. They were encouraged to follow important safety practices such as staying close to trusted adults, saying "No" confidently, and seeking help whenever needed. The workshop helped children develop awareness, confidence, and a better understanding of personal safety in a meaningful and enjoyable way.

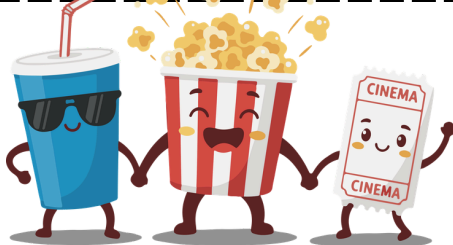

Film Screening

To provide children with an enjoyable and memorable learning experience, a *Film Screening Session* was organized for the students. The children watched an engaging, entertaining movie in a cheerful classroom. They enjoyed the screening along with healthy snacks and refreshments, making the experience even more special. The activity offered a wonderful opportunity for relaxation, enjoyment, and social bonding among peers. It also encouraged attentive viewing, listening skills, and appreciation of visual storytelling, creating happy memories for all the children.

BOOKMARK MAKING

To promote creativity and interest in reading, the children participated in a "Bookmark Making" activity. Using crayons, stickers, ribbons, and bookmark strips, they designed colourful and attractive bookmarks with reading-themed messages. The activity encouraged artistic expression while reinforcing the importance of books and reading. It also helped develop fine motor skills, concentration, and creativity.

STORY TELLING WITH PROPS

To develop listening and comprehension skills, the children participated in a "Storytelling with Props" activity. Teachers narrated interesting stories using puppets, masks, and flashcards, making the storytelling session interactive and engaging. The children listened attentively, answered simple questions about the story, and shared their favourite characters. The activity enhanced their imagination, vocabulary, and understanding of story sequences while fostering a love for reading.

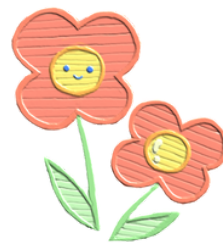

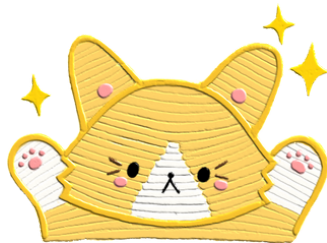

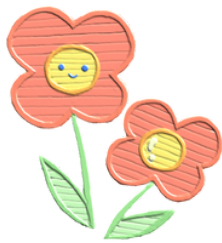

Dress Up as Your Favourite Story Character

To make reading fun and memorable, the children participated in a "Dress Up as Your Favourite Story Character" activity. Dressed as their favourite characters from storybooks, they confidently introduced themselves and spoke a few lines about their chosen character. The activity enhanced their self-expression, confidence, imagination, and understanding of story characters while creating an enjoyable learning experience.

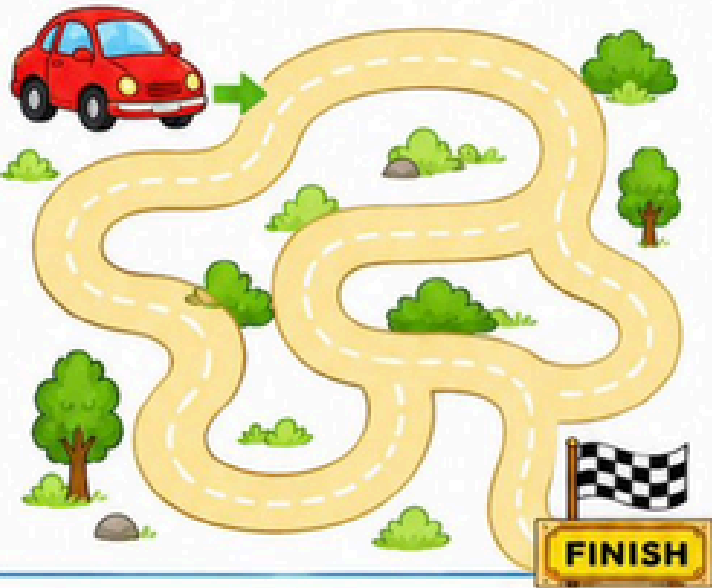

Spot the Difference

Help the car reach the finish!

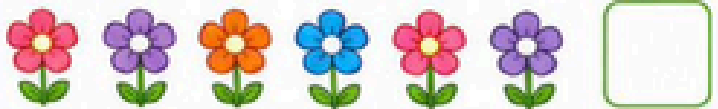

What comes next?

Look at the pattern and draw the next shape.

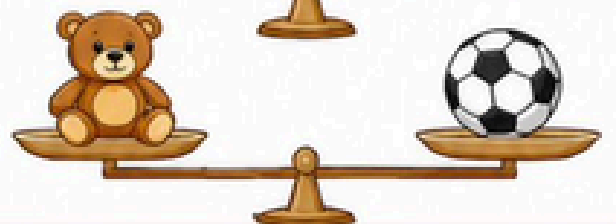

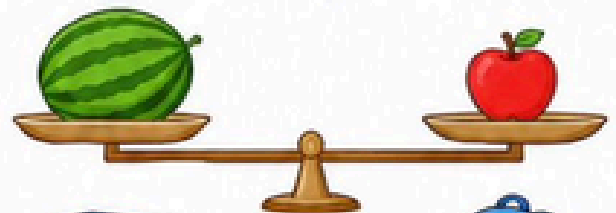

How many? Count and write the number.

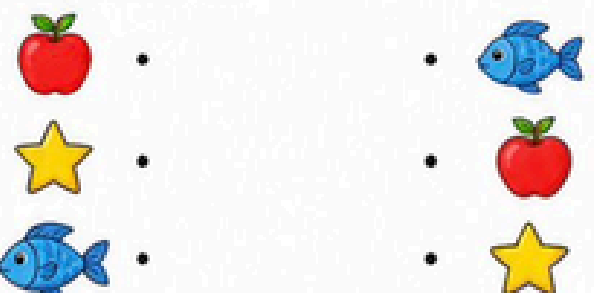

Which is heavier?

Circle the heavier object in each scale.

Match the same.

Draw a line to match each picture with the same one.
