

# DIVINE SPECTRUM

## APRIL & MAY 2026

### Shining Star

Name : Tanishq  
Month: April

### Mentorship Hub

A new school year means new beginnings, new discoveries, and lots of joyful learning!

We, Draupadi & Bhawana Jain, are delighted to begin this new session with our children. Our classroom will be filled with stories, songs, playful learning, and many happy moments as children explore, grow, and build confidence together.

Name : Aaradhya  
Month: May

### Junior Programme Head's Note

Ms Aastha Bhola, JP Head

Dear Parents and Young Learners,

A very warm welcome to the new academic session! It gives me immense pleasure to greet all our students and families as we begin another exciting year of learning, growth, and discovery.

A special welcome to our Nursery children who are taking their first steps into the wonderful world of school. Starting school is a significant milestone, and we are delighted to partner with you in making this journey joyful, safe, and enriching. Watching our youngest learners settle into their new environment, make friends, explore new experiences, and develop confidence has been truly heartwarming.

The months of April and May have been filled with enthusiasm and meaningful learning across all grades from Nursery to Grade II. Our classrooms have been buzzing with curiosity, creativity, and active participation as students engaged in hands-on activities, storytelling, music, art, and foundational skill-building experiences.

At MDPS, we believe that every child is unique and capable of achieving great things when nurtured with care, encouragement, and opportunities to explore. Through a balanced approach to academics, social-emotional learning, and play-based experiences, we strive to create an environment where every child feels valued and inspired.

As we move forward, we look forward to many more memorable moments, exciting learning opportunities, and celebrations of our students' achievements. Thank you, parents, for your continued trust, support, and partnership in your child's educational journey.

Wishing all our young learners a wonderful year ahead filled with happiness, learning, and success.

# FIRST DAY OF SCHOOL

The children warmly greeted their teacher through friendly gestures such as high-five, fist bump, handshake, or a simple hello, creating a welcoming and comfortable classroom environment. They also enjoyed making beautiful photo frames using flower cutouts, which encouraged creativity and made the first day delightful and memorable for the Grade I students.

# SPECIAL ASSEMBLY ON VAISAKHI

The children enthusiastically participated in the Special Assembly on Vaisakhi. The celebration featured a thoughtful Thought of the Day, a lively rhyme, and a meaningful skit that beautifully reflected the spirit of the festival. They also engaged in a Vaisakhi-themed activity. Their joyful participation and creativity made the celebration truly lively and memorable.

# SPECIAL ASSEMBLY ON EARTH DAY

The Earth Day Special Assembly was a joyful and meaningful experience for the children. It included a Thought of the Day, a lively rhyme, and a short skit on caring for our planet. The students also participated in a Green Earth theme drawing activity, expressing their creativity while learning the importance of keeping the Earth clean and green.

# GLIMPSES OF APRIL MONTH

## Kitchen garden visit (SDG)

The students visited the kitchen garden and had a wonderful time observing nature closely. They explored different plants, flowers, and vegetables while learning about their importance in our daily life. The visit encouraged curiosity, appreciation for nature, and awareness about keeping the environment green and healthy.

## Leaf Insect Art Activity

The students participated in a fun and creative leaf craft activity where they made different insects by pasting leaves and drawing legs, eyes, and other features using markers. The activity encouraged imagination, creativity, and observation skills while helping the children connect with nature in an enjoyable way.

# Mother's day

The students celebrated Mother's Day with great love and enthusiasm by making beautiful cards for their mothers using rose petals. The activity allowed the children to express their feelings creatively and made the celebration special and memorable.

## Solid Waste Material

The club organized a fun and creative activity for Grade I students where they made colorful masks using cardboard and different waste materials. The activity encouraged creativity, imagination, and awareness about reusing materials in an enjoyable way.

# Picture talk and bookmark making activity

Read-O-Mania Week was celebrated enthusiastically in Grade I with activities like picture talk, bookmark making, story narration, and reading aloud. Students participated actively and enjoyed expressing their ideas creatively. The activities enhanced their reading, speaking, and imagination skills while developing interest in books. The week created a joyful learning atmosphere and encouraged good reading habits among children.

# Dress up as your favourite story character

To make reading fun and memorable, the children participated in a "Dress Up as Your Favourite Story Character" activity. Dressed as their favourite characters from storybooks, they confidently introduced themselves and spoke a few lines about their chosen character. The activity enhanced their self-expression, confidence, imagination, and understanding of story characters while creating an enjoyable learning experience.

# Stranger Danger Workshop Report

To create awareness about personal safety, a "Stranger Danger Workshop" was organized for the students. Through an engaging story and interactive role-play, children learned how to identify strangers and respond safely in unfamiliar situations. They were encouraged to follow important safety practices such as staying close to trusted adults, saying "No" confidently, and seeking help whenever needed. The workshop helped children develop awareness, confidence, and a better understanding of personal safety in a meaningful and enjoyable way.

## MOVIE TIME

## Film Screening

To provide children with an enjoyable and memorable learning experience, a "Film Screening Session" was organized for the students. The children enthusiastically watched an engaging and entertaining movie in a cheerful classroom environment. They enjoyed the screening along with healthy snacks and refreshments, making the experience even more special. The activity offered a wonderful opportunity for relaxation, enjoyment, and social bonding among peers. It also encouraged attentive viewing, listening skills, and appreciation of visual storytelling, creating happy memories for all the children.

## Spot the Difference

Hop like a bunny on the numbers and reach the honey!

Count from 1 to 10 and drive the racer safely to the finish line!

Thank  
you

Stay  
Tuned
