Month: April

Mentorship Hub

A new school year means new beginnings, new discoveries, and lots of joyful learning!

We, Kanchan Bankoti & Manu Sharma, are delighted to begin this new session with our children. Our classroom will be filled with stories, songs, playful learning, and many happy moments as children explore, grow, and build confidence together.

Junior Programme Head's Note

Dear Parents and Young Learners,

A very warm welcome to the new academic session! It gives me immense pleasure to greet all our students and families as we begin another exciting year of learning, growth, and discovery.

A special welcome to our Nursery children who are taking their first steps into the wonderful world of school.

Starting school is a significant milestone, and we are delighted to partner with you in making this journey joyful, safe, and enriching. Watching our youngest learners settle into their new environment, make friends, explore new experiences, and develop confidence has been truly heartwarming.

The months of April and May have been filled with enthusiasm and meaningful learning across all grades from Nursery to Grade II. Our classrooms have been buzzing with curiosity, creativity, and active participation as students engaged in hands-on activities, storytelling, music, art, and foundational skill-building experiences.

At MDPS, we believe that every child is unique and capable of achieving great things when nurtured with care, encouragement, and opportunities to explore. Through a balanced approach to academics, social-emotional learning, and play-based experiences, we strive to create an environment where every child feels valued and inspired.

As we move forward, we look forward to many more memorable moments, exciting learning opportunities, and celebrations of our students' achievements. Thank you, parents, for your continued trust, support, and partnership in your child's educational journey.

Wishing all our young learners a wonderful year ahead filled with happiness, learning, and success.

Ms Aastha Bhola

Classroom Chronicles

FIRST DAY OF SCHOOL

The new academic session began on a joyful and positive note. The children warmly greeted their teacher through friendly gestures such as high-five, fist bump, handshake, or a simple hello, creating a welcoming and comfortable classroom environment. They also participated in a vibrant thumb impression activity, expressing their creativity while making a special first-day keepsake. It was a delightful and memorable start to their learning journey.

FIRST DAY VIBES

The children enthusiastically participated in the Special Assembly on Vaisakhi. The celebration featured a thoughtful Thought of the Day, a lively rhyme, and a meaningful skit that beautifully reflected the spirit of the festival. They also engaged in a Vaisakhi-themed activity, creating vibrant artwork using colourful thumb impressions. Their joyful participation and creativity made the celebration truly lively and memorable.

SPECIAL ASSEMBLY ON EARTH DAY

The Earth Day Special Assembly was an engaging and joyful experience for the children. It included a Thought of the Day, a lively rhyme, and a short skit highlighting the importance of caring for our planet. The children also participated in a creative Leaf Face Art activity using natural materials like leaves and flowers, helping them connect with nature. The celebration encouraged them to adopt simple habits for keeping the Earth clean and green, making it a meaningful learning experience.

CLUB ACTIVITY

The students participated in a fun and creative leaf craft activity where they made different insects by pasting leaves and drawing legs, eyes, and other features using markers. The activity encouraged imagination, creativity, and observation skills while helping the children connect with nature in an enjoyable way.

Mother's day

The students celebrated Mother's Day with great love and enthusiasm by making beautiful cards for their mothers using rose petals. The activity allowed the children to express their feelings creatively and made the celebration special and memorable.

CLUB ACTIVITY

The club organized a fun and creative activity for Grade I students where they made colorful masks using cardboard and different waste materials. The activity encouraged creativity, imagination, and awareness about reusing materials in an enjoyable way.

STORY TELLING WITH PROPS

To develop listening and comprehension skills, the children participated in a "Storytelling with Props" activity. Teachers narrated interesting stories using puppets, masks, and flashcards, making the storytelling session interactive and engaging. The children listened attentively, answered simple questions about the story, and shared their favourite characters. The activity enhanced their imagination, vocabulary, and understanding of story sequences while fostering a love for reading.

BOOKMARK MAKING

To promote creativity and interest in reading, the children participated in a "Bookmark Making" activity. Using crayons, stickers, ribbons, and bookmark strips, they designed colourful and attractive bookmarks with reading-themed messages. The activity encouraged artistic expression while reinforcing the importance of books and reading. It also helped develop fine motor skills, concentration, and creativity.

DRESS UP AS YOUR FAVOURITE CHARACTER

To make reading fun and memorable, the children participated in a "Dress Up as Your Favourite Story Character" activity. Dressed as their favourite characters from storybooks, they confidently introduced themselves and spoke a few lines about their chosen character. The activity enhanced their self-expression, confidence, imagination, and understanding of story characters while creating an enjoyable learning experience.

RHYMES AND READ ALOUD

To strengthen language and literacy skills, the children participated in a "Rhymes and Read-Aloud" activity. They enthusiastically recited their favourite nursery rhymes and listened to short reading passages shared by their teachers and classmates. The activity improved pronunciation, listening skills, fluency, and confidence in speaking. It also encouraged children to develop a lifelong interest in reading and learning.

STRANGER DANGER WORKSHOP

To promote personal safety awareness and confidence among young learners, the children participated in a "Stranger Danger Workshop" conducted by their teachers. Through interactive discussions, role-plays, and age-appropriate examples, the children learned how to recognize strangers, identify unsafe situations, and respond appropriately. They were encouraged to follow the safety rules of Recognize, Resist, and Report by saying "No," moving away from danger, and informing a trusted adult. The workshop helped children develop essential safety habits, build self-confidence, and understand the importance of speaking up to stay safe.

FILM SCREENING SESSION

To provide children with an enjoyable and memorable learning experience, a ****Film Screening Session**** was organized for the students. The children enthusiastically watched an engaging and entertaining movie in a cheerful classroom environment. They enjoyed the screening along with healthy snacks and refreshments, making the experience even more special. The activity offered a wonderful opportunity for relaxation, enjoyment, and social bonding among peers. It also encouraged attentive viewing, listening skills, and appreciation of visual storytelling, creating happy memories for all the children.

GRADE 1

Spot the Difference

Help the car reach the finish!

What comes next?

Look at the pattern and draw the next shape.

How many? Count and write the number.

Which is heavier?

Circle the heavier object in each scale.

Match the same.

Draw a line to match each picture with the same one.
