Name : Lavanya
Month: May

Junior Programme Head's Note

Ms Aastha Bhola

'Dear Parents and Young Learners,

A very warm welcome to the new academic session! It gives me immense pleasure to greet all our students and families as we begin another exciting year of learning, growth, and discovery.

A special welcome to our Nursery children who are taking their first steps into the wonderful world of school. Starting school is a significant milestone, and we are delighted to partner with you in making this journey joyful, safe, and enriching. Watching our youngest learners settle into their new environment, make friends, explore new experiences, and develop confidence has been truly heartwarming.

The months of April and May have been filled with enthusiasm and meaningful learning across all grades from Nursery to Grade II. Our classrooms have been buzzing with curiosity, creativity, and active participation as students engaged in hands-on activities, storytelling, music, art, and foundational skill-building experiences.

At MDPS, we believe that every child is unique and capable of achieving great things when nurtured with care, encouragement, and opportunities to explore. Through a balanced approach to academics, social-emotional learning, and play-based experiences, we strive to create an environment where every child feels valued and inspired.

As we move forward, we look forward to many more memorable moments, exciting learning opportunities, and celebrations of our students' achievements. Thank you, parents, for your continued trust, support, and partnership in your child's educational journey.

Wishing all our young learners a wonderful year ahead filled with happiness, learning, and success.

Special Assembly on Vaishakhi

The children enthusiastically participated in the Special Assembly on Vaisakhi. The celebration featured a thoughtful Thought of the Day, a lively rhyme, and a meaningful skit that beautifully reflected the spirit of the festival. They also engaged in a Vaisakhi-themed activity. Their joyful participation and creativity made the celebration truly lively and memorable.

Special Assembly on Earth Day

The Earth Day Special Assembly was a joyful and meaningful experience for the children. It included a Thought of the Day, a lively rhyme, and a short skit on caring for our planet. The students also participated in a Green Earth theme drawing activity, expressing their creativity while learning the importance of keeping the Earth clean and green.

Glimpses of April Month

Kitchen garden visit (SDG)

The students visited the kitchen garden and had a wonderful time observing nature closely. They explored different plants, flowers, and vegetables while learning about their importance in our daily life. The visit encouraged curiosity, appreciation for nature, and awareness about keeping the environment green and healthy.

Leaf Insect Art Activity

The students participated in a fun and creative leaf craft activity where they made different insects by pasting leaves and drawing legs, eyes, and other features using markers. The activity encouraged imagination, creativity, and observation skills while helping the children connect with nature in an enjoyable way.

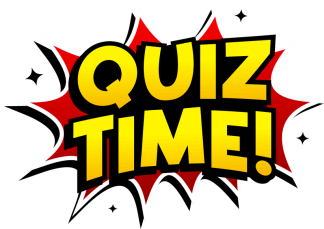

Seed Bomb Activity

The students participated in a fun and creative leaf craft activity where they made different insects by pasting leaves and drawing legs, eyes, and other features using markers. The activity encouraged imagination, creativity, and observation skills while helping the children connect with nature in an enjoyable way.

11 September 2030

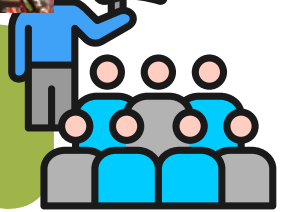

Quiz Competition

An interactive Quiz Competition based on the theme of Earth Day was conducted for the children. The activity included simple and engaging questions related to environmental awareness, such as cleanliness, recycling, and caring for nature. The children participated with enthusiasm and curiosity, making the session both enjoyable and informative. The quiz effectively reinforced their understanding of eco-friendly practices and responsible habits.

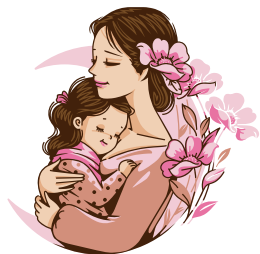

Pocso Awareness Workshop

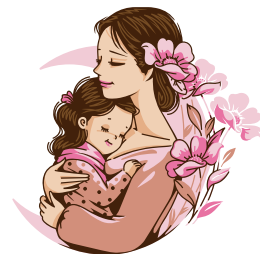

A sensitively planned POCSO Awareness Workshop was conducted to promote awareness about personal safety among children. Age-appropriate concepts of good touch and bad touch were explained in a simple and engaging manner. Children were guided on how to respond confidently and seek help from trusted adults in uncomfortable situations. The session was interactive and informative, creating a safe and supportive environment for learning while reinforcing the importance of personal boundaries.

Mother's day

The students celebrated Mother's Day with great love and enthusiasm by making beautiful cards for their mothers using rose petals. The activity allowed the children to express their feelings creatively and made the celebration special and memorable.

Club Activity

The club organized a fun and creative activity for Grade 1 students where they made colorful masks using cardboard and different waste materials. The activity encouraged creativity, imagination, and awareness about reusing materials in an enjoyable way.

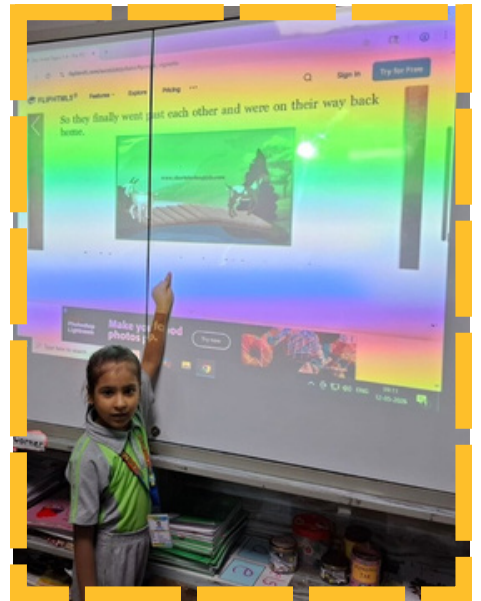

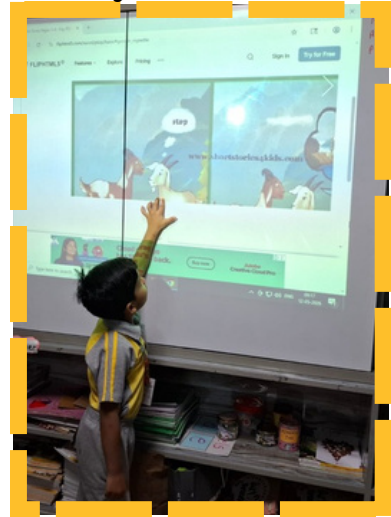

Solid Waste Management

To promote environmental awareness and creative learning, the children participated in a "3D Plastic Bottle Garden" activity under the theme of Solid Waste Management. Using recycled materials such as plastic bottles, bottle caps, and straws, the children created colourful and innovative models. The activity helped them understand the importance of recycling and reusing waste materials while also enhancing their creativity and fine motor skills.

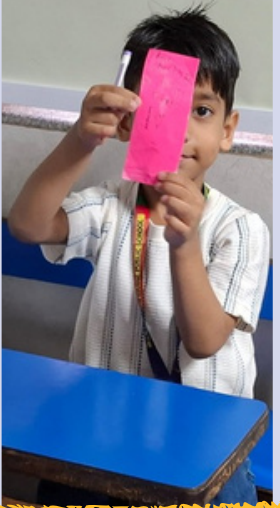

Picture Talk Activity

To encourage observation and communication skills, the children took part in a "Picture Talk" activity. They observed colourful storybook pictures and described the objects, characters, and events they could see. The activity provided opportunities for children to express their ideas and build sentences according to their age level. It helped improve their speaking skills, confidence, vocabulary, and creative thinking.

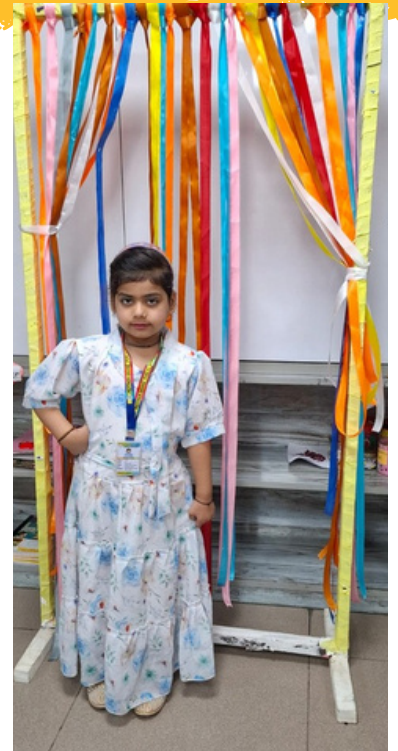

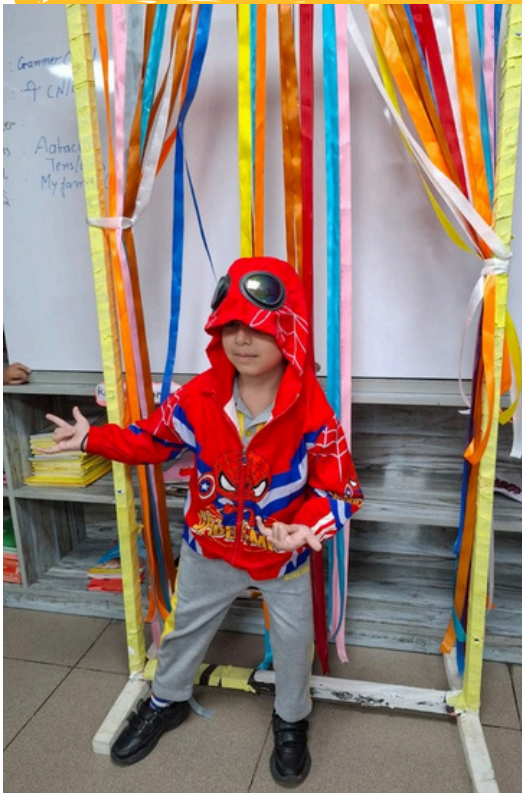

Bookmark Making

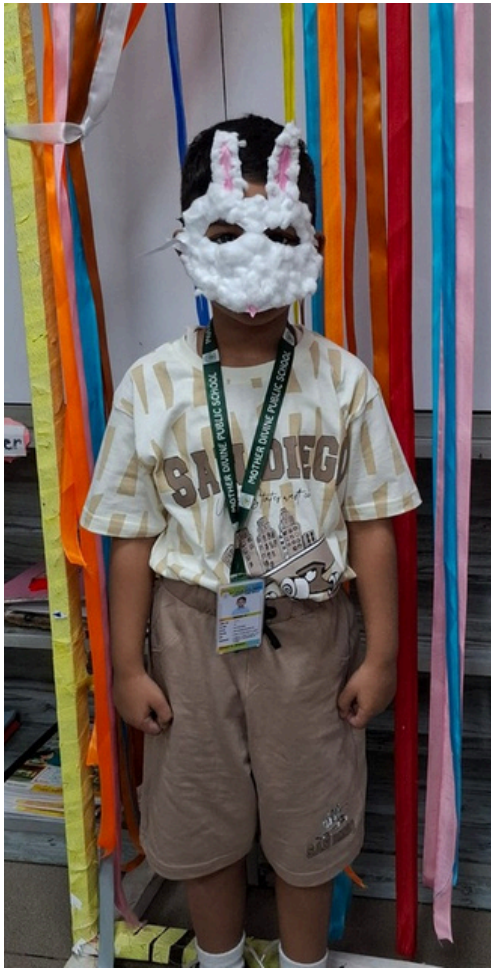

To promote creativity and interest in reading, the children participated in a "Bookmark Making" activity. Using crayons, stickers, ribbons, and bookmark strips, they designed colourful and attractive bookmarks with reading-themed messages. The activity encouraged artistic expression while reinforcing the importance of books and reading. It also helped develop fine motor skills, concentration, and creativity.

Dress Up as Your Favourite Story Character

To make reading fun and memorable, the children participated in a "Dress Up as Your Favourite Story Character" activity. Dressed as their favourite characters from storybooks, they confidently introduced themselves and spoke a few lines about their chosen character. The activity enhanced their self-expression, confidence, imagination, and understanding of story characters while creating an enjoyable learning experience.

Rhymes and Read-Aloud

To strengthen language and literacy skills, the children participated in a "Rhymes and Read-Aloud" activity. They enthusiastically recited their favourite nursery rhymes and listened to short reading passages shared by their teachers. The children celebrated Mother's Day with great love and devotion by making beautiful cards for their mothers and expressing their feelings creatively and made the celebration special and memorable.

Stranger Danger Workshop

To promote personal safety awareness and confidence among young learners, the children participated in a "Stranger Danger Workshop" conducted by their teachers. Through interactive discussions, role-plays, and age-appropriate examples, the children learned how to recognize strangers, identify unsafe situations, and respond appropriately. They were encouraged to follow the safety rules of Recognize, Resist, and Report by saying "No," moving away from danger, and informing a trusted adult. The workshop helped children develop essential safety habits, build self-confidence, and understand the importance of speaking up to stay safe.

Film Screening Session

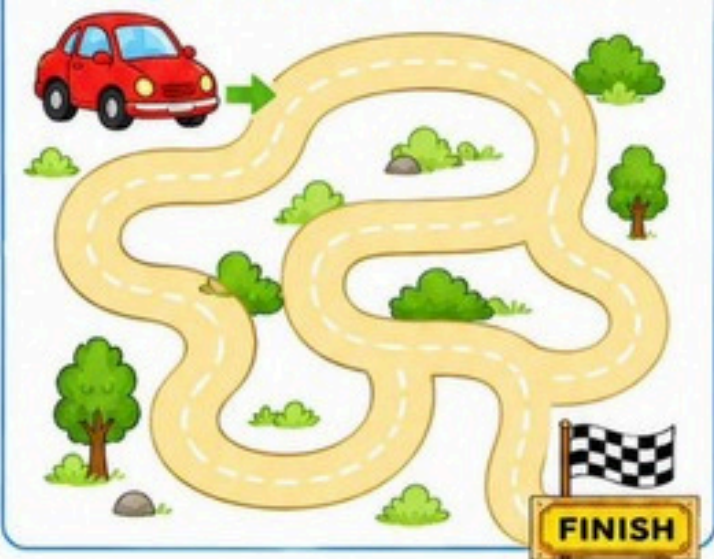

To provide children with an enjoyable and memorable learning experience, a "Film Screening Session" was organized for the students. The children enthusiastically watched an engaging and entertaining movie in a cheerful classroom environment. They enjoyed the screening along with healthy snacks and refreshments, making the experience even more special. The activity offered a wonderful opportunity for relaxation, enjoyment, and social bonding among peers. It also encouraged attentive viewing, listening skills, and appreciation of visual storytelling, creating happy memories for all the children.

Spot the Difference

Help the car reach the finish!

How many? Count and write the number.

Which is heavier?

Circle the heavier object in each scale.

What comes next?

Look at the pattern and draw the next shape.

Match the same.

Draw a line to match each picture with the same one.
