

DIVINE SPECTRUM

APRIL & MAY 2026

Mentorship Hub

A new school year means new beginnings, new discoveries, and lots of joyful learning!

We, Neelam & Bhavana Jain, are delighted to begin this new session with our children. Our classroom will be filled with stories, songs, playful learning, and many happy moments as children explore, grow, and build confidence together.

Junior Programme Head's Note

Dear Parents and Young Learners,

A very warm welcome to the new academic session! It gives me immense pleasure to greet all our students and families as we begin another exciting year of learning, growth, and discovery.

A special welcome to our Nursery children who are taking their first steps into the wonderful world of school. Starting school is a significant milestone, and we are delighted to partner with you in making this journey joyful, safe, and enriching.

Watching our youngest learners settle into their new environment, make friends, explore new experiences, and develop confidence has been truly heartwarming.

The months of April and May have been filled with enthusiasm and meaningful learning across all grades from Nursery to Grade II. Our classrooms have been buzzing with curiosity, creativity, and active participation as students engaged in hands-on activities, storytelling, music, art, and foundational skill-building experiences.

At MDPS, we believe that every child is unique and capable of achieving great things when nurtured with care, encouragement, and opportunities to explore. Through a balanced approach to academics, social-emotional learning, and play-based experiences, we strive to create an environment where every child feels valued and inspired.

As we move forward, we look forward to many more memorable moments, exciting learning opportunities, and celebrations of our students' achievements. Thank you, parents, for your continued trust, support, and partnership in your child's educational journey.

Wishing all our young learners a wonderful year ahead filled with happiness, learning, and success.

Classroom Chronicles

WELCOME TO FIRST DAY OF SCHOOL

The new academic session for Class I began on a joyful and exciting note. On the very first day, the children enthusiastically created a beautiful Memory Jar activity, expressing their thoughts and special memories in a fun and creative way. They also enjoyed a lively outdoor fun activity filled with laughter and happiness. To make the day even more memorable, the students had a cute photo session with a lovely flower photo frame, capturing their precious first-day moments. It was truly a warm, delightful, and unforgettable start to their new learning journey.

My memories jar

OUTDOOR FUN ON FIRST DAY

Special Assembly on Vaisakhi

The children enthusiastically participated in the Special Assembly on Vaisakhi. The celebration featured a thoughtful Thought of the Day, a lively rhyme, and a meaningful skit that beautifully reflected the spirit of the festival. They also engaged in a Vaisakhi-themed activity. Their joyful participation and creativity made the celebration truly lively and memorable.

Special Assembly on Earth Day

The Earth Day Special Assembly was a joyful and meaningful experience for the children. It included a Thought of the Day, a lively rhyme, and a short skit on caring for our planet. The students also participated in a Green Earth theme drawing activity, expressing their creativity while learning the importance of keeping the Earth clean and green.

GLIMSES OF APRIL MONTH

LEAF FLOWER ACTIVITY

The Creative flower Art Activity is an eco-friendly and creative task where students use old newspapers and natural materials to create beautiful flower designs. This activity promotes the idea of recycling and reusing waste materials in a meaningful way. Students roll, fold, and arrange newspaper pieces to form flowers, stems, and leaves.

LEAF INSECT ART ACTIVITY

The students participated in a fun and creative leaf craft activity where they made different insects by pasting leaves and drawing legs, eyes, and other features using markers. The activity encouraged imagination, creativity, and observation skills while helping the children connect with nature in an enjoyable way.

POCSO Awareness workshop

SENSE ORGAN ACTIVITY

The Sense Organs Activity was an exciting and creative learning experience for the children. The teacher organized an interactive class to help children understand the five sense organs and their functions through engaging discussions and fun activities. The children actively participated in identifying how we see, hear, smell, taste, and touch using our senses. The creative approach made learning enjoyable and helped enhance their observation and thinking skills. It was an enriching experience that encouraged curiosity and active participation in the classroom.

Mother's day craft

The students celebrated Mother's Day with great love and enthusiasm by making beautiful cards for their mothers using rose petals. The activity allowed the children to express their feelings creatively and made the celebration special and memorable.

Awareness on Solid waste management

To promote environmental awareness and creative learning, the children participated in a "Best Out of Waste" activity by making a cardboard face using waste materials. The students used old cardboard along with different decorative waste items to create fun and colorful faces. Through this activity, children learned the importance of reusing waste materials in a creative way. It also helped in developing their imagination, creativity, and fine motor skills while making learning enjoyable and meaningful.

Stranger Danger Workshop

To create awareness about personal safety, a *Stranger Danger Workshop* was organised for the students. Through an engaging story and interactive role-play, children learned how to identify strangers and respond safely in unfamiliar situations. They were encouraged to follow important safety practices such as staying close to trusted adults, saying "No" confidently, and seeking help whenever needed. The workshop helped children develop awareness, confidence, and a better understanding of personal safety in a meaningful and enjoyable way.

READ-O-MANIA week

BOOKMARK MAKING

To promote creativity and interest in reading, the children participated in a "Bookmark Making" activity. Using crayons, stickers, ribbons, and bookmark strips, they designed colourful and attractive bookmarks with reading-themed messages. The activity encouraged artistic expression while reinforcing the importance of books and reading. It also helped develop fine motor skills, concentration, and creativity.

STORY TELLING WITH PROPS

To develop listening and comprehension skills, the children participated in a "Storytelling with Props" activity. Teachers narrated interesting stories using puppets, masks, and flashcards, making the storytelling session interactive and engaging. The children listened attentively, answered simple questions about the story, and shared their favourite characters. The activity enhanced their imagination, vocabulary, and understanding of story sequences while fostering a love for reading.

Dress Up as Your Favourite Story Character

To make reading fun and memorable, the children participated in a "Dress Up as Your Favourite Story Character" activity. Dressed as their favourite characters from storybooks, they confidently introduced themselves and spoke a few lines about their chosen character. The activity enhanced their self-expression, confidence, imagination, and understanding of story characters while creating an enjoyable learning experience.

Rhyme and Recitation

Spot the Difference

Hop like a bunny on the numbers and reach the honey!

Count from 1 to 10 and drive the racer safely to the finish line!
