Mentorship Hub

A new school year means new beginnings, new discoveries, and lots of joyful learning!

We, Shweta Parewa & Poonam Kumari are delighted to begin this new session with our children. Our classroom will be filled with stories, songs, playful learning, and many happy moments as children explore, grow, and build confidence together.

'Dear Parents ,Guardians & Learners,

A very warm welcome to the new academic session! It gives me immense pleasure to greet all our students and families as we begin another exciting year of learning, growth, and discovery.

A special welcome to our Nursery children who are taking their first steps into the wonderful world of school. Starting school is a significant milestone, and we are delighted to partner with you in making this journey joyful, safe, and enriching. Watching our youngest learners settle into their new environment, make friends, explore new experiences, and develop confidence has been truly heartwarming.

Ms Aastha Bhola, JP Head

The months of April and May have been filled with enthusiasm and meaningful learning across all grades from Nursery to Grade II. Our classrooms have been buzzing with curiosity, creativity, and active participation as students engaged in hands-on activities, storytelling, music, art, and foundational skill-building experiences.

At MDPS , we believe that every child is unique and capable of achieving great things when nurtured with care, encouragement, and opportunities to explore. Through a balanced approach to academics, social-emotional learning, and play-based experiences, we strive to create an environment where every child feels valued and inspired.

As we move forward, we look forward to many more memorable moments, exciting learning opportunities, and celebrations of our students' achievements. Thank you, parents, for your continued trust, support, and partnership in your child's educational journey.

Wishing all our young learners a wonderful year ahead filled with happiness, learning, and success.

Classroom Chronicles

FIRST DAY OF SCHOOL

The new academic session began on a joyful and positive note. The children warmly greeted their teacher through friendly gestures such as high-five, fist bump, handshake, or a simple hello, creating a welcoming and comfortable classroom environment. They also participated in a vibrant thumb impression activity, expressing their creativity while making a special first-day keepsake. It was a delightful and memorable start to their learning journey.

SPECIAL ASSEMBLY ON VAISAKHI

The children enthusiastically participated in the Special Assembly on Vaisakhi. The celebration featured a thoughtful Thought of the Day, a lively rhyme, and a meaningful skit that beautifully reflected the spirit of the festival. They also engaged in a Vaisakhi-themed activity, creating vibrant artwork using colourful thumb impressions. Their joyful participation and creativity made the celebration truly lively and memorable.

SPECIAL ASSEMBLY ON EARTH DAY

The Earth Day Special Assembly was an engaging and joyful experience for the children. It included a Thought of the Day, a lively rhyme, and a short skit highlighting the importance of caring for our planet. The children also participated in a creative Leaf Face Art activity using natural materials like leaves and flowers, helping them connect with nature. The celebration encouraged them to adopt simple habits for keeping the Earth clean and green, making it a meaningful learning experience.

Leaf face Art

A creative Leaf Face Art activity was conducted, wherein children used natural materials such as dry leaves and flowers to design expressive faces. The activity provided an opportunity to explore creativity while fostering an appreciation for nature and the use of eco-friendly resources.

Eco walk Activity

An Eco Walk was conducted to help children develop a closer connection with nature. During the walk, they observed their surroundings and were encouraged to appreciate the beauty of the environment. The activity also created awareness about the importance of keeping the Earth clean, avoiding littering, and using eco-friendly alternatives such as recycled and cloth bags. It was an enriching experience that promoted responsible habits and environmental consciousness among the children.

Drawing and Colouring Competition

The Drawing and Colouring Competition was organized on the theme "Saving the Earth." Children enthusiastically expressed their ideas through vibrant illustrations, reflecting their understanding of environmental care. The activity encouraged creativity while reinforcing awareness about protecting the environment.

Quiz Competition

An interactive Quiz Competition based on the theme of Earth Day was conducted for the children. The activity included simple and engaging questions related to environmental awareness, such as cleanliness, recycling, and caring for nature. The children participated with enthusiasm and curiosity, making the session both enjoyable and informative. The quiz effectively reinforced their understanding of eco-friendly practices and responsible habits.

Pocso Awareness Workshop

A sensitively planned POCSO Awareness Workshop was conducted to promote awareness about personal safety among children. Age-appropriate concepts of good touch and bad touch were explained in a simple and engaging manner. Children were guided on how to respond confidently and seek help from trusted adults in uncomfortable situations. The session was interactive and informative, creating a safe and supportive environment for learning while reinforcing the importance of personal boundaries.

Mother's Day Assembly

The Mother's Day Special Assembly was conducted in a well-organized and heartwarming manner. It featured a Prayer, a Thought of the Day, and a lively rhyme that beautifully expressed love and gratitude towards mothers. The assembly aimed to help children understand the importance of respecting, loving, and appreciating their mothers, making the presentation both meaningful and memorable.

Mother's Day Craft

As a part of the Mother's Day celebration, children enthusiastically participated in a creative card-making activity using rose petals. They beautifully decorated their cards and were provided with a heart-shaped cut-out to write personal and heartfelt messages for their mothers. The activity encouraged children to express their love, gratitude, and emotions creatively, making the celebration joyful, meaningful, and memorable for everyone.

HAPPY 
Mother's Day

Awareness on Solid Waste Management

To promote environmental awareness and creative learning, the children participated in a "Best Out of Waste" activity using pencil shavings. The students used the delicate textures of pencil shavings to create beautiful and detailed patterns such as fish scales and flower petals, transforming everyday classroom waste into creative artwork. The activity helped children understand the importance of reusing waste materials while enhancing their imagination, creativity, and fine motor skills.

READ-O-MAINA

Storytelling With props

To develop listening and comprehension skills, the children participated in a "Storytelling with Props" activity. Teachers narrated interesting stories using puppets, masks, and flashcards, making the storytelling session interactive and engaging. The children listened attentively, answered simple questions about the story, and shared their favourite characters. The activity enhanced their imagination, vocabulary, and understanding of story sequences while fostering a love for reading.

Picture Talk Activity

To encourage observation and expression, the children participated in a Picture Talk Activity. They enthusiastically observed colourful pictures and shared their thoughts about the characters, objects, and events shown in them. The activity provided an opportunity for children to express their ideas confidently and engage in meaningful conversations with their peers. It was an enjoyable experience that sparked curiosity, imagination, and active participation among the children.

Bookmark Making

I ♥ BOOKS

To promote creativity and interest in reading, the children participated in a "Bookmark Making" activity. Using crayons, stickers, ribbons, and bookmark strips, they designed colourful and attractive bookmarks with reading-themed messages. The activity encouraged artistic expression while reinforcing the importance of books and reading. It also helped develop fine motor skills, concentration, and creativity.

Rhymes and Read-a-loud

To strengthen language and literacy skills, the children participated in a "Rhymes and Read-a-loud" activity. They enthusiastically recited their favourite nursery rhymes and listened to short reading passages shared by their teachers and classmates. The activity improved pronunciation, listening skills, fluency, and confidence in speaking. It also encouraged children to develop a lifelong interest in reading and learning.

Dress up as your favourite Story Character

To make reading fun and memorable, the children participated in a "Dress Up as Your Favourite Story Character" activity. Dressed as their favourite characters from storybooks, they confidently introduced themselves and spoke a few lines about their chosen character. The activity enhanced their self-expression, confidence, imagination, and understanding of story characters while creating an enjoyable learning experience.

Stranger & Danger

To create awareness about personal safety, a Stranger Danger Workshop was organized for the students. Through an engaging story and interactive role-play, children learned how to identify strangers and respond safely in unfamiliar situations. They were encouraged to follow important safety practices such as staying close to trusted adults, saying "No" confidently, and seeking help whenever needed. The workshop helped children develop awareness, confidence, and a better understanding of personal safety in a meaningful and enjoyable way.

Film Screening

To provide children with an enjoyable and memorable learning experience, a Film Screening Session was organized for the students. The children enthusiastically watched an engaging and entertaining movie in a cheerful classroom environment. They enjoyed the screening along with healthy snacks and refreshments, making the experience even more special. The activity offered a wonderful opportunity for relaxation, enjoyment, and social bonding among peers. It also encouraged attentive viewing, listening skills, and appreciation of visual storytelling, creating happy memories for all the children.

Thank you!
