Month: May

Dear Parents, Guardians and Learners,

A very warm welcome to the new academic session! It gives me immense pleasure to greet all our students and families as we begin another exciting year of learning, growth, and discovery.

A special welcome to our Nursery children who are taking their first steps into the wonderful world of school. Starting school is a significant milestone, and we are delighted to partner with you in making this journey joyful, safe, and enriching. Watching our youngest learners settle into their new environment, make friends, explore new experiences, and develop confidence has been truly heartwarming.

The months of April and May have been filled with enthusiasm and meaningful learning across all grades from Nursery to Grade II. Our classrooms have been buzzing with curiosity, creativity, and active participation as students engaged in hands-on activities, storytelling, music, art, and foundational skill-building experiences.

At MDPS , we believe that every child is unique and capable of achieving great things when nurtured with care, encouragement, and opportunities to explore. Through a balanced approach to academics, social-emotional learning, and play-based experiences, we strive to create an environment where every child feels valued and inspired.

As we move forward, we look forward to many more memorable moments, exciting learning opportunities, and celebrations of our students' achievements. Thank you, parents, for your continued trust, support, and partnership in your child's educational journey.

Wishing all our young learners a wonderful year ahead filled with happiness, learning, and success.

Ms Aastha Bhola, JP Head

Classroom Chronicles

FIRST DAY OF SCHOOL

The new academic session began on a joyful and positive note. The children warmly greeted their teacher through friendly gestures such as high-five, fist bump, handshake, or a simple hello, creating a welcoming and comfortable classroom environment. They also participated in a vibrant thumb impression activity, expressing their creativity while making a special first-day keepsake. It was a delightful and memorable start to their learning journey.

SPECIAL ASSEMBLY ON VAISAKHI

The children enthusiastically participated in the Special Assembly on Vaisakhi. The celebration featured a thoughtful Thought of the Day, a lively rhyme, and a meaningful skit that beautifully reflected the spirit of the festival. They also engaged in a Vaisakhi-themed activity, creating vibrant artwork using colourful thumb impressions. Their joyful participation and creativity made the celebration truly lively and memorable.

SPECIAL ASSEMBLY ON EARTH DAY

The Earth Day Special Assembly was an engaging and joyful experience for the children. It included a Thought of the Day, a lively rhyme, and a short skit highlighting the importance of caring for our planet. The children also participated in a creative Leaf Face Art activity using natural materials like leaves and flowers, helping them connect with nature. The celebration encouraged them to adopt simple habits for keeping the Earth clean and green, making it a meaningful learning experience.

Seed Exploration

A Seed Bomb Making activity was conducted to help children understand the importance of planting and caring for nature. The students prepared seed bombs using soil and seeds, shaped them into small balls, and carefully wrapped them in green paper. They enthusiastically took their seed bombs home to observe and explore the journey of a seed growing into a sapling and eventually into a plant. The activity encouraged environmental awareness, responsibility, and a deeper connection with nature in a fun and hands-on way.

Pocso Awareness Workshop

A sensitively planned POCSO Awareness Workshop was conducted to promote awareness about personal safety among children. Age-appropriate concepts of good touch and bad touch were explained in a simple and engaging manner. Children were guided on how to respond confidently and seek help from trusted adults in uncomfortable situations. The session was interactive and informative, creating a safe and supportive environment for learning while reinforcing the importance of personal boundaries.

MOTHERS' DAY CELEBRATION

A special Mothers Day celebration was organized in our classroom to honor and appreciate all mothers. The students participated enthusiastically in various activities and performances to express their love and gratitude. The celebration created a joyful and emotional atmosphere, making the day memorable for everyone.

HAPPY
Mother's Day

READ-O-MAINA

Storytelling with props

To develop listening and comprehension skills, the children participated in a "Storytelling with Props" activity. Teachers narrated interesting stories using puppets, masks, and flashcards, making the storytelling session interactive and engaging. The children listened attentively, answered simple questions about the story, and shared their favourite characters. The activity enhanced their imagination, vocabulary, and understanding of story sequences while fostering a love for reading.

Picture Talk Activity

To encourage observation and expression, the children participated in a Picture Talk Activity. They enthusiastically observed colourful pictures and shared their thoughts about the characters, objects, and events shown in them. The activity provided an opportunity for children to express their ideas confidently and engage in meaningful conversations with their peers. It was an enjoyable experience that sparked curiosity, imagination, and active participation among the children.

Bookmark Making

To promote creativity and interest in reading, the children participated in a "Bookmark Making" activity. Using crayons, stickers, ribbons, and bookmark strips, they designed colourful and attractive bookmarks with reading-themed messages. The activity encouraged artistic expression while reinforcing the importance of books and reading. It also helped develop fine motor skills, concentration, and creativity.

Dress up as your favourite Story Character

To make reading fun and memorable, the children participated in a "Dress Up as Your Favourite Story Character" activity. Dressed as their favourite characters from storybooks, they confidently introduced themselves and spoke a few lines about their chosen character. The activity enhanced their self-expression, confidence, imagination, and understanding of story characters while creating an enjoyable learning experience.

Stranger & Danger

To create awareness about personal safety, a Stranger Danger Workshop was organized for the students. Through an engaging story and interactive role-play, children learned how to identify strangers and respond safely in unfamiliar situations. They were encouraged to follow important safety practices such as staying close to trusted adults, saying "No" confidently, and seeking help whenever needed. The workshop helped children develop awareness, confidence, and a better understanding of personal safety in a meaningful and enjoyable way.

Film Screening

To provide children with an enjoyable and memorable learning experience, a Film Screening Session was organized for the students. The children enthusiastically watched an engaging and entertaining movie in a cheerful classroom environment. They enjoyed the screening along with healthy snacks and refreshments, making the experience even more special. The activity offered a wonderful opportunity for relaxation, enjoyment, and social bonding among peers. It also encouraged attentive viewing, listening skills, and appreciation of visual storytelling, creating happy memories for all the children.

Red Colour Day

The children celebrated Red Colour Day with great excitement and enthusiasm. They came dressed in red outfits and participated in various activities related to the colour red. They identified red-coloured objects, sang rhymes, and engaged in interactive discussions. The celebration helped reinforce colour recognition, enhance vocabulary, develop observation skills, and boost confidence through active participation. The joyful activities made learning enjoyable and memorable for the children.
