

DIVINE SPECTRUM

APRIL-MAY 2026

Shining Star

Name : Chetaksh
Month: April

A new school year means new beginnings,
new discoveries, and lots of joyful learning!

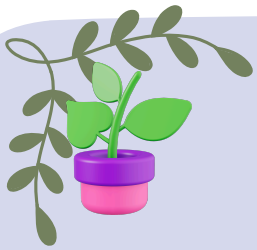

We Divya Gupta & Kanika Chaudhary are delighted to begin this new session
with our children. In our classroom, little hands create big dreams,
Through stories, songs, and playful learning it seems,
Every child grows with confidence and cheer,
Making happy memories throughout the year.

Shining Star

Name : Parth
Month: May

Dear Parents and Young Learners,

A very warm welcome to the new academic session! It gives me immense pleasure to greet all our students and families as we begin another exciting year of learning, growth, and discovery.

A special welcome to our Nursery children who are taking their first steps into the wonderful world of school. Starting school is a significant milestone, and we are delighted to partner with you in making this journey joyful, safe, and enriching. Watching our youngest learners settle into their new environment, make friends, explore new experiences, and develop confidence has been truly heartwarming.

The months of April and May have been filled with enthusiasm and meaningful learning across all grades from Nursery to Grade II. Our classrooms have been buzzing with curiosity, creativity, and active participation as students engaged in hands-on activities, storytelling, music, art, and foundational skill-building experiences.

At MDPS, we believe that every child is unique and capable of achieving great things when nurtured with care, encouragement, and opportunities to explore. Through a balanced approach to academics, social-emotional learning, and play-based experiences, we strive to create an environment where every child feels valued and inspired.

As we move forward, we look forward to many more memorable moments, exciting learning opportunities, and celebrations of our students' achievements. Thank you, parents, for your continued trust, support, and partnership in your child's educational journey.

Wishing all our young learners a wonderful year ahead filled with happiness, learning, and success.

Ms Aastha Bhola, JP Head

Classroom Chronicles

FIRST DAY OF SCHOOL

The new academic session began on a joyful and positive note. The children warmly greeted their teacher through friendly gestures such as high-five, fist bump, handshake, or a simple hello, creating a welcoming and comfortable classroom environment. They also participated in a vibrant thumb impression activity, expressing their creativity while making a special first-day keepsake. It was a delightful and memorable start to their learning journey.

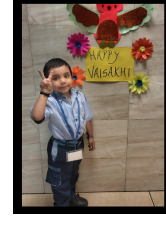

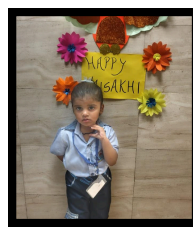

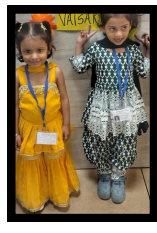

SPECIAL ASSEMBLY ON VAISAKHI

The children enthusiastically participated in the Special Assembly on Vaisakhi. The celebration featured a thoughtful Thought of the Day, a lively rhyme, and a meaningful skit that beautifully reflected the spirit of the festival. They also engaged in a Vaisakhi-themed activity, creating vibrant artwork using colourful thumb impressions. Their joyful participation and creativity made the celebration truly lively and memorable."

SPECIAL ASSEMBLY ON EARTH DAY

The Earth Day Special Assembly was an engaging and joyful experience for the children. It included a Thought of the Day, a lively rhyme, and a short skit highlighting the importance of caring for our planet. The children also participated in a creative Leaf Face Art activity using natural materials like leaves and flowers, helping them connect with nature. The celebration encouraged them to adopt simple habits for keeping the Earth clean and green, making it a meaningful learning experience.

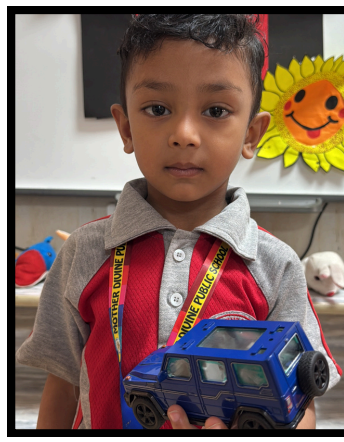

The children enthusiastically participated in a Nature's Walk around the school garden. During the walk, they observed different plants, flowers, and trees, learning about their importance in our environment. The children explored nature closely, identified various plants, and enjoyed interacting with the greenery around them. This enriching experience encouraged curiosity, environmental awareness, and a love for nature. The activity helped them understand the importance of caring for plants and keeping our surroundings clean and green.

The children happily shared their favourite things with their friends. They talked about their favourite toys, colours, foods, and activities. This activity encouraged them to express their likes and preferences confidently while developing their speaking skills. It was a fun and engaging experience that helped children learn more about one another.

Pocso Awareness Workshop

A sensitively planned POCSO Awareness Workshop was conducted to promote awareness about personal safety among children. Age-appropriate concepts of good touch and bad touch were explained in a simple and engaging manner. Children were guided on how to respond confidently and seek help from trusted adults in uncomfortable situations. The session was interactive and informative, creating a safe and supportive environment for learning while reinforcing the importance of personal boundaries.

Seed Exploration

The children enthusiastically participated in a Seed Exploration Activity, where they observed and explored different types of seeds. They compared the seeds based on their size, shape, colour, and texture and learned about their importance in the growth of plants. Through hands-on observation and discussion, children developed curiosity about nature and gained a better understanding of how plants begin their life cycle.

Best Mom's Day Mother's Day

The Mother's Day Celebration was a joyful and heartwarming event where mothers were invited to participate alongside their children. The children and their mothers enthusiastically took part in various fun-filled activities and games, creating special memories together. The event was filled with laughter, excitement, and bonding moments that strengthened the parent-child relationship. The children also expressed their love and gratitude for their mothers through thoughtful gestures and creative

activities, making the celebration truly memorable.

Read-o-mania

Story Telling

Enjoy

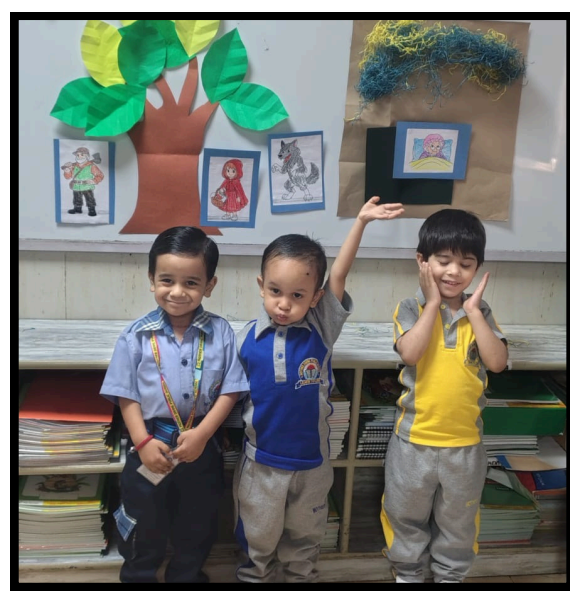

To develop listening and comprehension skills, the children participated in a "Storytelling with Props" activity. Teachers narrated interesting stories using puppets, masks, and flashcards, making the storytelling session interactive and engaging. The children listened attentively, answered simple questions about the story, and shared their favourite characters. The activity enhanced their imagination, vocabulary, and understanding of story sequences while fostering a love for reading.

Picture Talk

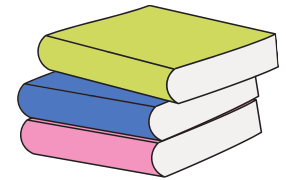

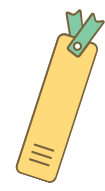

To encourage observation and expression, the children participated in a Picture Talk Activity. They enthusiastically observed colourful pictures and shared their thoughts about the characters, objects, and events shown in them. The activity provided an opportunity for children to express their ideas confidently and engage in meaningful conversations with their peers. It was an enjoyable experience that sparked curiosity, imagination, and active participation among the children.

Book Mark Making

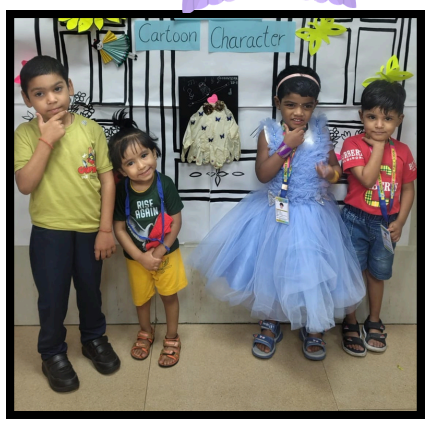

To promote creativity and interest in reading, the children participated in a "Bookmark Making" activity. Using crayons, stickers, ribbons, and bookmark strips, they designed colourful and attractive bookmarks with reading-themed messages. The activity encouraged artistic expression while reinforcing the importance of books and reading. It also helped develop fine motor skills, concentration, and creativity.

Dress up as your favourite Chatacter

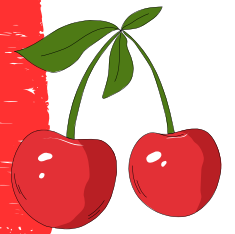

To make reading fun and memorable, the children participated in a "Dress Up as Your Favourite Story Character" activity. Dressed as their favourite characters from storybooks, they confidently introduced themselves and spoke a few lines about their chosen character. The activity enhanced their self-expression, confidence, imagination, and understanding of story characters while creating an enjoyable learning experience.

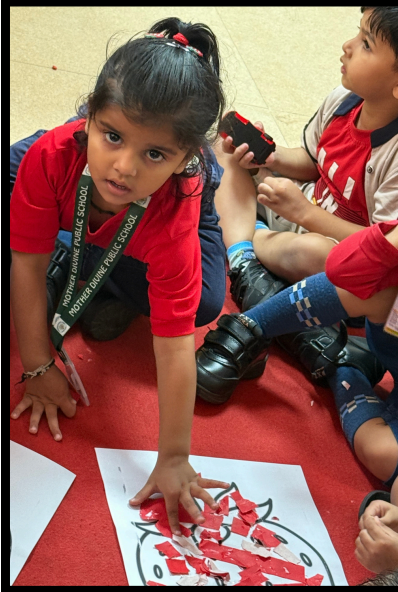

RED COLOUR DAY

"Rhymes and Read-a-loud"

To strengthen language and literacy skills, the children participated in a "Rhymes and Read-Aloud" activity along with the celebration of Red Colour Day. Dressed in vibrant red outfits, the children enthusiastically recited their favourite nursery rhymes and listened to short reading passages shared by their teachers and classmates. They also identified and talked about various red-coloured objects, making the learning experience more engaging and enjoyable. The activity enhanced pronunciation, listening skills, fluency, and confidence in speaking while reinforcing the recognition of the red colour. The celebration created a joyful learning environment and encouraged children to develop a lifelong interest in reading and learning.

Thank You
